## Fluttering Hearts

"I have had heart trouble for 40 years; after taking 18 bottles of Dr. Miles' Heart Remedy I am entirely cured, and to-day I do not feel the slightest effect of heart trouble." DAVID FRAZIER, State Soldiers Home, Erie, Co., Ohio.

Fluttering indicates a weakness of the nerves and muscles of the heart. Like palpitation, shortness of breath, pain in side and shoulder, it is frequently followed by the worst form of heart disease; therefore it should not be neglected.

Dr. Miles' Nervine

is a most reliable heart medicine. It strengthens and regulates the heart action, stimulates the digestive organs, and increases the circulation.

The first bottle will benefit; if not, your druggist will return your money.

## NEBRASKA SHOW GOOD FORM.

Lincoln, Neb., Nov. 25.—Cole's Cornhuskers were put through their final scrimmage drill yesterday afternoon in preparation for the turkey day clash with Wabash college.

The varsity pulled a series of new plays on the freshmen and worked them for two touchdowns, after which the subs were pitted against the first-year performers. Shonks, Coach Cole's latest find, was put in at tackle for the subs and juggled the ball so fiercely that the coach has decided to pit the big Bohemian against Wabash and Carlsile.

## WABASH TO MEET NEBRASKA.

Crawfordsville, Ind., Nov. 25.—The Wabash college football eleven left yesterday for Lincoln, Neb., where it is scheduled to play the Nebraska Thanksgiving day. Those who made the trip were: A. Burns, Patton and Payne, ends; Glpe, Captain Hess and W. Burns, tackles; Barr, Bowerman and Hopkins, guards; Wilson and Brown, centers; Hargrave and Hawkin, quarterbacks; Colbert, Graver, Stiers and Markle, backs.

## HAYES AND DORANDO IN MARTON TONIGHT.

New York, Nov. 25.—Johnny Hayes, Olympic Marathon champion, and Dorando Pietri, the Italian runner whom he defeated in London, are trained to the hour for their great race of twenty-six miles and 885 yards, the full Marathon distance, at Madison Square Garden tonight. Hayes did sixteen miles yesterday in fast time, but the figures were not given out. Dorando covered seventeen miles in one hour and thirty-two minutes, and is confident that he will beat the Yankee this time. Hayes is just as confident that he will be the victor. Thousands of dollars are being bet on the race, with Hayes a slight favorite. The Garden will be packed to the doors for the contest.

## YOST IN DEMAND IN THE EAST.

Friends of "Hurry Up" Coach Blame Fraternity Influence for Disaster.

Detroit, Nov. 25.—It is understood in University of Michigan circles that Coach Yost has received several offers from eastern colleges to transfer his allegiance and his friends among the alumni hope he will accept one of them. They think he has as much ability as he ever had, but that he cannot develop a winner under present conditions. Fraternity influence is blamed, it being charged that fraternity professors discriminate against independent students in their studies, the fraternity men thereby getting time to play football, while better scholars and better football players make poor showing.

## CROKER ON RACING SITUATION.

Ex-Tammany King Says Game Will Suffer Through Ban on Betting.

New York, Nov. 25.—Richard Croker is of the opinion that racing in New York state will suffer because of the ban placed on betting after Governor Hughes' persistent fight which resulted in the passage of laws making book-making a felony. Mr. Croker said he was puzzled at the attitude of New Yorkers in the betting question, remarking on the fact that a majority of them had supported the governor.

"Still," he continued, "I suppose the papers follow what they think the readers want, but it seems to me that sporting news is of as much interest as any other news. However, this is a democratic country and the voters make up the big jury which determines how things shall be run."

Mr. Croker said that he would not buy any new stock for breeding purposes in Ireland. "I have as fine a strain of breeding horses as you can find in any part of the world," he said. "I have already had one derby winner and I hope that one of the three yearlings that I have entered for the derby of 1910 will turn out to be another Orby."

## DENIES CARLSLE WAS ROWDY.

Warner Contradicts Statements About Indians Sent From Minneapolis.

St. Louis, Nov. 25.—Glen S. Warner issued an official signed statement here yesterday as athletic director of Carlsile Indian school in defense of the Carlsile football team in its trouble with the University of Minnesota's eleven. The statement says in part: "The story that the athletic authori-

ties of the University of Minnesota had served athletic relations with Carlsile and that the probable reason was because Waukeka assaulted an official and the Carlsile team used ungentlemanly language on the field, is a sensational newspaper yarn. Dr. Williams, athletic director of the University of Minnesota, came to me immediately after the game and asked me if I was willing to arrange a football game for next year. I told him that it would be Carlsile's policy next year not to play any games so far west. Williams expressed no dissatisfaction with the conduct of our players.

## DECISION TO SAILOR BURKE.

Unsatisfactory Contest Substituted for Neil-Moran Bout at Boston.

Boston, Nov. 25.—Sailor Burke of New York received the decision over Joe Thomas of San Francisco in their twelve-round bout at the Armory A. A. last night. This bout was substituted for the Neil-Moran match, Neil having strained a ligament in his knee yesterday while training.

Early in the bout last night it looked as if Burke would like to have the affair over and once stood in a corner with his arms stretched along ropes, actually inviting a knockout punch from Thomas, but the latter was so awkward in attempting to deliver it that Burke escaped without harm.

The New Yorker then became more aggressive and had the better of the bout thereafter.

## COY IS PICKED TO LEAD YALE.

It's Great Fullback Elected Football Captain for Next Year.

New Haven, Conn., Nov. 25.—The annual election of Yale football captain for next year resulted last night in favor of Edward Harris Coy of New Haven, Conn. Of the nineteen players who took part in the games against Harvard and Princeton seven are said to have voted for Stephen Philbin, half back, of New York City, and twelve for Coy, who has played full back for two seasons.

## BUSY TIMES FOR TONY CAPONI.

Tony Caponi started east last night for his bout with Lawrence Sullivan, which takes place at Philadelphia tomorrow afternoon. The affair is set for the usual six rounds, and he will then go to Wheeling, W. Va., where he will go ten rounds against Jack Blackburn, Dec. 1. He is to meet Eddie Mcorty some time between Dec. 5 and 10, and will oppose Young Mahoney later. His manager, Cal Harris, claims he had the edge over Blackburn in their match five weeks ago.

## DRAKE AND AMES IN TITLE GAME.

Rival Eleven's Clash Tomorrow for Championship of Iowa.

Des Moines, Ia., Nov. 25.—With Grinnell's victory over Cornell last Saturday the Iowa championship race settled down to the finals between Drake and Ames on Thanksgiving day at the Stadium, and one of the two best teams in the state clash. Drake is fearing "Big" Lambert, the Ames full back who has been said by many western officials to have no peer in the west. The ability of Lambert and his place kicking won the Drake-Ames game two years ago and the memory is still fresh in the minds of many Drake men. Lambert will play his last Iowa game this Thanksgiving.

## FOOTBALL TEAM READY

Gary Boys Expect a Fine Game at Grounds Tomorrow.

The line-up for the Gary football team which will meet the West Ends of Michigan City in their final game of the season Thanksgiving day has been elected by Manager Sam Sax and the boys are feeling ready for their final performance at the South side grounds. The season this year has not been so successful as it might have been, which is due to various reasons, but a strong effort will be made to at least finish up in a blaze of glory.

The boys have been practicing faithfully for the past week and they feel in good physical shape. Their new signals have also been mastered to the satisfaction of the coaches and they will probably be successful in eliminating much of the fumbling that took the color off from their playing with the West Ends in their last try-out.

The team will be fast and heavy and if they are defeated tomorrow it can only be attributed to one thing, lack of team work. Taking the aggregation man for man, they present a fine looking crowd of players, but as eleven Ekersals or eleven Hestons cannot win a game without practice Gary could not do much up to this time.

The Gary team line-up tomorrow will be as follows: Blitz, center; Burns, R. G.; Smith, L. G.; Glenn, L. T.; Clark, R. T.; Barry, R. E.; Saylor, L. E.; Cupples, Q. B.; Olin, L. H.; McNally, R. H.; Pryle, F. B.; Referee, Copke.

## MONON.

Mrs. Ray Wickersham and daughter of Logansport are visiting her parents, Mr. and Mrs. Martin O'Mara.

Fred Emerson Brooks, author and poet, gave a lecture Monday night. The third one of the lecture series will be Dec. 1.

Mrs. John Gray and children of Lafayette came Tuesday afternoon to visit over Thanksgiving with her parents, Mr. and Mrs. James Rush and family.
