NEWS OF THE COUNTY SEAT

If not the same man, one answering the title of "Adam God" has pronounced his doctrines on Lake county street corner in the past.

PROBATION OFFICER PATTEE ON THE ANXIOUS SEAT.

Finds Another Man's Horse Attached to His Rig and is Considerably Worried.

It is said that C. C. Patee, the probation officer for the second district in Lake county, met with an experience he will not forget for some time. While recently discharging the duties of his office at Alsaworth, Mr. Patee put his horse and rig up for the night at a barn in that village. On going for his rig the next morning he was surprised to find the horse gone, with another animal in its place. After a long search and much trouble, the horse was located, and it turned out that a stockman, while driving through the place had also put his horse in the same barn. After taking too much horse and started out with the wrong horse. The matter was satisfactorily adjusted, but Mr. Patee had a few anxious hours to put in before his horse was recovered.

Bazaar Bids Fair To Be a Success.

Everything bids fair for the bazaar for the public library benefit at the court house tonight to be a huge success, and no doubt a great deal will be realized from the sale of the donated articles. The committee has worked hard and faithfully and have met with splendid help and support in their efforts by Crown Point people, in the way of money and donations of hand work. The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignorant. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the whole ring as well as in it. We protect our heads, our chests and our arms, but the stomach is utterly unprotected, until doctors find the solar plexus and knock us out. Make your stomach sound and strong by the use of Dr. Pierce's Golden Medical Discovery, and you protect your life in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. B. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead. Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

LIFE ISN'T WOTH LIVING

This Statement May Be Generally Attributed to the Lack of Good Health.

We want to talk to people who are nervous, who suffer frequent headaches, who don't enjoy their food, who are irritable, quickly lose temper, are so tired and worn out that they feel they must give up, and have become so despondent that life doesn't seem worth living. We know exactly what is the matter with people in this condition, and if they will follow our advice we can tell them how to regain good health and that buoyancy of feeling which makes life seem all sunshine and happiness.

Most of the above described conditions are chiefly caused by catarrhal inflammation of the mucous membranes. This delicate web-like lining of the body becomes inflamed and congested until weakness and mental depression follows. The only way that this can be overcome is through a treatment of the blood. We have the treatment, and we are so positive that it will produce the results we claim for it that we will supply it to any one with the understanding that we will return to them every penny they paid us in every instance where the treatment is not in any way satisfactory and beneficial to them.

We want you to try Rexall Muc-Tone, which is a powerful nutritive tonic and body builder, and a mucous membrane alterative that cleanses these membranes and restores their natural and healthy functions.

Rexall Muc-Tone drives out all the catarrhal poison, restores the mucous cells to good health, tones up the whole system, allays inflammation, removes congestion, and stimulates the whole system to healthy activity. It is splendid for building up flesh and muscle tissue and removing all weaknesses.

Come to our store today and get a bottle of Muc-Tone, and after giving it a reasonable trial, if you are not satisfied simply tell us so, and we will hand back your money without question. Surely, nothing could be more than this. Two sizes, 50c. and \$1.00. Kaufman & Wolf, Hammond, Ind.

COMFORTING WORDS

Many a Hammond House-hold Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Hammond readers.

E. S. Stevens, of 153 Morton court, Hammond, Ind., says:

I suffered terribly from pain in the back and disorder of the kidneys. In the morning I would be so stiff and lame that I could hardly crawl out of bed, and to lace my shoes was almost an impossibility. I did not rest well at night for two causes. First, on account of the frequent action of the kidneys, second, because of the pain in my back and joints. I was in this condition when Doan's Kidney Pills were brought to my attention, and concluding to try them I procured a box. The benefit I received from the use of this box was more than I have
