NEWS OF THE COUNTY SEAT

FUNERAL TAKES PLACE FROM HIS LATE HOME.

Charles Buholtz, Cedar Lake Suicide, Is Laid Away to Rest.

The funeral of Charles Buholtz, the Cedar Lake man who committed suicide by drowning two weeks ago yesterday, and whose body was not recovered until last Friday afternoon, occurred from the farm home of the dead man yesterday afternoon, after which the body was buried at the Crown Point cemetery. No good reason has been given for the man's deed, as he was financially well to do and in good health. Temporary melancholia is attributed as the cause of the unfortunate man committing the act of self destruction.

ARRANGE GAME FOR THANKSGIVING DAY.

Lowell and Crown Point to Play Next Thursday.

A football game has been arranged between Lowell and the Crown Point teams for Thanksgiving afternoon. Crown Point defeated Lowell by a score of 6 to 0 about a week ago in a hard fought contest, the two teams being very evenly matched. The Lowell team is confident of returning their lost laurels and hard and exciting contest is promised. A small admission will be charged and everyone should turn out on the old fair ground field to cheer the home team to victory. Lowell has a much heavier team than the local players, but Crown Point overcomes that in skill and speed.

Speed Ordinance Violated.

Automobiles and auto parties were plentiful and there was also a very evident lack of regard for the speed ordinance here yesterday, many of the tourists going through town at breakneck speed. Two little children crossing Main street narrowly escaped being run over yesterday morning by a reckless autist, the speed of whose machine far exceeded thirty-five miles an hour. Twenty miles an hour is pretty fast to ride through the streets of any city, but when a thirty-five and forty mile speed is reached it is high time for the proper authorities to call a halt. Probably a loss of life and an attending damage suit will be the only things that will stop these reckless and irresponsible drivers from burning up the roads.

Prosperity Hits the Trail.

From the increased number of trains that are now run on the Erie and Panhandle roads, it is evident that prosperity has struck those roads in full measure. More trains went over the Panhandle road on Saturday than at any corresponding period since the prosperous times of two years ago. And they were not at all empty cars either.

Gets Fine Prizes.

Alois Fry, head gardener at Lincoln Park, Chicago, and owner of the new green houses east of town, has been fortunate in taking five prizes and a silver cup at the recent flower show in Chicago for the excellence of his display of chrysanthemums. Mr. Fry has his houses here in full operation now, and makes a specialty of raising chrysanthemums and it is well worth anyone's time to see the beautiful blooms the houses at present. Both Crown Point florists are shipping large orders of potted and cut flowers to Chicago markets every day and their customers are among some of the biggest and best dealers in that city.

The Woman's Study club will meet at the public library assembly room tomorrow afternoon for their regular weekly meeting. The following is the program: Paper on "Spinoza," by Mrs. Mattie Gibbs; "Domestic Service," by Mrs. Calista Peterson.

Steam heat has been installed in the Allman building and the main floors and offices are now supplied a modern heating apparatus.

Many of Crown Point's football lovers attended the Lowell-Rensselaer game at Oakland park in the former town yesterday, and witnessed the Rensselaer colors dragged in the dust by the husky Lowell eleven.

John B. Peterson has received his Apperson roadster, recently ordered by him, and gave the machine its first try-out yesterday. No danger of Mr. Peterson being hung up on the road for very long if he is where he can call his reserve forces. One of the advantages of having two automobiles, it is said, there was enough rice thrown at the Farley-Ellwanger wedding on Saturday night to feed a hungry family for many days and all who got any benefit from it were the English sparrows and those who threw it. Certainly the recipients fail to realize very much benefit from the custom.

Mrs. W. Forney Hovis, of South Bend.

Epilepsy, Fits

"My son was cured of a very bad case of epilepsy with Dr. Miles' Nervine." MRS. D. BAKER, Cleveland, Ohio.

"My little girl who was afflicted with St. Vitus' Dance is now entirely well, after taking Dr. Miles' Nervine only four months." MRS. C. G. BENNETT, Alma, Mich.

These diseases have been cured in so many instances, that we do not think there is any longer any doubt that they are curable diseases. Being nervous diseases they yield to the soothing and strengthening influence of

Dr. Miles' Nervine. Though stubborn, persistent treatment is almost sure to effect a cure by restoring nervous energy.

LOWELL.

Rensselaer Defeated.

The Rensselaer football team that came to Lowell Sunday to try conclusions with Frank Maloy's eleven husky stars were defeated in a handsome manner by a score of 15 to 4. Lowell kicked off the ball to Rensselaer, who carried it thirty or more yards in three downs. At this juncture the Lowell eleven recovered from their stage fright and proceeded to show the visitors how it was done. In the first half Trump for Lowell made a forty-five yard drop kick counting four. When time was called the visitors had not made a point. In the second half Morgan of Rensselaer made a fifteen-yard drop kick, which tied the score. From this time on to the end of the half it was a battle royal, but that forward pass to Shurtle of Lowell, who carried the ball nearly across the field for a touchdown, counted five more. A goal kick one more and a clear touchdown on a straight line backs by Brownell made five more. When time was up and the visitors returned to their home knowing in very strong terms that they had been defeated, but royally treated and those fellows who bet against Maloy's stars in the forepart of the game are very sorry now that they spoke. A large crowd was in attendance. Mr. Hayward, the photographer, was present, and got a focus on the boys. Lowell will play Crown Point on Thanksgiving Day.

The turkey shoot given by the Poplar Spring Gun club was largely attended by Lowell gunners and other. There were twenty-four turkeys and a great number of geese and ducks won. Ernest Gregg and the Burnham brothers being the heaviest winners.

WHITING NEWS
