KATIE HARIMS HAS MR. VIKUP ARRESTED

Evan Vikup paid \$10 and costs, amounting to \$21.50, for assault and battery on the person of Katie Harims. Evan had been invited by Mr. and Mrs. Harims to go over to their house and stay for dinner Sunday night.

During the evening Harims' wife became involved in a controversy and a fight resulted. Vikup assaulted Mrs. Harims and she had him arrested. The fine was a heavy one, and was probably assessed to impress Vikup with the necessity of observing the proprieties of the occasion when he goes calling on Sunday.

HEARD BY RUBE.

William Jennings can be a Peerless Loser just as well as he can be a Peerless Leader.

Gary has now witnessed election storms, and storms, rain storms and snow storms.

It seemed that the county republican candidates were really glad to get Gary after all.

We have already forgot who ran for president on the independent ticket and it will only be a few days and we will be able to eat as usual.

The election didn't seem to effect Gary people at all. Many perfectly respectable husbands didn't even go downtown at all during the evening. They were not able to have been too off during the day.

"Rube" warned all of his readers several weeks ago that immediately after election there would be a frost. How's that for predicting.

One thing sure, if we would have had voting machines in Lake county we would have known the result earlier.

The average Gary girl treats a new acquaintance better than she does an old friend—so the old friend thinks.

Those men who were arrested last Tuesday are not really dangerous and you would be absolutely safe if you were to meet them on the street alone.

Cotton tails are said to be quite plentiful about Gary—that is—"there were many witnessed in these parts."

It wouldn't matter if Officer Gus Newman ran into the steam roller, he would stop it. Don't you know that he used to play football with the victorious Crown Point team in 1898.

Spats of many colors are being worn in Gary at the present time. If you must wear spats, wear every other color but pink and yellow.

In the future if you have any money to bet don't bet a policeman by your stakeholder. Give it to the newspaper man. He needs it.

From now on you might as well leave the snow-hovel near the back door where it will be handy.

MEN VS. BUTTON HOLES

Unique Contest Inaugurated For Gary Church Benefit.

One of the most noted feature for entertaining, given by church workers in Gary, will be the shirtwaist party, given by the Woman's association of the Congregational church tonight at the home of Mrs. J. Dick, at the corner of Eighth avenue and Van Buren street.

The main feature of the evening's entertainment will be the shirtwaist contestants in which each gentleman present is eligible to enter the contest, and the one who "buttons up" the shirtwaist first will receive the first prize. It will be noted in particular tonight that the hands of the gentlemen present will be scrupulously white as any contestant who soils the waist will be fined. It is also expected that many of the buttons will be torn off in their excitement and the pretty ladies and ruffles will be a mass of ruins.

Who the pretty one will be, on whom the waist is to be tried is a question and is causing much concern among the gentlemen in Gary today.

The unique entertainment promises to draw a large crowd tonight, the proceeds going towards the church building fund.

HOTEL NEAR COMPLETION

Work on Kirk Hostelry Is Progressing Rapidly; Rooms Spoken For.

Work on the addition to the new Kirk hotel in West Gary is progressing rapidly, and it is expected the structural work will be completed in another week. The new addition is being erected in the rear of the present building and will double the capacity of the hotel.

It is said that many of the rooms in the new addition have already been spoken for, as the hotel is so convenient to employees of the Kirk yards.

BISHOP FOLEY'S 75TH BIRTHDAY.

Detroit, Mich., Nov. 5.—Bishop John S. Foley of the Catholic diocese of Detroit was seventy-five years old today and was the recipient of numerous testimonials presented by the priesthood, the laity and others.

Foley this month will also celebrate the twentieth anniversary of his elevation to the bishopric.

Bishop Foley is a native of Baltimore and his education was begun in St. Mary's college in that city. He was only 16 years old when he graduated from the college with the degree of bachelor of arts. In three years more he was prepared for the minor orders, which were administered by the late Archbishop Kenrick. He was too young for priesthood orders, so the Archbishop sent him to Rome for further studies. Two years later, in the Church of St. John Lateran in Rome, he was ordained priest. Upon returning to the United States he became rector of a church in Baltimore and remained in that city until he became bishop of Detroit in 1888.

E. GARSTON SMITH INTRODUCED TO FIST

"Knock Down" Takes Place in Gary Yesterday—Other Experiences.

HAS TRIALS AND TRIBULATIONS

Judge Reiter Refuses to Accept Appeal Bond of the Real Estate Dealer.

Yesterday was a day of exceeding trial and tribulation for one E. G. Smith, an occupant of the Smith building, and a real estate dealer by trade, and well known in Gary. The unfortunate was severely lambasted in the nose by a well known contractor. This is the second time that Mr. Smith has been assaulted in the past month, the first time was when H. H. Highlands hurled a monkey wrench at his intended victim and the weapon went wide of the mark.

Yesterday was the most serious encounter of them all. By the nature of Mr. Smith's wounds, his opponent must have been a little better informed in pugilistic matters. It is stated by the few who were privileged to witness the encounter that Mr. Smith was knocked down five times in the same place and that after the second time he did not stop to argue as he had heretofore but hastily withdrew to the rear.

There was another matter which tended to worry the real estate man somewhat yesterday and that was the refusal of Judge V. S. Reiter of the superior court, to accept the new appeal bond which has been filed by Justice of the Peace Harley A. Townsley, on the ground that the property scheduled by the latter were not sufficient to cover the amount of the bond which was \$2,000.

Smith will not be given until Monday to file a new bond and if this is not done a writ of restitution will be secured with the owner of the building, W. S. Feuer of Cleveland, will be able to regain possession. If the writ of restitution is secured Monday as Mr. Feuer expects, Mr. Smith's personal effects and office fixtures will be on the pavement Monday night.

REFUSES TWO LICENSES

Lake County Board of Commissioners Surprise Saloonmen.

(Special to THE TIMES).

Crown Point, Ind., Nov. 5.—The county commissioners who met in session refused to grant two licenses to Cedar Lake parties yesterday on the ground that their places of business were not on a public highway, which the law requires before a license can be granted. Charles Dubois and Harry Lassen of Cedar Lake were the applicants for the licenses, the former to start in business at the Cedar Point hotel, and the latter at the pavilion of Lassen's on the lake.

It is probable that the decision will make quite a difference in the opening of the pavilion, as the bar privilege was quite a reimbursing factor in the conducting of the summer resort.

GONE TO BEG PARDON

Attorney Heart Will Attempt to Get Release of Young Man in Pen.

Attorney Gustav Heart left yesterday afternoon for Jeffersonville, where he will express before a board of pardons and ask for the release of Frank Fialkowski, who was sent to the penitentiary for an indeterminate sentence. The young man was implicated several months ago in an attempt to rob a Lake Shore freight car and he was the only one caught. The boy, it was proved was an accessory to the fact and he was sent to prison. Gustav Heart recently started the circulation of a petition for his release which was signed by a number of citizens in the city. Heart left yesterday afternoon and expects to secure the man's release.

TO HONOR WILBUR WRIGHT.

Paris, Nov. 5.—Cabinet ministers, scientists and many other men of distinction have accepted the invitation of the Aero Club of France to attend the banquet to be given by that body tonight in honor of Wilbur Wright, the American aeronaut, whose successful flights at Le Mans during the past summer and fall have attracted the attention of the entire world. Mr. Wright is to be presented with a medal in testimony of his marvelous achievements in solving the problem of aviation.

People Will Talk You Know

And that's the reason why Dr. Pierce's Family Medicines are advertised so little now-a-days. They have made hundreds of thousands of cures in the past 40 years, and some of the grateful people whom they have restored to health are to be found almost everywhere. There's scarcely a hamlet that don't contain some. Look them up. Interview them. They are living, walking, active advertisements

For Dr. Pierce's Family Medicines.

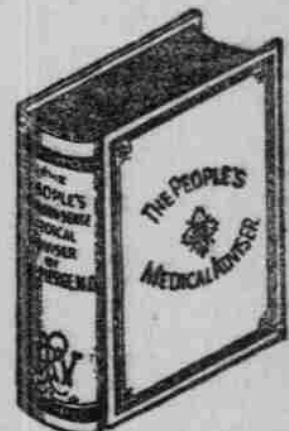

You can believe your neighbors. Therefore ask them. What cured them will very likely cure you, if similarly afflicted—only give them a good, fair trial.

It's a good, sound, common sense policy to use medicines only of KNOWN COMPOSITION, and which contain neither alcohol nor habit-forming drugs. The most intelligent people, and many of the most successful, conscientious physicians, follow this judicious course of action. The leading medical authorities, of all schools of medicine, endorse the ingredients composing Dr. Pierce's medicines. These are plainly printed on wrappers and attested under oath. There's no secrecy; an open publicity, square-deal policy is followed by the makers.

TAFT CABINET SLATE IS READY

Hitchcock to Be Rewarded For His Work By New Post.

HEPBURN MAY GET PORTFOLIO

Iowa Congressman Likely to Head Commerce and Labor Department.

TAFT'S CABINET SLATE.

Secretary of State—Elhu Root, New York.
Secretary of the Treasury—George Von L. Meyer, Massachusetts.
Secretary of War—Luke E. Wright, Tennessee.
Postmaster General—Frank H. Hitchcock, Massachusetts.
Secretary of the Navy—William Loch, Jr., New York.
Attorney General—Frank B. Kellogg, Minnesota.
Secretary of the Interior—James R. Garfield, Ohio.
Secretary of Agriculture—James Wilson, Iowa.
Secretary of Commerce and Labor—Oscar S. Straus, New York.

Cincinnati, Ohio, Nov. 4.—It is a good guess that, with the possible exception of Oscar S. Straus for secretary of commerce and labor, President Taft will announce the above cabinet on the day of his inauguration, March 4.

Congressman Hepburn of Iowa may succeed Secretary Straus as head of the commerce and labor department. The secretary to the president will be Fred W. Carpenter of Minnesota and California.

Mr. Taft as president-elect is barred by precedent, or ethics, or something, from expressing his views in interviews or even answering categorical questions. But there have been opportunities for his friends to learn his ideas.

The cabinet to be announced March 4 will not be permanent. Mr. Root will remain as secretary of state throughout the administration of Mr. Taft, even should it extend over eight years, if he wishes to do so. He is one in public life has more of Mr. Taft's regard and respect. The feeling between the two men, often expressed by both of them, is that of chums.

It is well known in Washington that Mrs. Root, while appreciating the position that her husband occupies, feels that his large talents as a lawyer could find a broader field in New York. She herself, however, has said that her husband found his greatest enjoyment in the work of the state department, and she has little hope that her ideas will prevail.

Meyer to Replace Cortelyou.

Mr. Meyer, the present postmaster general, will succeed George B. Cortelyou as secretary of the treasury. Mr. Meyer is so much interested in establishing a parcels post and a postal savings bank that he does not want to leave the work, but Mr. Taft has the highest idea of his financial ability, and the Massachusetts member of Mr. Roosevelt's cabinet will move up Pennsylvania avenue after March 4.

General Luke E. Wright of Tennessee was put into the war department to succeed G. J. Bader of the Indiana Harbor State bank yesterday received a communication from a prominent New York banking firm, advising him to be on the lookout for a band of Spanish swindlers who are known to be operating in the United States at the present time. According to the letter, there is a possibility of their operating in such a neighborhood as Indiana Harbor, and for this reason, the New York firm decided to caution the local bankers.

BRYAN NOT CAST DOWN

Says Victory of Friends in Nebraska Gives Great Satisfaction.

Lincoln, Neb., Nov. 4.—While not caring to discuss at this time the political effect of the democratic victory in his home state or analyze the causes, William J. Bryan this afternoon, in an informal talk to a number of friends who called on him, expressed his pleasure at the result in Nebraska and the satisfaction it afforded him to learn of the election of so many of his political and personal friends. He did not seem cast down.

A delegation of nearly 100 from Lincoln visited Mr. Bryan at Fairview to express to him their confidence and devotion and to assure him that such was the sentiment of a majority of the people of his city and state. Mr. Bryan in responding said:

"I am highly gratified over the results in this state. The national defeat has not been such a disappointment when we have had so many things to console us. I hope I have convinced my friends that running for office has only been an incident in my work."

"Heart Never Set On It."

"My heart has never been set on holding office, but I wanted to do certain work, and I was not required to hold office in order to do big things; one is simply required to do those things within his reach, and that much is within the reach of each of us."

"Personally, I shall find as much joy in being out of office, if the returns show I must be, as I would be in office. I hope still to be of influence to bring about needed reforms. I appreciate very much the confidence and loyalty of the people near us. It has been the greatest comfort that election has given us. The fact that those among whom we live have shown this confidence we appreciate more than I can tell you. It has been very kind in you to come out here and visit on this day."

Didn't Weigh Heavily.

The defeat he sustained yesterday did not weigh heavily on Mr. Bryan. He was one of the most cheerful of those at his home and laughed and joked good-naturedly with his visitors. Tonight Mr. Bryan was the guest of honor at the banquet of the State Teachers' association, where he made a short address. He has no other immediate plans than to rest at home following his canvass.

"Father slept like a baby," said Mrs. Leavitt, the Nebraska's eldest daughter, who still was clinging to the hope that some report would come in which would materially change the situation. She was in a cheerful mood, however, as were all the other members of the family. There were no absentees from the breakfast table when the former candidate, with bowed head, offered up his thanks for the blessings which had been bestowed upon him.

this fact hinges the plan of action selected by the suave swindlers. The first always bears the name of the person to whom they write and is supposed to be a distant relative. One woman became interested in the pitiful story told, and entered into correspondence with a man named "E. Lopez," who had charge of the child. When he wrote that \$954 would be necessary for legal expenses, and the girl's expenses through this country, the woman balked and appealed to the Spanish minister for advice. He has just written her that she is lucky to have escaped the clutches of such an unrelenting band of swindlers. President Bader has requested that the matter be given publicity, that no one in the Calumet region may become victims of such an extraordinary scheme to separate them from their money.
