A certain soph brought some flour to school for use in physiology, but used it in filling inkwells. Were it a freshman the offense might have been pardonable, but for a sophomore, never!

## GOOD FORTUNE CAME TOO LATE.

Lifelong Unfortunate Killed Himself at Moment of Luck's Turn.

A French provincial newspaper tells a story of the irony of fate. The hero was a notary's clerk, named Lemer, who had a remarkable series of reverses of fortune.

He seems to have been a hoodoo, for something was bound to go wrong with every firm he joined in the capacity of clerk or cashier. Always ill paid and wretchedly unhappy, the youth was in turn a gardener, a porter, a carter and anything else that enabled him to buy bread, till after 15 years of a hand-to-mouth struggle he returned to his native village of Breval, near Mantes, and was taken in by a charitable person. In vain he sought for work, and he contracted some unavoidable small debts.

The other morning an imperative knocking at the door announced the emissaries of the law. The wretched Lemer barricaded himself in and then hanged himself. When a locksmith had broken open the door Lemer was dead. The intruder had not come to arrest him, but to announce that a distant relative had left him a legacy of \$5,000.

Uncle Jerry.

"What they call 'honor' is a mighty curious thing," observed Uncle Jerry Peabody. "I know a man who would cheerfully starve himself to pay a gambling debt, and he still owes the preacher that married him 27 years ago."

## EAST CHICAGO DOES HER DUTY

Republicans There And at Harbor Return Tremendous Majority.

## VOTE IS GIVEN BY PRECINCTS

Wickey Hopes to Do Great Things

For the Calumet Region Now.

(Special to THE TIMES).

East Chicago, Ind., Nov. 4.—Almost thirty-four hundred votes were polled in East Chicago and Indiana Harbor yesterday. The eight precinct booths of the city were filled at all hours of the day with a line of clamoring men, anxious to cast their ballots. That their patience was for the good of the community is demonstrated by the fact that every precinct gave to the republican party candidates, for national, state, county and township offices, substantial majorities in every instance.

Indiana Harbor, especially, is to be congratulated upon the successful voting of 80 per cent of her citizens. East Chicago proper was not far behind in these honors, it being estimated that between 75 and 85 per cent of the voters cast their ballots. The result of the election in Lake county, as far as present returns indicate, has been pleasing to the public. With the entire county ticket elected by the republican majority, and with Taft and Sherman heading the national ticket, there is every reason to predict for East Chicago and vicinity one of the most prosperous years in her history under the rule of William H. Taft, Congressman E. D. Crumacker and the other republican officers.

E. W. Wickey's success at the polls throughout the county meets with approbation in Indiana Harbor especially. Mr. Wickey's energies for the betterment of the harbor region have won for him the support of the Harborites, who desire the long-prayed-for canal during the next two years. Mr. Wickey will make a good legislator and Lake county need have nothing to fear in his timely election.

The usual arrests were not found at this year's polls. Chief of Police Higgins and his force of officers handling the lines of voters with splendid ability during the day. No fracas was reported to the police from the foreign districts and Chief Higgins was highly pleased with the pleasant outcome of the day's duties.

The vote for the republican and democratic candidates in East Chicago and Indiana Harbor's precincts is appended hereto.

## ABLEMAN IS WINNER

North Township Republican Ticket Is Successful Also.

One of the surprises of the township campaigns was the bitter fight between Sam Ableman and John C. Becker in this year's polls. Chief of Police Higgins and his force of officers handling the lines of voters with splendid ability during the day. No fracas was reported to the police from the foreign districts and Chief Higgins was highly pleased with the pleasant outcome of the day's duties.

The vote for the republican and democratic candidates in East Chicago and Indiana Harbor's precincts is appended hereto.

B. E. Escher is elected assessor over J. F. Krost.

## New York Described by New Yorker.

New York is the dirtiest of the world's great cities and the noisiest, and the skyscrapers on which we pride ourselves are making its streets the darkest on God's footstool. Hitherto, however, we had been able to look upward—from the footstool to the throne, so to speak—and catch glimpses of the sky and of the sun or the moon, especially if we happened to be passing through a park or square. But even of this resource we are now being robbed. What with the dirt, the din and the darkness, to say nothing of the everlasting quick lunch, strap hanging, step lively scramble of our daily lives, it is small wonder that money is to be made by advertising remedies for shattered nerves and establishments for "making men over."

But even such advertisers could not pay the city a price that would justify it in selling its open spaces for such use.—Letter to New York Sun.

## Pay Up.

If your bills are correct, pay them promptly and pleasantly, and people will respect you. Try this method and note the results.—The Oklahoman.

## HEARST PARTY LEFT AT POST

Independence League Does Not Even Effect Race in Chicago.

William Randolph Hearst's independence party neither made any showing of its own in Chicago nor influence the election or defeat of any of the candidates of the other parties.

Charles Mitchell, candidate for state's attorney, for whom the Hearst following claimed the most, polled less than 6,000 votes in the city. The total, whether added to or subtracted from the totals either of Wayman or Kern, would not have had the least effect upon the outcome.

## Others Do Not Fare So Well.

At that Mitchell did far better than Thomas Higen, the party's candidate for president, and George W. McCaskrin, the nominee for governor.

Higen garnered approximately 4,500 votes and McCaskrin slightly less than 4,000 in the city.

In 854 precincts out of the 1,256 in the city Mitchell received 4,184 votes; in 1,190 precincts Higen received 3,557, and in 960 precincts McCaskrin received 3,104.

## Average of Five to a Precinct.

In no case did any particular ward make a strong showing, the slight accessions dribbling along, precinct to precinct. One precinct in the Twenty-eighth ward gave thirty-three votes to Mitchell, but the same precinct gave Wayman 346, and Kern 134. Several precincts in the Twenty-seventh ward made a showing of from seventeen to twenty-three votes for Mitchell, but the average showing to the strongest of the weakly trio was about five to a precinct.

In the case of Higen, the average sank to less than four and in that of McCaskrin to a trifle more than three.

Silent gloom settled early and completely over the party's usual spokesmen.

## Articles of Incorporation.

The following articles of incorporation were filed in the office of the secretary of state today:

The incorporators are Thomas J. Lindley, William O. Sweeney, Patrick H. Sweeney and Claude T. Lindley, all of Jeffersonville.

The Farmers' Society of Equity, without capital stock, for the purpose of making better conditions among the farmers of the country. James A. Everett of Indianapolis is at the head of the corporation and the other incorporators are W. E. Grelich, Traverse City, Mich.; H. B. Sherman, Greensburg, Ind.; I. C. Rous, Indianapolis; N. M. Ashby, Sebree, Ky.; John M. Myers, Ramsey, N. J.; L. H. Johnson, Attica, Ind.; R. S. Sherod, Koesauqua, Iowa; A. G. Schmidt, S. W. Norris, Rochester, Ind.; H. A. Wells, Melle, Minn.; C. W. Packham, Haven, Minn.; Peter B. Unruh, Barabara, Kan.; Samuel M. Renn, Spencer, Ind.; James Harvey, East Jordan, Mich.; Frank Moore, Hutchinson, Kan.

The Boulevard Land company of Indianapolis, filed notice that at the next regular meeting of the stockholders the capital stock will be decreased from \$25,000 to \$10,000, for the reason that such a large capital stock is no longer needed to conduct the business of the company.

The General Store company of Evansville, filed notice that it has changed its corporate name to the Reitz-Spiegle Furniture company.

The Lake County Department Store company filed articles with a capital stock of \$5,000, with the following incorporators: Lazar W. Saric, Nick Meyer, Paul Popovich, Tony Stipanovich, Nick Popovich, Wassag Aggenovich, Mike Stakich, George Wuckovich.

## Jap Company's Big Business.

The Nitsui Trading Company of Japan does a \$100,000,000 business with Europe, Australia, America and Asia.

## NEW YORK THE BLOW

John W. Kern Sanguine of Success Before New York News Came.

Indianapolis, Nov. 3.—John W. Kern resolved the rumors at the democratic state headquarters and in the earlier hours of the evening seemed quite sanguine of Bryan's carrying the country. When returns began to show that Bryan was running behind Chandler in New York state and later that the city vote was not holding up to his expectations he showed some disappointment, but quickly recovered his wonted equanimity and watched the returns from that time with seeming indifference.

The returns from Indiana and especially from Marion county had a cheering effect and he seemed greatly pleased over the fact that Indiana bid fair to be democratic and that the party would control the legislature on joint ballot. Should that prove to be the case he will be elected to the United States senate without opposition.

Mr. Kern was not willing to comment on the result, except that he was satisfied with the verdict that the people of the country would give, provided it was honestly given. He said he had made what he regarded as a fair fight and that he had no regrets whatever in connection with the campaign, except the natural regret over the defeat of the ticket.

## WAYMAN IS THE VICTOR

Republican Candidate For States Attorney in Chicago Defeats Kern.

John E. W. Wayman, republican candidate for state's attorney of Cook county, Ill., and the entire republican county ticket were victorious at the polls yesterday.

Wayman's plurality over Jacob J. Kern, the democratic nominee for state's attorney, was estimated from incomplete returns at 46,000 to 48,000 in the county. Wayman has carried Chicago, according to latest bulletins, by about 30,000 plurality.

At midnight the democratic county leaders conceded the defeat of their ticket. Roger Sullivan, chairman of the county finance committee, was practically downcast. He and other party leaders were inclined to blame Bryan for his failure to arrive in Chicago Saturday night to arouse enthusiasm for the democratic candidates.

At republican county headquarters complete victory was claimed by 9 o'clock in the evening and before 10 the party leaders had begun celebrating. It was evident even thus early that Mr. Wayman's plurality was decisive and that the other county candidates had gone over the plate with the big Taft plurality.

Wayman's victory ended the most stirring struggle over the state's attorneyship ever fought in Cook county, the republican nominee winning in the face of many adverse conditions and handicaps.

## IMMEDIATE RELIEF

From Coughs, Colds, Sore Throat and Hoarseness, by Using Hyomel

When you catch cold you want to get rid of it as quickly as you can. You don't want to lie around the house for a week swallowing nauseating drugs. You know when you do this that you are not only making your own life miserable, but are a nuisance to every body about you. Why not relieve your cold in five minutes? Why not cure it over night? You can do it by using Hyomel, the sure and guaranteed cure for colds, coughs, sore throat, catarrh, bronchitis and asthma.

Hyomel (pronounced High-o-mel) is medicated and antiseptic air. You breathe it into the lungs through a small pocket inhaler, and its soothing influence as it passes over the inflamed membrane of the respiratory tract, stops the mucous discharge, allays the inflammation, and the cold is cured. A complete Hyomel outfit costs \$1.00 and Summers Pharmacy will refund your money if it fails to cure.

### PAPKE BUCKLES TO WORK

Starts Rigid Siege of Training Precinct to Ketchel Bout.

San Francisco, Cal., Nov. 3.—Believing that exactly three weeks' solid work will fit him exceptionally well for his fight Thanksgiving day with Stanley Ketchel, Billy Papke today began the first of his stunts, picking up the work at San Rafael.

Three days will be devoted to light work and by that time the middle-weight champion will be prepared for the roughest sort of training. He is going in for rough work, as he intends to make a rushing fight of his next meeting with Ketchel. He is satisfied that the former champion's heart was broken in their last meeting and that he will not be able to weather another storm like that.

Ketchel's manager is still grumbling about the conditions of the match and the impression is becoming widespread that Ketchel will find it impossible to make the middle-weight limit in time for the engagement. This is denied by Ketchel's party, but they are making so many objections that it looks as if the match might finally be declared off.

### YUSUF-JENKINS MATCH HERE

Ferretti and Coffey Plan a Wrestling Bout for Tattersall's.

"Yusuf, the Turk," who is matched with Tom Jenkins, may wrestle the bout in this city. Sylvie Ferretti and Joe Coffey have communicated with the managers of the pair. They plan to hold the event in Tattersall's in case Yusuf shows up in good form. To give him a tryout they will let him meet all comers at a west side theater, commencing one week from Sunday.

Wrestling will be held at the same theater, under the management of Ferretti and Coffey, every Friday evening. Charles (Kid) Cutler and Carl Busch will wrestle next Friday.

### ABLE TO STOP PURDUE'S PLAYS

Northwestern Repulses Next Foe's Tricks as Tried by Scrubs.

Fake plays used by Purdue in its last game were tried against the Northwestern football team yesterday by an eleven made up of scrubs, but in most instances the regulars were able to stop the play in time to prevent a gain. In the scrub team were three old-time Northwestern football stars, Alton Johnson and his brother, Harry and Weinberger.

Officials who will have charge of the Purple-Purdue game Saturday, have been selected. Kelly of Princeton will referee, and Fishleigh of Michigan will umpire.

### GOPHER PLAYS CRUSH BADGERS

Madison, Wis., Nov. 3.—Using the Minnesota formations, the Wisconsin freshmen went through the badger line today like a Kansas cyclone through a cornfield. It was only after the most desperate playing that the varsity succeeded in defeating them by three touchdowns. The freshmen back field, consisting of Captain Anderson, Hammersick, Wilkinson and Busser, during the forepart of the practice waded through the varsity forwards.

The offensive work of the badgers grew better than it has been for some time, ten men interfering for and helping the runner. The first touchdown was scored by Moll, in a beautiful dodging run from his position. At another time, Bunker, the former Morgan park player, at left end, intercepted a forward pass by Captain Anderson and raced the length of the field for a touchdown. The final score was made by Osthoff, on a tackle back play.

## READY FOR CORNELL

Midway Eleven to Prepare for Surprises in Open Style of Ithacans.

More defense will be the battle cry of Coach A. A. Stagg for the rest of this week. The coach announced after yesterday's long signal drill that he would probably send the first-year team against the regulars every day, beginning with this afternoon, in the hope of bringing the line up to the standard he thinks it must reach in order to dispose of Cornell.

According to the Midway director, the Cornell attack will be several times more brilliant and effective than anything the Ithacans have displayed in their games so far this season. He expects an entirely different offense than that seen by Assistant Coach Leo De Tray in last Saturday's Cornell-Penn State game and will prepare for a glittering assortment of open plays.

Cornell is sure to take advantage of the new game and will bring some eye-openers in the shape of dashing forward passes west with them, Coach Stagg figures. Although Cornell spring but three forward passes against Penn State, nobody at the Midway expects such a meager display from the eastern team when it comes to Marshall.

Princeton, N. J., Nov. 3.—The hard work of the week started today for the Tiger players. Two fast halves of scrimmage were played by the first eleven behind closed gates. The varsity scored one touchdown on the scrubs by dint of hard work.

The playing of the backs was slow and generally rather discouraging. Sparks, however, showed up well. Cunniff, the drop kicker, was tried at quarter. This experiment is regarded with great interest, as he is a heavy player, besides being clever, too.

In the second half of the freshmen replaced the scrubs and broke even with the regulars, 5 to 5.

### PRINCETON HAS HARD WORK

Varsity Plays Scrimmage Against the Scrubs and Freshmen.

Princeton, N. J., Nov. 3.—The hard work of the week started today for the Tiger players. Two fast halves of scrimmage were played by the first eleven behind closed gates. The varsity scored one touchdown on the scrubs by dint of hard work.

The playing of the backs was slow and generally rather discouraging. Sparks, however, showed up well. Cunniff, the drop kicker, was tried at quarter. This experiment is regarded with great interest, as he is a heavy player, besides being clever, too.

In the second half of the freshmen replaced the scrubs and broke even with the regulars, 5 to 5.

### KELLY REFUSES THOMAS BOUT

Chicago Italian Prefers Chances for Battle in West.

Hugo Kelly has declined to meet Joe Thomas before the Armory Athletic club of Boston, Nov. 17, in a twelve-round bout, mainly because the doings in the west look better to the Chicago Italian. Chances are that a match between Kelly and Papke, or some other one within the weight limits desired by the local man will be arranged soon on the coast. Kelly is not anxious to go against Thomas just now, as the latter weighs nearly 170 pounds, it is said. The local fighter is training hard on a hunting trip in Wisconsin.

### HAMMOND C. A. C. DEFEATED

The Central A. C. of Hammond were defeated by the score of 25 to 0 by the Hamburg A. C. last Sunday at North-ernlight football park at Thirty-ninth and Lincoln.

The boys were feeling blue when they saw the giants, especially when they heard McGraw, one of the Princeton university stars, playing full back against them. It was impossible for the boys to hold their line and to break up McGraw's forward passes.

Coach Cole thinks that he has put the boys up against the three hardest 150-pound teams in the league. They will play their first 140-pound team next Sunday at West Pullman.
