FURNACES

Most persons are now making preparations for winter heat. It is a most important subject. In this connection it is proper and timely to call attention to this furnace question. A good furnace is a great source of comfort, but it must be properly installed, otherwise it can not be expected to do its work properly. Good Furnaces, in fact the best made and installed in a skillful manner, can be had of

EAST CHICAGO.

Will Honor District Ruler.

Special sessions of the Elks' lodge are to be observed at both 2 o'clock and 8 o'clock this evening when local Elks will do homage to District Deputy Ruler William A. Green of Peru, Ind., who represents the grand exalted ruler of the order. The sessions are to be for members only and the ritual of the order will be exemplified before visiting members of Hammond, Gary and Chicago lodges. The meetings are to be held in the Elks' club rooms on Chicago avenue and the attendance of all members is desired at this important function.

Rev. Briggs Will Visit.

District Superintendent Briggs of the M. E. church will occupy the pulpit of the local church next Sunday morning and will also preside at the service of the quarterly conference of the body on next Tuesday evening. On Sunday evening Rev. P. H. Palmer will occupy the pulpit, sharing his theme, "Sky Anthems." Rev. Palmer has awakened a new interest in church work in East Chicago, and asks for the attendance of all who can possibly visit his church.

Is Elected Janitor.

At the special meeting of the common council last evening Charles Jordan of this city was unanimously elected janitor of the new city hall at a salary of \$75 per month. The position has had three applicants and is considered quite a plum for the successful recipient. Although his duties will entail considerable work Mr. Jordan is confident that he will be able to handle the city's interests with merit and has promised to keep the creepy feeling of the councilmen at late midnight sessions.

Congregational Services.

Rev. F. J. Brown has secured Dr. A. N. Hitchcock of the University of Chicago to address the local Congregational audience at 11 o'clock tomorrow morning on the subject, "Some Personal Observations on a Recent Tour Around the World." Dr. Hitchcock is secretary of the American Board of Foreign Missions, and is a capable speaker, understanding fully the topic he has chosen. In the evening the choir will repeat the chorus work of the Dudley Buck cantata, "The Coming of the King," rendered by them last Wednesday evening. The service will be a Christmas one and the beauty of the cantata, with its excellent rendition, should fill the church. Services will commence at 7:30 o'clock.

Leaguers Hold Social.

The monthly social meeting of the M. E. church was held last evening at the home of Miss Mabel Wickey on Magoun avenue, about twenty-four guests attending. Games of a social nature were played until a late hour, after which the hostess served dainty refreshments.

JOHNSON ANOTHER LEMON, SAYS BURNS

Champion Has No Fear of Result of Sidney Bout with Colored Man.

San Francisco, Dec. 19.—The following letter from Tommy Burns, just received here from Australia:

"Blue Mountains, N. S. W., Nov. 4, 1908.—Mr. W. W. Naughton, Examiner, San Francisco:

"Dear Sir—You will see by reading this letter I am in the mountains again at a place called Meadow Bath, and here I will stay until it is time to go to Sydney to fight Jack Johnson.

"I am sorry Jack (Twin) Sullivan missed the steamer, as I consider him a fine trainer and second, and really, I am sure, would have got some good matches over here.

"Johnson arrived the other day and is training at St. Joseph's Bank hotel. Botany. He is as flash as ever and thinks he is a walkover, but I'll fool him if possible. I have figured Johnson out and I can't believe he is any harder than the rest of the lemons, as they call them. Anyhow, we shall soon see.

"I will do a lot of theatrical work after this contest, win or lose, and will not fight any one for a year and may be not any more unless I get Mrs. B's consent. Of course if I lose I am sure not to fight again.

"We haven't picked the referee yet. If we cannot agree upon one Mr. Corbett of the Referee is to select a man for us.

"I surely like Australia. The people here are the most hospitable I have met in my travels and I think this is the coming country.

"TOMMY BURNS."

conqueror of Dorando Pietri, like other popular idols, has been captured by a maiden fair. Miss Lauretta Maracle, a full blooded Indian of the Mohawk tribe, it is announced, is to be wedded to Longboat at Toronto Dec. 40. Miss Maracle is a good looking, well educated woman of 28 years.

LONGBOAT AND SHRUBB SIGN.

New York, Dec. 19.—Tom Longboat, the fleet footed Indian who recently defeated Dorando Pietri, the Italian runner, was matched yesterday to race Alfred Shrubbs, the English champion, at Madison Square Garden on the night of Jan. 8 or 9. They will race at the London Olympic Marathon distance of 26 miles 385 yards.

ENGLEWOOD IS MADE CHOICE AT BUTTE, MONT.

Poolrooms Post Odds on Chicago Team, But Say Game Must Be Won Early.

Butte, Mont., Dec. 19.—The Englewood high school football team is a 1 to 2 favorite over the Butte high school team in the contest today, and despite the disadvantages the Englewood boys are laboring under the champions of the Pacific northwest are considered sure losers by the attendants of the big poolrooms.

The Chicago boys are far from confident of success, despite their superiority in weight, for the altitude of the mining town is affecting their staying qualities. But they expect to enter the contest today in the best possible condition under the circumstances and will fight for the honor of the Windy City from the start to the finish.

MAROON TEAM IS BANQUETED.

Coach Staggs and Champions Enjoy Last Feast of Season—Gold Emblems for Players.

Coach Staggs and the champion Maroon football warriors held their last banquet of the season last night at Hutchinson hall at the University of Chicago. The affair was attended by every member of the 1908 championship team. Coach Staggs and the players responded briefly to football toasts, and the coach showed one of the gold footballs which he will give to each member of the team as soon as they can be finished. The footballs will be decorated with Maroon "C's."

FLYNN IN GOOD SHAPE FOR LANGFORD BATTLE.

San Francisco, Dec. 19.—Jim Flynn, who is to fight Sam Langford twenty rounds on next Monday evening, has rounded into such perfect form that he will do only enough work from now on to keep him in the condition his long spell of training has brought him to. Flynn did only a little road work yesterday. This morning he took a trip to the city, to pass away the time as he expresses it, but in reality to see how things are shaping for his fight. "There never was a man I signed up to meet that I did not think I could beat," said Flynn, "and you can depend upon it that I will be in the best possible condition for my bout with Langford."

YOUTHFUL BOXER DIES IN PHILADELPHIA BOUT.

Michael Haney Expires After Falling Unconscious in Match With Fred Stuart.

Philadelphia, Dec. 19.—Michael Haney, a 19-year-old boxer, died yesterday after being felled in a bout at the Broadway Athletic club of this city yesterday afternoon by Fred Stuart. Stuart and Haney had boxed one round and were in the second heat of their match when Haney fell to the floor, with the effects of a blow by Stuart or from some unknown cause, and when his seconds reached him he was found to be unconscious.

He failed to regain consciousness when removed to the dressing room and given the ordinary treatment, and later when the services of a physician were called in more efforts failed to restore him.

An ambulance was summoned and Haney was driven hastily to the Howard hospital, where, without regaining consciousness, he died a short time afterward.

It is said that Stuart will be held and that the authorities will investigate the case.

It is contended by the club officials that Stuart is not the least blamable for the death of Haney.
