

## TURKEYS SOAR IN PRICE PER POUND

Paramount Question Now Is: How About that Thanksgiving Turkey?

## NO USE TO TAKE STRAW VOTE

Many Orders Have Already Been Booked, However With Dealers and Market Men.

How about that turkey? There'll be just one more pay day between now and the holiday and the price in Hammond will range from 20 to 25 cents on this particular fowl. As for the cranberry sauce it will be there as a matter of course if the bird can be laid on his back in his own grave. The trimmings for the Thanksgiving dinner are all a matter of detail. The paramount question is: "How about that turkey?"

There is no use to go around to the barnyard and take a straw vote of the turkeys; not even the Chicago Journal could get a favorable forecast. Way last spring they passed resolutions endorsing W. H. Taft as one of the biggest presidents that ever sat in the presidential chair and this being so it was further resolved that the human race ought to turn more toward vegetarianism, and that turkeys are entitled to all those privileges provided in the preamble of the United States constitution.

Many Orders Already Placed. It would be surprising to Hammond people, however, if they knew of the large number of orders that had already been placed with their dealers for a turkey.

There is a variation of opinion as to the prevailing price of the bird just before Thanksgiving. The price now is about 20 cents, which is the same as it was last year. Some of the dealers say there is a scarcity of turkeys in Indiana, while others say that the demand will be well supplied. There never was a turkey shortage yet, the biggest hook has always been in the pocketbook.

But Thanksgiving Day and turkey have become so inseparably linked in the habits of the American people that "What is home without a mother?" strikes a no more popular chord than "What is Thanksgiving without a turkey?"

## MYSTERY IS UNSOLVED

Cedar Lake Man Seems to Have Been Veritably Swallowed Up.

(Special to THE TIMES)  
Crown Point, Ind., Nov. 18.—The disappearance of Charles Bubolz of Cedar Lake still remains a mystery to the residents of that place and many conjectures are being made as to what became of the missing man. Many still hold to the theory that he committed suicide, while others think he has gotten out of the country for some unknown reason. There are a lot of things to substantiate both theories. Those who scout the suicide theory claim that a man was seen walking through Creston without a hat or a cap on last Monday. What may point to Bubolz's cap being found in the boat. Then they say that the boat which Bubolz is supposed to have rowed across the lake was a leaky affair when weighed down by a man and would have had much more water in it than as found when it was discovered the morning after. The whiskey bottle, it is said, had been in the boat weeks before Bubolz disappeared.

## CAUSE FOR ALARM

Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health, and insatiable appetite is a sure symptom of diabetes.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, healthiest and healthiest persons are moderate eaters.

There is nothing that will create sickness or cause more trouble than a disordered stomach, and many people directly contract serious maladies simply through disregard or abuse of the stomach.

We urge everyone in Hammond who is suffering from any stomach derangement, indigestion or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of anyone who has not been benefited by them. We honestly believe them to be without equal. They are made from the prescription of a physician who devoted all his time to the study and treatment of stomach troubles. They give very prompt relief, neutralize the gastric juices, strengthen the digestive organs, create good digestion and assimilation, naturally regulate the bowels, promote perfect nutrition, and create a permanent cure of all unhealthy symptoms.

We urge you to try a 25c box of Rexall Dyspepsia Tablets, which gives 15 days treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases, length of treatment varies. For such cases we have two larger sizes, which sell for 45c and 85c. Kaufman & Wolf, Hammond, Ind.

**SMALL PRAIRIE FIRE.**  
A small prairie fire near the Wolf Lake Icehouse consumed the fire department of station No. 2 to be called out yesterday afternoon.

There was not much damage worth mentioning, as the department put out the flames without any trouble.

## EAST CHICAGO CITY HALL IS ACCEPTED

Is one of Finest Structures of Its Kind in Northern Indiana.

## COMPLETE IT COSTS \$52,100

Public Ball Will Be Given in City's New Home in the Near Future.

(Special to THE TIMES.)  
East Chicago, Ind., Nov. 18.—Within two weeks, East Chicago's municipal offices will be stationed in the new city hall building, on Forsyth avenue. The building was completed about three weeks ago and within the coming week, portions of the new furniture and electric fixtures will be installed.

The council regularly accepted the building last evening, ordering the payment of the 15 per cent balance on the contract price paid to the builder, A. H. W. Johnson, of this city. The building cost in the neighborhood of \$54,000, and its massive structure easily places it among the finest municipal buildings in northern Indiana.

The building is complete in every detail, rooms being provided and suitably arranged for every department connected with city legislation. Police lounging rooms, private offices and chambers are to be found in the various departments, and the comfort of the building's business visitors has been considered in every possible instance.

**Furniture Here in Two Weeks.**  
The first installment of the furniture ordered from A. H. Andrews company, will be in East Chicago within the next two or three days. This will constitute the furnishings for the city clerk's, city treasurer's, police court and engineers' office. These offices will immediately be moved from the old shacks, and the unsightly buildings removed to another part of town, by their purchaser, Anton Runkel.

It will be some time before all the furniture for the buildings is received, and plans are being laid for a big reception and dance to be held as soon as all of the offices are installed and in running order. The receipts from this dance will be devoted to the purchase of books for the new public library, a room for which has been reserved in the new municipal building. This is to be one of the important features of the new civic home of the municipality, and the co-operation of every citizen should be directed toward its happy completion and care.

## WILL PLUG FOR GARY

Delegates of Commercial Club Attending State Convention.

The delegation of the Gary Commercial club to the meeting of the Indiana Federation of Commercial clubs, which will be held at Richmond today and tomorrow, left last night on the 5 o'clock train and expects to arrive in Richmond this morning. Those who attended from here were Captain H. S. Norton, George Manlove, H. J. Carr, W. H. Fitzgerald and Harry Call.

The delegation will remain at the convention both days and will make a strong effort to locate the convention for this city on the following year. With that purpose in view, the local delegates took to the convention two trunk-loads of literature of various nature, with which they will advertise the city. These they will use to decorate the five rooms which they have engaged in the local hotel.

None of the Gary men have been booked for a speech at the convention, but there is no question but what they will make themselves heard from before they are through. The delegation from Gary is the largest that will attend from Lake county.

## GARY SEWER IS CLOGGED

Matter Is Called to the Attention of City Officials, Who Take Action.

The clogging of a Gary sewer, between Massachusetts and Connecticut streets caused considerable inconvenience to several merchants along Broadway. The matter was first discovered by Morris Goodman, owner of the Goodman department store. Mr. Goodman saw that the water in his store was backing up and he took steps to find out the cause. Investigation showed that the sewer constructed by the Gary Lake company was almost entirely stopped up, and that if something was not done at once the big sewer would cause considerable damage.

The city officials were notified and they took steps to have the trouble remedied. They were at a loss today to know how to repair the damage done by the clogging. It may be possible that the sewer may have to be reconstructed at this point. Besides the department stores on Broadway which are inconvenienced by the clogging of the sewer, there are several residents on Washington street who have had the water back up into their houses.
