### Cures woman's weaknesses.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fyfe, one of the Editorial Staff of The Eclectic Medical Review says of Unicorn root (Helonia Dioica) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a uterine invigorator. It makes for normal activity of the entire reproductive system. He continues: 'In Helonia we have a medicinal which more fully answers the above purposes than any other drug with which I am acquainted. In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent. Dr. Fyfe further says: 'The following are among the leading indications for Helonia (Unicorn root). Pain or aching in the back with leucorrhea; atonic (weak) condition of the reproductive organs of women; mental depression and irritability, associated with chronic diseases of the reproductive organs of women; constant sensation of heat in the region of the kidneys; menorrhagic (flowing) due to a weak condition of the reproductive system; amenorrhea (suppressed or absent monthly period); aching from or accompanying an abnormal condition of the digestive organs and general (thin blood) habit; dragging sensations in the extreme lower part of the abdomen."

If more or less of the above symptoms are present, the investigation will show that the remedy is better than any other. Dr. Fyfe's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonia, and the medicinal properties of which it most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says:

"It is an important remedy in disorders of the womb. In all catarrhal conditions and general enfeeblement, it is useful."

Prof. John M. Souder, M. D., late of Cincinnati, says of Golden Seal root:

"In relation to its general effects on the system, there is no medicine in use to which there is such general unanimity of opinion. It is universally regarded as the tonic useful in all debilitated states."

Prof. R. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal:

"Valuable in uterine hemorrhage, menorrhagia (flowing) and congestive dysmenorrhea (painful menstruation)."

Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

## SKIN DISEASES.

### THEIR CAUSE AND EFFECT.

We not infrequently hear persons afflicted with chronic Eczema, Psoriasis, Salt Rheum, Uiclers, etc., say they have expended from \$100.00 to \$200.00 in doctors' bill and remedies, and invariably the treatment has been external—an ointment or a lotion. No consideration or attention was paid to the blood—the source from which the skin derives nourishment. In answer to the question, "Did you derive any benefit from such treatment?" "Oh, say, it cured the disease for a month or two and then it broke out worse than ever." The reason of this should be readily understood by any intelligent person, and is the difference between cause and effect. Had the disease been attacked in the blood, which is the cause of these skin and blood diseases, these sufferers would have had a different story to tell. Dr. Taylor's Remedy eliminates the poison from the blood—removes the cause—and the effect of this poison readily disappears from the surface of the skin. Guaranteed to cure. Send to our office, 1320 Arch street, Philadelphia, for booklet. Sold by Kaufman & Wolf, Hammond, Ind., and all first class druggists.

William Mentzer keeps a grocery and meat market in Indiana Harbor. To save time in getting orders, Mr. Mentzer uses a bicycle. Yesterday afternoon the wheel was standing in front of the store when Zit came along, and jumping on the wheel rode away.

He passed the house of Evan Lewis, and the latter recognized it as the wheel he had sold to Mentzer. He called up the Mentzer store and found out that the wheel was gone. Jumping on another wheel he followed Chorak through Black Oak and several other places. Not until Whiting was reached was he able to catch up to Chorak, and it was in this city that he met Officer Vacha and ordered Chorak arrested.

When taken to the station Chorak alleged he had bought the wheel from Mentzer. This statement, however, was not a satisfactory one, and he will be given the pleasure of telling the story over again.

They are going to move to another city and they don't want to carry so much furniture with them. They have a standard make piano which cost \$300.00 a year ago. Willing to sacrifice it for \$50.00 spot cash, if bought this week.

Are you able to snap up a bargain like this when you see it? It's a shame to have to let such a money saving opportunity escape you when you want so hard to take advantage of it. You could easily pay the \$50.00 in installments of \$5.00 or \$10.00 a month perhaps, but the other fellow wants the full amount.

Why not get the full amount from us, turn it over to the man who wants to sell, and then pay us at the rate of five or ten dollars a month? Isn't this the sensible thing to do?

Opportunities such as we have mentioned are happening right along, but those who are unable to profit by them on account of not having the ready cash, do not always think of coming to people like us to help them out. And to such persons we want this advertisement to serve as a reminder.

We advance money privately on furniture, pianos, horses, wagons, etc., and the property remains in your possession. You can get the money within a few hours time, sometimes within an hour.

Compare our rates with others. You will find our payments easier, the cost lowest, and our service the best.

Ask about the large rebate if the account is paid before it is due. We give you a statement of your account showing all details.

If you owe another loan company, we will pay them off for you and give you more money at lower rates than you are paying.

There are many other advantages to be had by dealing with the oldest, largest and most reliable company in the Calumet District.

REMEMBER—We are the plain figures and square deal company. Call, write or phone, and our representative will see you.

We make loans anywhere in the Calumet District on a few hours notice.
