## THE CHRISTIAN LAST NIGHT.

A thoroughly enjoyable performance and production of Hall Caine's famous play "The Christian" was given by the Imperial Stock company at the Towle Opera House last night, the selection of this well known play as the opening attraction proving a most happy choice. It was mounted and acted in a manner

that was highly satisfying, the principal roles falling to Miss Jessie Henderson and Mr. Edwin Vail, who as "Gloria Quayle" and "John Storms" respectively, carried off the honors of the evening. Both have been seen here before with the company and they were warmly received upon their appearance last night. The supporting company was up to the usual Hammond standard and it is probable that good attendance will prove the rule for the balance of the week. The announcement for tonight is a dramatization of Marie Corelli's famous story "Thelma" which the company has been presenting with unusual success this season, and as this play has not been seen here recently, it should prove a welcome offering. On Saturday night "Wormwood" will be seen and the two Sunday performances will be the celebrated emotional melodrama "How Hearts Are Broken." The customary popular matinees will be played, the first one being announced for tomorrow afternoon.

## FINE MUSICAL ENTERTAINMENT.

The musical season in Hammond opened in a brilliant manner last evening with a concert given by the Hammond Male chorus. The entertainment took place in the auditorium of the First Methodist church in Russell street, which was completely filled with friends of the chorus and lovers of music. This was the fifth annual concert given by the chorus under the able direction of Professor Clark Learning, who has had the chorus in charge since its organization. Rehearsals have been held for several months and the members were in splendid tone for the concert last evening. The male chorus of thirty voices was assisted by the woman's chorus of fifty voices and Miss Lina Linehan, of Chicago, soprano, and Mr. Emil Diederich of Hammond, cellist. Miss Linehan is a new comer in Chicago, going there from the west where she has established a wonderful reputation as a concert singer. Since coming to Chicago Miss Linehan has become connected with the American Conservatory of Music, and Hammond people have been indeed very fortunate in securing her for this entertainment. Last night was her first appearance in Hammond and her introduction was very simple, her opening number being "I Love You Truly" by Bond.

Miss Linehan appeared in other solos which showed a beautiful sweet and clear soprano voice and her enunciation was remarkable on her notes. The cello solos by Mr. Diederich were a delight to every member in the audience. Although Mr. Diederich has made Hammond his home for many years, very few people have had an opportunity of hearing him in public as his time is greatly taken up in concert work in Chicago. His selections called forth great applause and Mr. Diederich responded with other beautiful opera numbers.

The numbers on the program by the Hammond Male chorus were all greatly enjoyed and the selections brought many encores. The Woman's chorus assisted in the opening chorus and in the rendering of Barbara Frietche, both of which were attractive numbers in the evenings program. The program was: "Thanks Be God," From Elijah. Full Chorus. Mendelssohn. (a) "Berceuse"..... Godard. (b) "Cantilene"..... Golttermann. Mr. Diederich. (a) "Soldier's Chorus," From Faust. Gounod. (b) "That Little Peach,".....Neldinger. Male Chorus. (a) "I Love You Truly".....Bond. (b) "Waltz Song," From Tom Jones. German. Miss Linehan. "Lullaby of Life".....Leslie. Full Chorus. (a) "Worship of God in Nature".....Beethoven. (b) "Sleep Little Baby of Mine".....Dennee. Male Chorus. (a) "To the Evening Star," From Tannhauser.....Beethoven. (b) "Capriccio," Op. 24.....Golttermann. Mr. Diederich. Twilight.....Buck. Male Chorus. Barbara Frietche.....Jordan. Patriotic Ballad with Soprano Obligato, Miss Linehan and Full Chorus.

## ARRESTED ON SUSPICION.

A suspicious looking man carrying a wheat sack, heavily laden with bundles, was arrested last evening late, on the outskirts of Homewood. When the man, who proved to be O. O. Brown, of Crown Point, was searched, it was found the sack contained one man's suit, three shirts, men's underwear, one ladies' skirt, two suits for boys and eight pairs of shoes. Brown showed the officer his cash sale receipts given him by the clerks at The Chicago Brokerage company sale of Paxton & Baker Co's stock. He considered it all a good joke and says the prices on merchandise was so cheap that he could not resist buying something for every member of his family.

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given. Ordinary pills, cathartics and purgatives are too apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health destroying and a life-lasting annoyance. stipation and associate bowel disorders. We have such absolute faith in the supreme virtues of this remedy that we tell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. It embraces all the best qualities of the soothing, laxative, strengthening and healing remedial active principles of the best known intestinal regulator tonics.

Rexall Orderlies are extremely pleasant to take, are particularly prompt and agreeable in action; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relax, dry muscular coat of the bowel, remove irritation, dryness and looseness, overcome weakness, and tend to strengthen the nerves and muscles, and restore the bowels and associate organs to more vigorous and healthy activity.

Rexall Orderlies not only cure constipation, but they remove the cause of this ailment. They also overcome the necessity of constantly taking laxatives to keep the bowels in normal condition. There is really no similar medicine so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form and in two sizes of packages; 12 tablets, 10c., and 36 tablets, 25c. Kaufman & Wolf, Hammond, Ind.

**MR. P. CRUMPACKER**  
IS REPORTED BETTER.

Friends and Relatives Rejoice That His Recovery Is Now Assured.

Attorney Peter Crumpacker, who yesterday underwent an operation at the Augustana hospital in Chicago, is reported to be very much improved in health and it is believed that the most dangerous part of his sickness is past. Before Mr. Crumpacker went to the hospital his friends and relatives were very much worried over his condition. It was feared that blood poison would set in and that even death might result, but now he is very much better and there seems to be no doubt of his complete recovery.

Mrs. Crumpacker spends every day in Chicago at his bedside and this morning reported that her husband is very much better and will probably be out in a few days.
