## Memorial Services For Elks

Departed Brethren Of Fraternity Are Remembered

Memorial services for the departed members of the Hammond lodge of Elks were held yesterday afternoon at the First Methodist church. Before the time set for commencement of the services, the members of the Elks lodge marched in a body from their lodgerooms to the church. People who were not members of the lodge had already gathered there to witness the services and hear the memorial address which was delivered by Dr. H. H. Thompson of Noblesville, who is also an Elk. The invocation was pronounced by the Rev. Charles Albert Smith of the Episcopal church, who officiated in the absence of

the Rev. W. F. Switzer, who was unexpectedly called away.

The services were very impressive and were added to by the devout attendance of the Elks who remembered their brethren in death as well as when they were alive.

The oration by Dr. Thompson, who is a gifted speaker, was inspiring and worthy to have a principal part in these annual commemorations of the departed ones.

Hammond lodge has only four members who died during the nine years that it has been in existence here. They are Burlington Borders of Hammond, Robert J. Wiley of Whiting, Robert A. Ross of East Chicago and Herman Hirsch of Hammond.

### Deafness Cannot Be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. In this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
