

A DAY IN GARY LAND

IN THE SUPERIOR COURT

Because Lawrence Ryan stole a pair of rubber boots from the Otis Engine company of Gary, he will have to serve an indeterminate sentence in the state prison at Michigan City of from one to eight years.

One pair of boots, which could have been bought with a single day's honest toil, was the prize for which Lawrence Ryan was willing to risk his liberty for a period of eight years.

It is one of the most peculiar cases which has come to the attention of the court for some time. Ryan was tried by a jury and the twelve peers of this Gary man came in and reported to the court that they had found him guilty as charged.

The sentence was passed yesterday and the prisoner will be taken to Michigan City today.

The case of Will Hart, a negro, who is charged with picking the pockets of John Krutskowski in a Gary saloon, asked for a continuance through his attorney and the request was granted by the court. As a result, the case will probably not be tried this term.

The Lipke case was not tried yesterday. Lipke is the Gary man who is accused of petit larceny as a result of stealing some meat from a Gary market.

FRANK SAMPSON FALLS FROM HIGH SCAFFOLD.

Two Men Employed By Pruitt & Moore Construction Company Figure in Accident Yesterday.

Frank Sampson, a carpenter employed by the Pruitt & Moore Construction company fell yesterday together with one of his fellow workmen from a scaffold which broke while they were at work on it. Sampson was the most seriously hurt of the two, he suffering a broken leg, and a bad ear, while the other man had no broken bones, although he was jarred considerably. Sampson was taken to his home on Omaha street by the Jones ambulance.

LITTLE GIRL CAUSES LOTS OF ANXIETY.

Gary and Toleston People Hunt For Missing Girl Who Is Found Asleep.

Friends and neighbors, and the town authorities of Gary and Toleston were asked yesterday afternoon to join in a hunt for the 4-year-old daughter of Mr. and Mrs. John Hock of the half-way house between Gary and Toleston. The mother of the little girl noticed that her daughter was strangely absent for a long time and, alarmed, she appealed to the authorities and her neighbors. The surrounding country was scoured and the fear that something had happened to the little one became more intense. Finally Marshal Frank Martin, of Toleston, lead the way to the Hock hay mow, and there the little girl was found sleeping peacefully, little aware of commotion that she had caused through her absence.

HEARD BY RUDE.

By the first of next week it will be time to make a noise like a turkey.

Of course the Gary merchants are not complaining, but if it makes no difference to the weather man they would like him to slip on the cold pedal.

From now on until after the holidays there promises to be some change in the complexion of business in Gary.

Town Clerk C. Oliver Holmes has asked the town board to draw up a "respiration" ordinance.

Whatever it is now "frazzle" will soon will be the name of a drink or a campaign cigar.

It might be well for some of the Gary women to get out their last year's Christmas ties that they intended to give to their husbands and see if the moths have been tampering with it.

It may seem strange to some of the railroad promoters who seek franchises in Gary, but the local town board have been stung once and they will be a little leery about granting franchises in the future.

Now that the football season is nearly over it would be well to look up the ping-pong and tiddle-de-winks sets.

If you are out of a position at the present time it might be well for you to try and capture the men who robbed the South Bend postoffice of \$18,000 in stamps.

If the girls in Gary don't like fat-tery it is because they don't get enough to spoil them.

From the way that new subscribers are coming in unsolicited at this office it seems as if the GARY TIMES is making a hit.

When the Gary police have nothing else to do there is always a forest or prairie fire to extinguish.

has returned from Cleveland, where he been for the past few weeks on business. While in Cleveland Mr. O'Donnell saw the big fire which raged in the heart of the city, and said that for a time the blaze looked dangerous, although they had it under control at the time he left.

GOOD SALE OF TICKETS.

The advance sale of tickets for the Bigelow orchestra and band concert benefit tonight has been unusually large and assembly hall promises to be packed tonight.

Just before the concert, the band will render a number of selections in the open air in front of the hall. A dance will follow the regular concert.

QUIET REIGNS AT STATION.

Everything has been unusually quiet at the Gary police station during the past few days. The only two cases to come up before Justice Huber was Tom Conlon and John Nolan, who were arrested last night for drunkenness.

JUDGE P. L. FITZGERALD IS ADMITTED TO BAR.

Another Candidate For City Judgeship Uncovered.

Judge P. L. Fitzgerald was admitted to the bar in the Lake superior court yesterday. Judge Fitzgerald has been studying law ever since he arrived in Gary, and it is understood that he intends to be a candidate for Judge of the city court when Gary becomes a city.

Several days ago Judge A. C. Huber was admitted to the bar and it is understood that he has the same object in view. From what can be learned the Gary politicians are laying their wires along time in advance in an effort to carry the city for one party or the other, and a hot fight is promised when election time comes around.

WILL BE TRIED TODAY.

The civil suit which was brought against Judge A. J. Townsley, of Toleston, by Attorneys Fox and Dunn, who allege that the former candidate for Judge of the Indiana supreme bench, will be tried today. Judge A. C. Huber in Gary today. The case arose through the claim of the Gary attorneys that Judge Townsley was guilty of collecting illegal fees.

MANY CASES OF DESTITUION.

With the advance of the winter season, cases of destitution in Gary are brought more frequently to the attention of the authorities. Within the past few days six families have applied to the police for help and the indications are that the line of beggars will grow.

"The other night at a club the engagement was announced of an artist and a writer, who is a widow. At the same time the writer was exploited at the club. The book was lovingly dedicated to her dearly beloved, much-mourned and never-to-be-forgotten departed and illustrated by the artist husband that is to be."

A forest fire raged last night west from Gary and for awhile it looked as if the settlement of Kirk would be endangered. The police watched the blaze carefully, however, and no damage resulted. The forest fire is supposed to have started from an engine.

SHOT AT POLICE CAPTAIN.

(Continued from page one.)

Learnings residence open and that the captain was being blown out by the wind. She thought that was strange, and a moment later saw a man crouching beneath the window.

She at once called the matter to the attention of her husband, and while she went to the telephone and called the police he secured his revolver and went out in front to watch the house and prevent the escape of the burglar.

When Bunde arrived Gross was out in front, standing guard with his revolver in his hand. The captain went to the rear of the house and there discovered the open window and entered the house through it.

It was then that the incidents as narrated above took place, and the captain so narrowly escaped being shot. An investigation of the bullet marks at the Learning residence shows that the one which was fired at Bunde struck the casing of the door at a height about equal to the officer's neck. Bunde's bullet struck the plaster in the wall, about five feet from the floor.

TWO MEN ENGAGED IN DEED.

The fact that there were two men engaged in the burglary is proven by the testimony of Mrs. Gross, who, after hearing the shots fired in the house, saw one man come pell-mell out of the kitchen window and saw him joined by the second, who had been watching the house from the darkness of the back yard.

The two men escaped down the alley together, and Mrs. Gross tried to point them out to Captain Bunde, but owing to the darkness he was unable to locate them and they got away.

The unpreparedness of Captain Bunde when he opened the door to the bedroom is explained by the fact that the officers receive dozens of wild goose calls every week, which never materialize, and the officer was really not certain that he would find a burglar.

IF IT'S ADVERTISED IT'S WORTH LOOKING UP.

GETTING READY FOR SATURDAY.

Maroon Coach Figures That Open Style Will Feature Saturday's Game.

One more gridiron invention for Coach A. Alonzo Stagg's string of football discoveries. The Maroon director's last and what may prove his most effective achievement of the season in a brand-new and unique plan of defense designed to nip Wisconsin's forward passes in the bud.

The new defense, which the Maroon players predict will turn the tide at Madison Saturday, when the Maroons and Badgers meet to decide the western championship, was exploited in masterly fashion by the Midway regulars in a long defensive scrimmage against the freshmen yesterday at Marshall field.

It proved effective in stopping practically all of the fancy passes and open play attempted by the "freshie" stars.

The nature of Stagg's defense is just now the most zealously guarded secret in the Maroon camp, but the rosters have been vouchsafed the information that something startling and impressive is in the air.

Several Well-Known Horsemen Ship Their Strings to Cuban Coast.

New Orleans, Nov. 18.—The eyes of the southern turf world are now turned on the Almandares course, just outside of Havana where the Cuban Jockey club is to conduct a meeting last well into next spring. The first consignment of local horses was shipped yesterday aboard the steamship Excelsior.

BOUT TO BE TEST FOR PACKIE.

Match With Tommy Murphy Tonight Is Expected To Be Fast Affair.

Philadelphia, Nov. 18.—Packie McFarland of Chicago will have his real test in eastern boxing circles when he faces Tommy Murphy tonight at the National A. C. here. While no decision can be handed down and the affair is expected to go the full six rounds, it is thought that the merits of the boys can be gauged from their showing.

McFarland has been working at Essington and claims to be in first class shape. Murphy has given several exhibitions for the benefit of newspaper men and seems to be in good trim. What little he is reported is mainly confined to individual wagers, with even money prevailing.

NELSON RETURNS TO THE CITY.

Champion Will Not Meet Any of the Lightweights in Near Future.

None of the lightweights are to have a chance at Battling Nelson in the near future. The champion returned to Chicago yesterday and said that his sojourn in the east had been pleasant, but that his hand, which he broke in the bout with Gans, is not healing as rapidly as he expected.

This disposes of the story that he intends to meet McFarland New Year's day, as he states that he is not signed with any of his division. Nelson the building some new houses at Hegewisch and expects to remain here for a time attending to details of construction.

Jack Welch has been selected as referee, but the terms of the contract, as regards the financial division, are not made public.

BOXING WAR ON IN CHICAGO.

Pagilates and Officials Released for Night on Bonds of \$500 Each.

Clapcases from the municipal court for Clarence Green, manager, and Charles J. Eller, chairman of the athletic committee of the I. A. C., Leo Fornaciari and Mike Memic were served at the club by Detectives Crandall and Etchingham.

William Holme and Walter Little, who with Memic and Fornaciari figured in the two bouts, were not so easily located. Following the arrest, the first named four accompanied the officers next door to the municipal court, where

FOURNIER COMES FOR BIG RACE.

Drivers of One of the Italia Cars Arrives From Europe.

New York, Nov. 18.—Henri Fournier, who will drive one of the Italia cars in the gold cup race in Savannah on Thanksgiving day, arrived yesterday on the Kronprinzessin Cecilie of the North German Lloyd line. Two mechanics accompanied him.

"A race is a race, and I cannot tell anything about my chances," said Fournier. "It is getting to be a difficult task to sell a big car nowadays. The demand is for small machines from fifteen to twenty horse power. Why? Well, nobody but a rich man can afford to keep a big car. Tires go too quickly and they cost too much. The up-keep of a high-powered car that is much in use costs a fortune."

A WHOOP FROM THE NAVAJO.

Hegewisch, Ill., Nov. 16, 1938. Sporting Editor—Having seen a few statements in your sheet made by some one connected with the Hammond football team, Iroquois, we believe they call themselves. We wish to state a few facts. The name fits well; like most Indians they are awfully wild, especially with playing football and making statements about their opponents.

We give them credit for playing a good, clean game, even if several of our players were laid out during the game. As for this officials they should learn the rules before they allow themselves to make monkeys of themselves in public.

The truth of the matter concerning the first half of the game, Hegewisch was far too fast for the Hammond boys, playing them off their feet, and holding them to a 0-to-0 score.

Owing to being outweighed more than twenty pounds to the man, and a lack of substitutes, the Hegewisch boys weakened and allowed their heavier opponents, who had used five substitutes, to batter down their light, but game line. This explains why Hammond scored during the second half.

Respectfully,
NAVAJO FOOTBALL TEAM.

EDDIE KENNEDY BILLED

Will Enter Ring With J. Deleske of Hegewisch at West Hammond.

Since the boxing game began to thrive in West Hammond there have been some good contests scheduled. The next bout is to be pulled off Dec. 3, and will be between Eddie Kennedy and J. Deleske.

The two fighters will weigh 133 pounds at 3 p. m. and the bout will go ten rounds. The fight is to be held in Micas hall, and some exceptionally good preliminaries will be pulled off before the windup.

Eddie Kennedy is from Chicago and has a good reputation as a fighter, and J. Deleske, who hails from Hegewisch, is another good man. The fans are looking for a good contest and it is expected that Mica's hall will be filled.

POLO TEAM WINS AGAIN SOME WRESTLING BOUTS

Harbor Boys Defeat Fast Sans Souci Team of Chicago.

(Special to THE TIMES.)

Indiana Harbor, Ind., Nov. 18.—Indiana Harbor's polo team won another victory last evening by defeating the fast Sans Souci polo team of Chicago by a score of 5 to 4. In their former game with this same team, the local players were defeated by a score of 4 to 3. Last night's game was one of the fastest played on the Harbor floor, and the Lansfield rink was filled to its utmost capacity with cheering advocates of the roller game.

Three innings of fifteen minutes each were played, and until the end of the second inning, a tie score of 4 and 4 was maintained. In the last inning, however, Rush Cooksey succeeded in forcing another goal, winning the game with but a few minutes to play. All the Harbor goals were made by Cooksey, assisted by Sternberg and Gibson, while players Keppeler and Meiger, the rushes for the Chicago team, divided honors for their goals.

The lineup was as follows:
Indiana Harbor—First rush, Cooksey; second rush, Gibson; center, Sternberg; half back, Saunders; goal, Baker.

Sans Souci—First rush, Keppeler; second rush, Meiger; center, F. Garner; half back, W. Garner; goal, Yeager.

Next Tuesday evening the Luna park team will play on the Harbor floor and the boys expect to win this game, although Luna park is accredited with being the strongest team in the Chicago park league. On Wednesday evening the boys will play a return game at the Sans Souci park rink in Chicago.

MAKE PREPARATIONS FOR BIG GAME.

Gary Footballers Take Interest in Their Thanksgiving Day Game.

The members of the Gary football team held a meeting yesterday evening for the purpose of making preparations for the big game with the West and Athletic club of Michigan City on Thanksgiving day.

The boys were all present at the meeting and they promised to get out and practice faithfully until the day of the game in an effort to retrieve their lost honors and win from Michigan City.

There was a good deal of interest in the meeting and it is expected that there will be a large crowd of Garyites out to see the game. The game is to be played on the south side grounds on turkey day.

Hammond Will See a Good Card on December Sixth.

On the 6th of December the people of Hammond will have an opportunity to see an exceptionally good wrestling bout. "KIM" Ferrelia, the Greek demon, will try conclusions on the mat with Tom Rollewicz, the welterweight champion of Illinois.

The men will wrestle at 145 to 148 pounds for a \$50 purse. The contest will, of course, be catch-as-catch-can and the man who gets two out of three falls will be pronounced the winner.

There will be two wrestling preliminaries in which Young Pietras will wrestle with "Young" Warner, and "Young" Gotech will contest with "Young" Fletcher. The wrestling game has never been tried in this locality to any great extent and the promoters of the contests, which will be held on the 6th of this month, hope that they can make this form of athletics popular.

Carl Anderson will referee the bouts.

NOTES OF THE BOXERS.

"Kid" Taylor and Frankie White are scheduled to go twenty rounds before Joe Levy's Suburban club next Friday evening.

Billy Heller and Mike Cantwell may be matched in the near future to box before a club near Elgin.

Jim Barry and Al Kaufman have been practically matched to box before a Los Angeles club about Christmas time.

"Cyclone" Johnny Thompson, who is now in San Francisco, has been offered the December date before Sam Berger's club in that city.
