SOUTH CHICAGO NEWS

Returns After Absence.

After a ten years' absence and long thought dead, James Hand of Calumet Heights returned from California yesterday.

Ten years ago, just after his wife died, he left very suddenly and nobody could find any trace of him.

He was offered a good position out there, and he stayed, never thinking any more of his sudden departure from South Chicago.

When he returned yesterday and walked into his friends, George Rens, 2323 Yates avenue, everyone was so surprised, none of them could speak.

One of them ventured up to him and found he was the real James that had left so suddenly.

He will make South Chicago his future home.

DESHLER GETS DRAW WITH M'FARLAND

For Second Time in Career Packey Fails to Leave the Ring a Victor.

Boston, Mass., March 31.—Packey McFarland, the great Chicago lightweight who is a candidate for Battling Nelson's crown, was held to a draw in a fast twelve-round bout by Dave Deshler here last night to the great surprise of the fans who crowded the Armory A. A. ring to see the men battle.

Deshler was a big surprise. He fought the best fight of his life and though outboxed, did enough execution probably to deserve the referee's verdict.

It was a dandy scrap. McFarland was the cleverer and faster and did the better work when the men stood off and sparred, but Deshler was stronger and outboxed the Chicagoan when they got to close quarters.

It was the second time that McFarland ever has been held to a draw. He has yet to be beaten. His first draw was with Freddie Welsh at Los Angeles last fall. The bout last night probably will hurt McFarland's chances for a match with Nelson.

GOTCH BEGINS WORK; LOSES FOUR POUNDS

Champion Wrestler Looks Good in First Day of Preparation for Turk.

If the opening day's training that Frank Gotch put in yesterday is any indication, the champion will be in grand shape when he faces Yusuf Mahmoud in the Dexter pavilion ring in two weeks. The big fellow started with a rush, and took off four pounds during the two and one-half hours that he put in in various parts of the Illinois Athletic club building.

Gotch weighed exactly 208½ pounds when he began exercising. He was well inside 205 when he quit. He worked hard and fast at everything he did, the only quiet periods of his training coming when he started tug-of-war at the ropes and pulley weights. He is paying particular attention to strengthening the wrists and forearms, although he does not slight any portion of his giant frame.

Mike Dwyer, athletic man at the Illinois club, will try Gotch out with the jackets on today. This is a variation of the old collar-and-elbow style of wrestling, made famous by old-timers like McLaughlin and Adon Butler. It gives a man great speed in footwork, as the work is of the standup variety most of the time.

AMATEURS START GAMES

Russell Street Stars Defeat the West Hammond Lilies.

The Russell Street Stars defeated the West Hammond Lilies in a very one-sided baseball game yesterday afternoon at the State Line grounds. This is the second time that the Lilies have been defeated, being defeated by the State Line Stars once before.

The game was a one-sided affair and at no time during the game did the Stars fear defeat. At the end of the ninth inning the score stood 41 to 6 in favor of the Russell Street Stars. The star player for the Stars was B. Ebert, who showed his ability as a pitcher. He also got three base hits off Kellman, pitcher for the Lilies.

The batteries for the Stars were Ebert and Miller, and for the Lilies, Kellman and Theil.

It is thought that the Russell Street Stars will play the State Line Stars for their next game.

NOTES OF THE CUBS

Nashville, Tenn., March 31.—Dr. John McKinlock, who came down to see that the Cubs were in physical condition, returned to Chicago last night. He says Chance's foot probably will not trouble him at all.

The papers have been printing a story that Chance is trying to trade Zimmerman for Billie of St. Louis. The first Chance knew of it was when he received the clipping last night. He said that up to that time he did not know Billie was in the league.

Chicago and Nashville conclude their series today. Tonight the Cubs move on to Atlanta, the last stand in the middle south. Chance is determined to win every game played on the training trip and tonight announced Pfister as his probable pitcher for tomorrow.

Dr. A. J. Conkey telegraphed Manager Chance tonight that he is ready to come into the fold and that he will join the team if agreeable. Chance immediately wired Conkey to report to the club at Louisville Saturday.

The Boston Red Sox passed a pleasant day, most of them going to the penitentiary to see the convicts. They have not decided yet when they will start training.

MAY MANAGE THEM HIMSELF

Believes Job Would Spoil Sullivan as Catcher; Still Hopes for Jones.

President Comiskey is considering the feasibility of managing the White Sox himself this year. When the time comes for his announcing a successor to Jones, it is more than possible the Old Roman will tell the fans of the South Side that neither Sullivan nor Davis will direct the 1909 campaign of the white hoed legion but that he himself will lead the team from the bench.

It has been known for some time by close friends of the South Side manager that he was considering this way out of the difficulty created by the refusal of Jones to come back.

There are said to be several reasons which Comiskey regards as strong enough to warrant his taking charge of the team himself. Among them is the fact that the job of managing the team would spoil Billy Sullivan, one of the candidates for the place left vacant by Jones, as a catcher; another is that George Davis, while a thorough student of the game, is unfitted for the job of manager because of his probable inability to maintain discipline among the players; and a third is that Comiskey still believes that Jones will come back and, believing that, will not appoint one of the players to the leadership only to remove him when Fielder Jones decides to come in.

FITZ TO FIGHT CLABBY AGAIN

Dick Fitzpatrick and Jimmy Clabby of Hammond were matched yesterday to fight eight rounds before the Utopia Athletic club of Memphis next Monday night. They are to weigh in at 142 pounds at 3 o'clock. Clabby has another engagement on before the Fitzpatrick affair. He is billed to meet Dave Barry in a ten-round bout at New Orleans Saturday night.

COULON MAY FIGHT DENNING

Johnny Coulon's next opponent probably will be Earl Denning. Coulon has signed up with the Dayton (Ohio) club and the club has asked him to meet Denning. Coulon has consented and the match may be closed soon.

JOHNSON FAILS TO VISIT JEFF

Boston, Mass., March 31.—Champion Jack Johnson didn't carry out his threat to take a flying trip to Boston to interview Jeffries today, and it is presumed he was too busy watching them cover his money and doing his theatrical stunt in New York to come. Jeff would not talk fight, but continued his road work.

WANTS CLUB TO BID

Harry Gillespie, manager of Chuck Larson, is anxious to have the West Hammond club make a bid for a match between his man and Tommy Gary at either 125 or 134 pounds, and is so eager to get on a meeting with the Chicago Heights lad that he is willing to split the purse any way Gary may suggest. Gillespie can be addressed at 308 East Sixtieth street.

AD WOLGAST BEATS PICATO

Los Angeles, Cal., March 31.—Ad Wolgast of Milwaukee again demonstrated his class last night when he earned the decision over Frank Picato in ten fast rounds.

Although Picato, who is a lightweight, outweighed Wolgast by several pounds, the Milwaukee lad hid him beaten in eight of the ten rounds. Wolgast's strength and ruggedness was never shown to better advantage, and he easily outgassed his heavier opponent.

Wolgast opened with his usual fierce rushing. In clinches he uppercut, bringing blood from Picato's nose. Wolgast's superb defense stood him well in the second round, when Picato's fierce blows were blocked. Picato, however, hooked a hard left to the chin, and Wolgast went down, but was up in a flash.

COMISKEY DODGES MANAGER QUESTION

Winnipeg, Man., March 31.—Charles A. Comiskey, who has thrice landed the pennant, arrived in this city yesterday from the west, accompanied by Mrs. Comiskey and Miss Bernoudy, his niece.

"Fielder Jones has put his money into timber lands in the west, and will remain there for some years," said Comiskey. "I talked to him for a long time, but could not win him over. I told him that he had taken a bad judgment on us, and that he ought to give us at least one year more. He would go back into the game for another year if he could shape up his business, but he doubted he could do this. He said that he could make more money in business than in baseball, and that he was able to spend the entire year with his family. That I offered him \$15,000 and that he asked for \$20,000 is not correct. The salary question never arose."

"Have you made any decision with reference to a manager for the season?" he was asked.

"Yes, but no announcement has yet been made. If Jones should come back there will be no need for a new appointment. If we fail to get Jones we have a man in view."

"It has been suggested that Sullivan might act in this position," it was said.

"That suggestion has been made owing to the fact that Sullivan is with the team now," answered Comiskey. "There are a number of men who could assume the post, but nothing has been announced. Sullivan is very popular and is held in high esteem."

LOSE TO BREWERS

Huff's Collegians Beaten by Milwaukee, 14 to 7.

Champaign, Ill., March 31.—Coach Huff's University of Illinois baseball team lost to Manager McCloskey's American association team this afternoon by the score of 14 to 7. The college boys showed up fairly well against the leaguers. ATTELL AFTER MORAN

Posts \$500 Forfeit for Third Meeting With Briton.

New York, March 31.—Abe Attell is hard after a third meeting with Owen Moran, the Briton who has twice held him to a draw. Attell today posted \$500 as a forfeit to bind a match with the crack English fighter. Abe wants the weight to be 124 pounds at 6 o'clock. He says he will let the \$500 ride as a side bet and increase it as much as Moran wishes.
