Deafness Cannot Be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c.

HOMES DESIRED FOR CHILDREN.

"The agents of the board of state charities have in the past year been very successful in securing a large number of good homes for dependent children who are public wards. There are still a large number of desirable children available for placing in suitable homes. Doubtless there are many families that would make a home for a child. An important part of the board's work is to bring the homeless child and the childless home together. The board solicits the co-operation of all who are interested in securing proper homes in families for children." For further information address the Board of State Charities, State House, Indianapolis, Ind.

SPORTING NOTES

TIGERS HOLD IROQUOIS RENSSELAER IS WINNER

Hammond and East Chicago Teams a Battle and Wind Up in Tie.

Before a crowd that is estimated to have numbered at least 2,000 and from which the Hammond football team was able to extract but \$13 after it had put up one of the finest exhibitions of football that has ever been seen in this city the Iroquois Athletics held the strong East Chicago Tigers to a tie, with the score 0 to 0.

The East Chicago Tigers are admitted to have had the best of the argument, although the score would not indicate that fact. The play was mostly in Hammond's territory and there was no time when the Tigers' goal was in danger.

On the other time early in the first half the East Chicago Tigers had the ball on Hammond's fifteen-yard line and there would surely have been a touchdown if it had not been for the fact that Hammond got the ball on a fumble and saved the day.

The bright star on the East Chicago side was Sternberg, who was able to make many of the Tigers' telling gains. Gus Forts and Halfman did exceptionally good work for Hammond.

The crowd was one of the largest that has ever witnessed an athletic contest in this city, but they were not willing to help out the boys and the best that could be secured from the crowd was \$13.

This will hardly pay the expenses of the game and the boys are surprised that in the face of such a good game as was played yesterday the people of Hammond will not do more to support a home team.

SEVER THEIR RELATIONS

Rensselaer High School Is Pretty Sore at Crown Point Team.

The hitherto pleasant athletic relationship between the Crown Point and Rensselaer high schools will probably be severed henceforth. The Rensselaer Republican says:

"An article signed by D. A. Root appeared in the Crown Point Star this week which jumped all over Principal Bradshaw of the Rensselaer schools and called the Rensselaer football team a bunch of quitters. It seems that Rensselaer was to have played Crown Point a return game but decided not to go, and Professor Bradshaw set forth in his letter cancelling the game that parents of some of the members objected to letting their sons go to Crown Point, because of 'rumors.' It seems that Crown Point left here disgruntled over their defeat, and that they told before they left that when they got Rensselaer up there they would get the game even if they had to steal it. Other remarks are attributed to them and both Professors Bradshaw and Dean, as well as most members of the team, thought it would be best not to go, inasmuch as there were indications of bad blood. After the Oakwood game the Rensselaer team was so badly bungled up that they were not in shape for a game the following Saturday, and in cancelling the game, Professor Bradshaw varied from the rule of evasion and told exactly why the team would not be there. It probably means the severing of athletic relations with Crown Point in the future."

TENNIS.

Australians team defeated American players of Melbourne.

The Hammond high school team went down in defeat last Saturday at the hands of the Rensselaer boys. The block and red predominated over the purple and white by the score of 6 to 0. A succession of trick plays in the forefront of the game accounts for Hammond's defeat. After this they held but could not score. Although numerous times the ball was placed near the goal of the black and red, but each time Hammond failed in dropping kicking. This is the second defeat of the year. The season started with a defeat at the hands of South Bend and ended with a defeat by Rensselaer.

I'LL NEVER GO HOME IF ATTELL WHIPS ME—WELSH.

Los Angeles, Cal., Nov. 23.—Conditioned to a pins point of perfection Freddie Welsh, England's greatest lightweight boxer, is waiting patiently for his chance at Abe Attell, the featherweight champion of the world.

"If Attell beats me I'll never set foot on British soil again—I'll be ashamed to," said Welsh yesterday.

After his morning hike over the muddy roads Welsh announced that he was two pounds over weight. "This gives me something to take off during the last two days of work," he said. "I was never in better shape in my life."

Attell did not do any work yesterday, declaring that he was satisfied with his condition.

In the main event Johnny King, the north side lightweight, defeated Spike Kelly of Dayton, O., in six rounds of fierce boxing. In the preliminary contest Young Papke and Young Schreck, lightweights, went through six rounds of fast milling, the former being given the verdict.

YALE MAY CHANGE ITS SYSTEM.

Harvard's Victory Causes Men of Eli to Consider Coaching Plan.

New Haven, Conn., Nov. 23.—A reorganization in Yale football coaching and playing is probable before another year. Yale alumni believe that the team which was defeated Saturday contained the best material Yale has had since Gordon Brown's famous eleven of 1901. It was beaten by a set of players inferior individually, but equipped with better football.

One of the moves which is likely to be made is to install Howard Jones, the Yale end a year ago, as head coach. Jones has developed the best eleven of any Yale man in the coaching field the present season, his Syracuse team tying Princeton, losing to Yale by only one score and beating Michigan easily.

It is rumored that Jones has an offer to take charge of the Annapolis eleven next year, so that it is not yet certain whether he can be secured or not.

It is understood that Captain Bobby Buch of the present Yale eleven has other plans for next year than coaching. Yale's football captain for next year will not be picked for a couple of weeks. The team is divided over the candidacy of Ted Coy, full back, and Steve Philbin, left half back.

Coy's work has been spectacular, though erratic, while that of Philbin has been steady as well as excellent for two seasons. He is the son of Eugene Philbin, the former New York district attorney. Chances slightly favor the election of Coy.

McFARLAND BACK FROM EAST.

Stockyards Lightweight Returns to Eat Turkey With Parents.

Packie McFarland, totting an emphysemic bank account and just a trace of homesickness, is back among the old folks again, having returned to eat turkey with his parents on Thanksgiving day. The pride of the yards will stick around Chicago until Saturday, when he will hike to Gotham to prepare for another scrap with Lightweight Tommy Murphy. Manager Harry Gilmore, Jr., is due here this morning.

"The six-round game is all right in its way," said Packie in discussing his eastern triumphs, "but one boxer can sear pile up a big margin over his opponent in such a short distance. Big money has been promised for another bout with Murphy, and it looks like we'll surely get together again in the near future."

SHAVES MUSTACHE TO PLAY.

Springfield, Ill., Nov. 23.—Herbert Nodler, assistant instructor of manual training, instructor of manual training at the high school, cut off his mustache that he might play in a game of football between the second team of the local high school and the State school for the Deaf and Dumb at Jacksonville. There was a shortage of material and Nodler offered to play, the players demanding that he shave before accompanying the squad.

EL AND HARVARD SPLIT \$65,000.

Receipts of New Haven Battle Set Record Total of Year.

New Haven, Conn., Nov. 23.—From Saturday's game with Harvard, Yale and Harvard will divide more than \$65,000 (estimated), less the expenses of the game, which will amount to several thousands. From the game with Princeton a week ago it is estimated that Yale and Princeton will divide about \$55,000, less expenses. Yale thus stands to have fully \$45,000 as her share after expenses are deducted. The less important games of the season will bring the football surplus to more than \$50,000.

Training expenses and renewals of the stands will eat into the tidy sum considerably, but those best informed estimated that the financial surplus which can be used for a stadium fund will be swelled by at least \$25,000 and possibly \$35,000 for the season.

Jem Driscoll, England's champion featherweight, will meet Matty Baldwin again, the two having signed for a contest to be pulled off next week in Boston.
