TURN TABLES ON THE EAGLES

East Chicago, Ind., August 3.—The American Eagles just turned the tables on the White Stars Sunday afternoon by defeating them by a score of 15 to 3.

On July 25 the White Stars defeated the Eagles, thus making it a tie, each team winning one game. The tie will probably be played off in the near future.

Ed Shot and John Myslivity did the slugging for the Eagles, getting a three-bagger apiece.

While the White Stars used four pitchers, Andrew Putney pitched the entire game for the Eagles.

The American Eagles would like to secure games with teams averaging between 15 and 17 years. For games address John Challa, care John Krup's saloon, Baring and 150th street, or phone 274 East Chicago.

GREYS DEFEAT KIDS

The Hesville Colts, who were formerly the Don's Kids, were treated to a defeat Sunday by the Hammond Grays.

The Hesville Colts were anxious to win the game, owing to the fact that they were playing under a different name and also that they were wearing their new uniforms.

They were downed by the Grays by a score of 8 to 4. The game was played at the Hesville grounds. The Grays of Hammond were surprised to find that they were to have a band, which made them a little nervous.

Barclay for the Grays were Freyman and Tague.

M'FARLAND SAYS HE IS READY FOR LIGHTWEIGHTS

Packey McFarland came to bat yesterday with the following:

"I am ready and willing to take on as fast as the white will offer suitable inducements anybody at 133 pounds at 3 o'clock. I would make any kind of a side bet. This goes for Wolgast, Thompson, Welsh, Hyland or any one else. All they have to do is to get a club that will give the money and I will fight."

In regard to Nelson, I am willing to make a special concession as regards weight, but it will not be ring-side.

"Should the Dame decide not to take me on I have an offer to meet three men in England this fall, Johnny Summers, Young Josephus and another whom they refuse to name being the ones, my belief being that Welsh is the unnamed. The terms are satisfactory to me and I have agreed to box the trio two weeks apart should the Nelson match fall through."

INDIANA HARBOR.

The Progress club met last evening with Mrs. J. A. McGranahan of Fir street and an enjoyable session was held. Some business was transacted, but the meeting was largely of a social nature, with music as a principal feature. Miss Georgina Wetheroff of Muncie, Ind., a niece of Mrs. E. Drummond contributed a cornet solo, which was greatly enjoyed, and Miss Lillian Spittle, a piano selection. The next meeting will take place Monday evening, Aug. 30, a week in advance of the usual time, owing to Labor day coming on the first Monday in September. On this occasion Mrs. Kinzie of Valparaiso has been asked to deliver an address.

Mrs. James Oliver and daughter, Ethel, of Chicago will be the guests tomorrow of Mrs. T. J. Murley of Grapevine street.

Mrs. Charles E. Fowler was obliged to use her carriage to go to the Progress club meeting last night on account of an injury to her foot last week, caused by her horse stepping on it.

Charles Klesinger of the Lake Shore railroad spent Sunday with his family in Adrian, Mich.

John Haywood has two nice rooms for rent at his home, 2184 Baltimore avenue. Hot water heat, everything modern.

The Indiana Harbor baseball team will play in Plymouth, Ind., next Sunday to 0 in favor of Plymouth, and the day. These teams played a game there about two months ago, the score being reports are that it was a hummer.

Achie Murley has left the American Steel Foundry, where he was employed as a coremaker, to accept a position on the crane in the inland mill.

All the saloons which have been closed the past month owing to the lack of licenses have resumed business, the county commissioners having restored their licenses yesterday.

ISMAN OUT; SO IS MIKE DONLIN

Murray Will Continue to Manage Phillies.

Philadelphia, Pa., August 3.—Felix Isman today announced the failure of the deal whereby the Philadelphia National league baseball club was to get Mike Donlin from the New York Nationals in exchange for Outfielder Magee of the local club.

Mr. Isman announced that he had decided not to exercise his option for the purchase of an interest in the club. He said:

"I had an option on certain stock and would have purchased it if certain ideas of mine could have been carried out. My principal idea was to have Mike Donlin as captain, manager and player. This included the disposing of Mr. Murray as manager. The proposition was to give Murray \$7,500, a year's salary, for him to step down and out. The other owners could not see the matter in this light, and this afternoon I notified the parties to the negotiations that I would not buy the stock."

NATIONAL TENNIS DOUBLES MEET OPENS TODAY

The national tennis doubles championships, held for the first time in Chicago, will begin today on the Olcott courts at Lake Forest.

The tournament, which includes four teams, is representative to a degree never before realized, the admission of a team from the Pacific coast making the event truly national.

R. A. Holden and Trux Emerson of Cincinnati, who wrested the western championship from Nat Emerson and Henry Waldner at the tournament last week, are virtually the home players.

The other teams are:

A. S. Dabney and N. W. Niles, eastern champions.

M. E. McLoughlin and George James, Pacific coast champions.

T. R. Poll and Wylie C. Grant, southern champions.

WHITE DRAWS WITH LARSON

Chicago Boxer Has Little the Best of Mill.

Memphis, August 3.—Jack White of Chicago was favorite over Cruck Larson in an eight round bout at the Phoenix club last night, but after fast fighting in every round Referee Redmond's decision of a draw was cheered.

Both fighters took time about in forcing the fighting, and although there were no knockdowns, both were backed up at the end. Eugene Sims of Spearman, Ill., won his seventh straight battle, all by the knockout route, when he knocked Peter Mitchell on the jaw in the fourth round of their eight round match. Sims played with Mitchell until he was ready to win. The arena was fairly well filled with fight fans.

JOHNSON POSTS \$5,000, BUT SAYS JEFF CANT DICTATE TERMS FOR GO

Colored Fighter Is Willing to Meet Undeclared Champion in New York to Discuss Proposed Battle With Californian.

As was stated in a late edition of THE TIMES last night, stipulating that the money should be transferred immediately to New York where James J. Jeffries' \$5,000 is posted, Jack Johnson, conqueror of Tommy Burns for the world's heavyweight championship, through his manager, George Little, yesterday posted \$5,000 with Edward W. Smith, sporting editor of the American, in acceptance of the giant Californian's defy to fight for pugilism's highest honors.

There are no strings or conditions attached to Johnson's forfeit. He posted it with all sincerity and announced that he and his manager will be ready to meet the retired and undefeated champion in New York any day after tomorrow to talk over the proposed battle in a businesslike manner. After posting the money Little hurried for a train for Detroit, whither he goes to join Johnson. They will motor from Detroit to Toronto where the big colored man will appear in a boxing exhibition tomorrow night. Then, Little announced, they will be ready to meet Jeffries or his representatives in New York or elsewhere.

"All we ask is that Jeffries appoint a time for meeting us in New York to talk over the match in a sportsmanlike manner," said Little yesterday. "Surely there is nothing unreasonable about that. If Jeffries will do this we can find out just where we stand and get down to business at once. As long as we stand off and talk at long range, miles apart, nothing will come of this argument. We could get each other's ideas for the battle at a joint meeting

and I believe that a match could be fixed up in a hurry.

"But there is one thing which I want thoroughly understood before we go into executive session with Jeffries," continued the colored man's manager. "Jeffries, although once a great fighter, is not the present champion and he doesn't want to carry the idea that he can dictate as if he were champion. Johnson, as champion, should have something to say regarding details for the match."

"Johnson, I'm sure, will ask nothing unreasonable of Jeff," he continued. "The better man in this fight, if arranged, is going to get the big end of the prize, and that is going to be the keynote of our negotiations. Any place will suit Johnson to decide the battle. Johnson is willing to fight in England, America or Australia, but the latter, I think, is out of the question."

Just what action Jeffries will take in giving Johnson a meeting in New York is not known. But it is believed that he will not meet the colored man personally, as he has often said he would have nothing to do with Johnson outside of a ring. Jeff's manager, Sam Berger, however, may consent to give the Johnson party a hearing, but it is hardly probable.

Within a few days Jeffries, accompanied by his wife, will sail for Carlsbad, Germany, where he will drink the waters of the springs. He plans remaining abroad about four weeks. During the time Jeff is in Germany Berger will remain in New York to consider bids for the match. Promoters from all parts of the country are expected to fall over each other in the attempt to land this pugilistic plum.

PULLIAM IS AT REST; HEYDLER TAKES REINS

Secretary of the National League Elected President Yesterday.

Louisville, August 3.—Little more than an hour after Harry C. Pulliam, late president of the National league, lay beneath the green sward of Cave Hill cemetery, in this city, John Heydler of New York, secretary of the league, was chosen president in his place at a special meeting of the directors yesterday.

There was some feeling of which President Charles Murphy of the league team was spokesman, that it was indicative to name Mr. Pulliam's successor at this time, but the league's immediate need of a qualified head was set forth so powerfully that the magnates yielded.

Besides electing Mr. Heydler, who is to fill Mr. Pulliam's unexpired term, the directors concerned themselves only with paying tribute to Mr. Pulliam's memory. They designated the remainder of his salary as president during 1909 to his estate, and they appointed Garry Hermann of Cincinnati, Barney Dreyfuss of Pittsburgh and Mr. Murphy as a committee to select and have erected in Cave Hill a suitable monument to the deceased president. In addition to this, they provided that the players in the National league shall wear crepe for thirty days.

"Squarrest of Men."

The meeting was attended by four of the five league directors—Murphy, Dreyfuss, Ebbets of Brooklyn and John Dovey of Boston. Garry Hermann, the absentee, will reach Cincinnati today from the west.

Though there was no set eulogy prepared by the committee, each magnate spoke of Mr. Pulliam as "the square man in baseball" and one who had wielded a heightening influence over baseball.

As this was a special meeting, it adjourned sine die. Dreyfuss, unable to return to Pittsburgh at once, as he intended, remained with relatives in the suburbs of Louisville over night. Murphy returned to Chicago last night at 8:50 o'clock, and Dreyfuss and Ebbets left also. Manager Fred Clarke of the Pittsburgh team and other members of that club who were here left at 5 o'clock in order to be in Pittsburgh tomorrow.

BLOODY BATTLE AT NEW YORK

New York, August 3.—"Sailor" Burke, the Brooklyn middleweight, battered Fred Lucas of New York into a helpless condition at the Bedford Athletic club in Brooklyn last night.

The affair was too one-sided to be called a contest. Burke had Lucas on the floor when the bell rang at the end of the first round, which was cut five seconds short. Two more knockdowns followed in the second, and Lucas was tottering on the ropes when the referee stopped the bout.

Schlei's declaration of faith came about as the gang were discussing the news from Chicago that the Cubs had hit the Phillies twice in the same place on the same afternoon.

"That is the team that will win the pennant yet," announced the German backstop. "We still have a chance and the Pirates are the logical favorites, but the Cubs will nail the flag. You just wait and see."

"Here is a crowd of ball players who have been together for years, and there has never been a jar in their ranks. None of them have begun to slip back in their work, and they have played together for so long that they can almost get along without signals. Every one of them knows what any of the rest of them will do on pretty nearly any play."

WAGNER MAY BE OUT OF GAME

Doctors Warn "Hans" to Keep Quiet.

Pittsburg, Pa., August 3.—That Hans Wagner, the greatest of living ball players, has not only been injured for the remainder of the season, but that he may never be able to play ball again, is the discouraging news handed out to the "fans" of Pittsburg. Wagner, who limped from the game in the middle of the fourth inning Friday, after two strikes had been called on him, did not appear in the game Saturday, nor will he appear for some time, at least, according to his doctors, although Wagner hopes to be in the lineup today.

Wagner's injury appears to be a

"stretch" in one of the heart muscles, incurred in last Thursday's game, when in the game with Cincinnati, he hurt himself sliding to the home plate. At that time he complained of a pain in the region of his heart, and he went into the game Friday against the advice of Dr. E. C. Berg, the club physician, and of his own physician.

The break, which the physicians had feared, came in the middle of the fourth inning, when the big fellow made his second vicious swing at the ball. His physicians say that this is liable to occur during violent exercise at any time in the future. Wagner has been advised to retire from the game at once and for all time. The gloom in Pittsburg can be felt in chunks.
