## Wed At Crown Point Today

MRS. LORETTA CAMPBELL GOOD.

DR. ROBERT GOOD.

(Special to The Times.)

Crown Point, Ind., Nov. 14.—A simple wedding in which a dentist of national fame was one of the principals, took place at the home of Dr. and Mrs. C. J. Tinkham on East street here today, when Dr. Robert Good, of Chicago, was united in marriage to Mrs. Loretta A. Campbell, of Toronto, Canada. Rev. E. B. Horton, pastor of the First Presbyterian church, officiated at the ceremony. The couple was unattended and the bride was married in a traveling costume. The bride is the daughter of James Wark, a Toronto manufacturer. One of her uncles for years has been collector of customs at Toronto, Canada, and another is prominent in government circles at Vancouver, Canada. Dr. Good is one of the most noted dentists in the profession. He is a native of Michigan, came to Chicago in 1886 and graduated from the Chicago College of Dental Surgery in 1892. Some of his patients have been Mue, Melba and Caruso, the great tenor. Dr. Good is a member of the Chicago Athletic club, Calumet club, South Shore Country club and the Chicago Yacht club. Dr. and Mrs. Good will take an extended honeymoon in the south. Mrs. Good is the possessor of a half interest in a gold mine and owns 450,000 acres of land in her own right.

entation of Frank Molnar's original "Devil" at Towle's tonight.

The theatrical manager of a decade ago used to believe that when a play has been established in public favor, that any kind of a cast could be employed to exploit it before the public and for that reason and no other can a great many of them ascribe their ultimate failure. Not so with W. E. Nankeville, manager of "Human Hearts," which comes to us on Sunday, November 15, matinee and night. Mr. Nankeville has always maintained that the best is none too good for the public, and if by any possible chance he can better his companies, he never fails to do so. It is to this policy he attributes the wonderful success of "Human Hearts" with the theater going public.

One of the finest specimens of horse flesh ever seen on the American stage is to be seen in "Montana," the play of the West by Harry D. Carey. The horse in question is "Dolly Varden," the famous \$5,000,000 Morgan mare. Her work in "Montana" is all but human and by those who know she has been pronounced the greatest acting horse on the stage today. A special car is required for the transportation of Dolly beside her hostler, who is at all times with her. At Towle's opera house next Wednesday matinee and night.

## Dry Cleaning

Mrs. Werner comes to Hammond with a modern method of dry cleaning that is said to do wonderful work. It drives out grease and all spots for all time. It will not run the spots into the goods as is often the case when gasoline is used. She says: "Bring me your garments before they are ruined by some one who has neither experience or skill."

Mrs. Werner says that her process is a secret and is known to but few outside of the large cities.

Mrs. Werner also does fine dressmaking and at moderate prices. Her address is 218 Plummer avenue, Hammond.

The Mark of Quality  
For 40 Years the Leader 70,000 Satisfied Customers

A piano costs a large sum of money. This is true even of a cheap one, and often a buyer thinks it wise to get the opinion of some outsider before purchasing. This affords the supposed friend a chance to make arrangements with the piano dealer, and as a result there is small chance that the customer will get a square deal in the matter of price. And this system is so outrageous as the sliding scale scheme of the only salesman, for often the supposed friend gets a commission from both the piano house and the customer.
