## GARY BAND BOYS ARRANGING BIG BALL.

Musicians Extend Thanks to Citizens for Past Kindness and Hope for Patronage in Future.

The members of the Gary band are "digging in" good and hard to make good with the citizens. Special music has been purchased for their big benefit concert and dance, which takes place Nov. 18 at Assembly hall. Tickets are sold at 40c.

The band is now out of debt and has quite a large library of music. Manager Bigelow says that they will be ready by the 18th to play any and all engagements they may obtain.

Sixteen picked men will play the music for their affair and it will be the first time in Gary's musical history a band has played for a ball.

The boys are preparing to help the Commercial club celebrate the anniversary of their first banquet, which was held at the Gary hotel a year ago.

The band boys extend many thanks through THE TIMES to the citizens for past kindness and trust they will deserve a continuation of their support.

## LEWIS GOODMAN'S PLACE IS ROBBED AGAIN.

Robbers Find Rear Windows Open, But Get Away With Little Loot.

For a second time within a week, robbers entered the store of Lewis Goodman, on Broadway, between Sixth and Seventh avenues. The second attempt took place last night and was discovered by Officers Swada and Nestorovich. They found the rear windows of the place open, but the proprietor, upon making a search, could not find that anything has been stolen this time. His place was robbed less than a week ago at which time \$300 worth of silk was carried away.

## MARSH PEAT BED ON FIRE NEAR GARY.

Will Probably Smoulder Until Heavy Rain Extinguishes It.

A big marsh fire, which broke out in the marsh about three miles southeast of Gary, is thought to have started the big peat bed under the marsh. If this is true the fire will in all probability smoulder all winter or until a heavy rain falls. The big fire illuminated the entire sky east of Gary, and caused many people to wonder what was really burning. No damage was reported.

## CIRCULATING NEW DIRECTORIES.

And just think it was only a week ago that William Jennings prophesied that he would be the next president of the United States.

And now the race for the election to the city offices has begun. Let us hope that it will be safe and sane.

There are many men in Gary who think they are saints just because they have dreams of heaven every Sunday.

Even if turkeys are to be so terribly high for Thanksgiving there are good people in Gary who will eat veal instead, and nobody will know the difference.

A Chicago man even came as far as Gary to get his wife who ran away and left him a month ago.

Every cow in Lake county is to be examined by the state officials for tuberculosis. It is needless to say that many will be put on the unfair list.

When Sergeant Catey started in the pioneer days there were far fewer men than at the present time and consequently there was more crime to contend with.

## GARY TEAMS ARE DECISIVELY BEATEN

Plucky Elevens from Gary High School Swamped on Saturday.

## REGULARS WIN OUT EASILY

"Scrubs" Are Game But They Lose to More Experienced Eleven By Big Score.

Owing to the fact that the eleven representing the Hammond high school did not have a game scheduled for last Saturday and was desirous of engaging in a practice game before the crucial contest with Crown Point next Saturday, a game was scheduled with Gary late Friday night and was played last Saturday at Harrison Park.

The Hammond team won by a score of 28 to 0 and later the Hammond scrubs defeated the Gary scrubs by the score of 34 to 0. The game between the regulars was for the purpose of giving both teams practice and the game between the reserves was for the purpose of developing new players for both the teams.

The Hammond boys were very much pleased to have the Gary boys come over and help them out for the big game next Saturday and as a result of the courtesy there was an entente cordiale created between the athletes of the two cities which promises much for the future.

Ebert and Murray Out.

Owing to the fact that the Gary team was very much lighter than the Hammond team and that it has had less experience its members requested that Ebert and Murray be not allowed to participate.

This request was readily granted as these men were very much heavier than the others and would have made the game needlessly rough and the teams very unequal in weight.

The game was a fine exposition of the open play. The forward pass was frequently resorted to by both teams and they used it to great advantage.

The weather was splendid and although the game was not well advertised there was a good sized crowd in attendance. The Gary boys put up a good game and were complimented for their gentlemanly conduct and their sportsmanship.

The Hammond boys believe that Gary was justified in asking that Ebert and Murray be kept out of the game on account of their size and the fact that both of the boys will easily make one all Lake county and all northern Indiana teams.

The game itself was an open one from start to finish. On several occasions the visiting team was forced to punt thus giving Summers of the Hammond team a chance to show his ability in going through broken field.

There were many long runs which served to make the game interesting to the spectators and many of the touchdowns of the local teams were made in this manner.

Coach Sargent of Gary said that he was very well pleased with the showing his boys made against the heavier and more experienced Hammond team. He says he expects to profit greatly from the experience he had here. Several times during Saturday's game he noted places here he could make improvements and will profit thereby.

Coach Allee, who wears the smile that won't come off, was well pleased with the game and thinks there will be great improvement in the team when it plays Crown Point here next Saturday. He was also able to pick out several weak places in his team and these will be remedied before the game at the week's end.

Hammond's first touch down was made when Graves recovered a fumbled ball and ran down the field for a touch down. From that time on the Hammond goal was never in danger.

## NEW ASPIRANT BOBS UP

## A. Dearbeyne Wants to Be Gary's Next City Clerk.

The latest aspirant for municipal office in the city to announce himself is A. Dearbeyne, manager of the Walter S. Ross real estate office, who will be a candidate at the city election next fall for the office of city clerk. Mr. Dearbeyne hopes to have his name placed on the democratic side of the ballot and will possibly be the running mate of President Thomas Knotts.

It has been known for some time that Mr. Dearbeyne had his eye on this plum, but until today he has not been accredited as an avowed candidate. Now, however, that several aspirants for municipal offices have announced themselves Mr. Dearbeyne got into the band wagon, and will make a trial for city clerk.

Mr. Dearbeyne is one of the old-timers of the city, and is well known about the city. During the time that he has been in Gary he has been in the real estate business. Mr. Dearbeyne has always been an active democrat, and during the recent election has worked hard for his party. He was one of the precinct officials in the election and for some time was acting secretary of the Gary Democratic club.
