SOUTH CHICAGO NEWS

Mr. Will Mack Jr. of South Chicago has left for the west in the interest of the Nevada Mining company and expects to be gone until September.

The Coney Island of Windsor Park, which was thought by the residents to have been condemned by the city officials, again bobbed up. Some promoters last spring attempted to build a Coney Island at Manhattan beach, but were stopped by the aldermen of the Eighth and Seventh wards. Yesterday building was again resumed and all those who were interested in the matter again went to see the local aldermen, who in turn went to see the building commissioner. The Coney Island, which is being built, is said to be no more than a "bunch" of White City grafters.

Louis Frey, the South Chicago real estate man, has started a building boom in Calumet Heights. About half a block of cottages are being erected between Ninety-second and Ninety-first street, on Phillips avenue. The cottages will be ready for occupancy by Oct. 1.

Coroner Hoffman of Chicago, in talking about the serious street car disaster Thursday night, said: "If all the orders had been obeyed the accident in all probability would not have occurred."

Although the clump of bushes alongside the track might have been the cause of it, as the conductor could not see over them. The accident happened at "Death curve" at One Hundred and Fourth street and Indianapolis avenue.

The conductor, O. P. Best, was killed and about fifty-five passengers more or less seriously injured. Motor-man James R. Spriggs is in a serious condition at the South Chicago hospital. He is unconscious, and up to the present time no definite statement has been made about the accident. A relief train was made up on the Pennsylvania and fifty victims of the disaster taken to the St. Bernard's and Englewood Union hospitals.

SPORTING NOTES

THREE TEAMS WILL CONTEST FOR HONORS AT TRAPS

Three teams of trap shooters, representing the three clubs in this county, are contesting this year for the Lake county championship in a series of three contests, one of which has already been held at Poplar Springs, and the other two to be held Aug. 20 and Sept. 6 at Lowell and Hammond, respectively.

The tournament now in progress is the first ever held in the county, and has served to greatly stimulate interest in this recreation. Each of the three gun clubs have entered teams consisting of five of their best men. The team making the highest average in the three team shoots will be champion of the county, and the man making the highest average in the winning team shall have the trophy, designating individual supremacy.

The first contest for the championship was held on July 18 at Poplar Springs, and resulted in Hammond winning. Poplar Springs second and Lowell third. The Lowell enthusiasts have prepared an elaborate program for their day on Aug. 20, and H. O. Burnham, the secretary, has issued a pamphlet containing the program and other facts, which they are sending to all the followers of the sport throughout the county.

On the Lowell day there will be thirteen events, at which each man will shoot at 225 targets. The total entrance fees for these events will be \$22, the highest in any single event being \$2.

The Lowell shoot will be held at 10 a. m. near the place called North Hayden, which is a few miles out of that city and at which the Monon and Indiana Harbor trains stop. Buses will meet the trains, taking the participants and spectators to the grounds.

REDS STILL AFTER KLING

Murphy Tells How Griffith Is on Catcher's Trail.

Cincinnati, Aug. 7.—President Murphy of the club, who blew airily into the city this morning, tipped off Manager Griffith's game.

"He's been after Kling right along to give up Kling," said Murphy. "But there's nothing doing. Last week he went to see Hunk, and since then he has had several long distance conversations with him, but without result. The fact is that we can't afford to let Kling go to any other club. He has taken a stand and so have we, and we owe it to ourselves and to the other players on our team not to recede from our position."

"We're not missing Kling, as this boy Archer is catching the greatest ball I ever saw. He's a wonder, and no mistake. If Kling plays at all under the national agreement it must be with Chicago. That's final."

"While I'm not making any predictions for the club," added Murphy, "I can believe the words of the members of our team, we will win another pennant this year. If one were to call the roll of the club one would find a single player on the roster who has any misgivings about the team breaking all big league records by winning four pennants in succession. Manager Chance advances several reasons for this confidence on the part of himself and his men to fly a quartet of flags."

PINCH JOHNSON FOR SPEEDING

Colored Pug Runs Down Autoist on Way to Chicago.

London, Ont., Aug. 7.—Jack Johnson, the negro pugilist, was arrested here today on a telegram from the chief of police at Woodstock, Ont. ANDERSON GOES DOWN AND OUT

Morrow Is Victor in Round and a Half.

Benton Harbor, Mich., Aug. 7.—Howard Morrow of this city made short work of Mar Anderson, Chicago, in what was to have been a ten-round contest here at Bell opera house. After a round and a half of fighting Anderson went down and out. Three times the Chicago boy hit the mat for the count of nine. Fighting faster and cleverer than ever before, Morrow landed almost at will. In the first round Anderson held his own fairly well. Opening the second Morrow waded in, breaking down Anderson's guard. Kid Fandes whipped Young Gulliver, a local boy, in the semi-windup.
