NEWS OF THE COUNTY SEAT

CROWN POINT SNOWS HEBRON UNDER SATURDAY.

County Seat Lads Do Terrible Things to Porter County Boys

After the smoke of the battle had cleared away from the old fair grounds' football field on Saturday afternoon the score showed that Crown Point high school had won the most decisive victory of their career by the score of 109 to 6, piled up against the Hebron high school eleven, being sufficient to win a season's games. From all reports there was "nothing to it" for the Crown Point team, they being able to pile up a score whenever they wished and it was only a question of how fast they could run. Hebron was simply outclassed by the local players, and two of the Crown Point team had to play on their eleven to make any showing at all. The only score made by the visitors was made by the Crown Pointer, who played with them.

The Woman's Study club will meet at the public library assembly room tomorrow afternoon, when the following program will be given: "John Milton" will be the subject of the afternoon study, the paper being read by Mrs. Edna Dinwiddie, while Mrs. Martha Marble will have charge of the domestic science lesson, the subject being "Chemistry of food."

A traveling salesman who visited Crown Point Saturday tells a good story of an old moss-back democrat he chanced to meet in southern Indiana, which goes to show how inconsistent partisan feeling will make a man, and to what length he will go to carry his point. The salesman says that while making his rounds he stepped into a store on one of the south state small towns and chanced to get into a political argument, although he tried all manner of ways to side step the discussion. Finally after things had warmed up considerably, one of the old moss-backs jumped up and pulled a wad of bills out of his pocket that would choke an ox and yelled at the top of his voice: "Heh, you, see them 'er bills, begosh, sir, not a taking any chances on Taft's election, no, sires. Thought mebbe the son of a gun might win so's I jest went to the bank and drew out ney money. Reckon as how I'm not going to lose all I've got, for didn't Bryan tell us as how the banks would go to smash if Taft got in. And he's jest liable to, too. The traveling man stood the talk as long as he could and just for a joke offered to bet \$50 that Taft would be elected. The old moss-back nearly fell over a sugar barrel in his efforts to cover the traveling man's money, when the bankers saw the point the traveling man was trying to make, and they gave the old democrat the laugh.

He had drawn most of his money out of the bank for fear Taft would be elected, and then turned around and bet that Taft would not win.

A picked team of football players from Crown Point will play the Lowell team at Oakland park next Sunday.

HOUSEHOLD WORRIES

There is Not the Slightest Need For Some of Them Existing in Hammond.

The average mother finds sufficient annoyance and worry performing the ordinary duties in the rearing of a family, but the cares and anxiety are doubled where there is added to ordinary conditions that of weakened kidneys in a juvenile member of the family. How to cure it should be of untold value to Hammond mothers. Read this:

Mrs. William Newton, of 240 Plum-mer avenue, Hammond, Ind., says: "My daughter, who is twelve years of age, was troubled for several years with weak kidneys and I wish to tell how grateful we are to Doan's Kidney Pills for the relief they brought. She had but little appetite, and from a healthy, happy child, became weak and puny in a short time, due to the suffering caused by this disease. After the first box of Doan's Kidney Pills, procured at Bicknell & Co.'s drug store, were taken we noticed that she was much brighter and stronger and we continued giving them to her until the disagreeable symptoms of this disease had entirely disappeared. She is now in excellent health."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

LaGrippe Weakness

"After a spell of La Grippe I was so weak and exhausted I could hardly stand. I began taking Dr. Miles' Nervine and was soon better in every way."

MRS. F. J. NORTON, Freeville, N. Y.

La Grippe seems to wrench every particle of vitality from its unfortunate victims. That's where the principal danger lies; because it leaves the system in a weakened condition which invites more serious diseases. During convalescence

Dr. Miles' Nervine should be taken to restore nervous energy, and overcome this weakening influence which is the most serious effect of La Grippe.

The first bottle will benefit; if not, your druggist will return your money.

WHITING NEWS

Jubilee Singers Make Hit.

Last Friday evening proved a source of enviable pleasure to those who were fortunate enough to hear Carter's jubilee singers at the Congregational church.

Technically, the evening was a great success, and the Men's club, under whose auspices the affair was given, are to be congratulated upon the selection of these entertainers.

The company is composed of seven artists—three ladies and four gentlemen. Their singing was well received, as the harmony and blending of the voices was excellent, and each number brought forth liberal applause.

"Way Down Upon the Swanee River" by the soprano, "Ding Dong Bell" by the contralto, and the character song by the quartette were especially the hits of the evening.

The playing of the pianist, Miss L. E. Craig, was that of a finished artist. In addition to several difficult instrumental solos, Miss Craig accompanied for the singing during the entire evening. This was quite surprising to all in attendance when it was learned that unfortunately the musician had lost her hearing a short time ago.

All in all the concert was a success, and it is with longing that Whiting may look forward to another appearance of Carter's jubilee singers.
