EAST CHICAGO'S NEW SCHOOL FURNITURE HAS ARRIVED

(Special to THE TIMES.)

East Chicago, Ind., Aug. 7.—Mr. W. H. Jappeson, of the school board, yesterday received notice that the furniture which is to equip the new Washington school building, has arrived. Incidentally with the same consignment has come the remainder of the furniture necessary to completely furnish the offices recently set aside by the city council for the use of the board of education and the superintendent of schools.

The East Chicago board of education and superintendent, by the way, enjoy the distinction of having now the most elegant quarters for use by such a body, not only in Lake county, but in the entire northern portion of the State of Indiana. Heretofore Mr. Canine has had his office in the high school building, and it was there that the records of the school board, and all papers appertaining to that body, were kept, the meetings held and all business relating to this department of the public service, transacted.

The new suite has been partially fitted up with furniture purchased for the use of the city attorney, but which was not needed by him, as he does not maintain his office in the city hall. It includes a fine oak desk, a book-case and chairs, all to match the trim of the offices, and a couple of body Brussels rugs. The main piece in the remainder purchased for the offices con-

sist of a handsome long table, typewriter desk, letter file, etc. The vault is shortly to be fitted up with cases for the filing away of records and other papers which accumulate in hands of the clerk and the superintendent of schools.

The board of education may consider themselves fortunate in securing this fine suite in the city hall, which was originally designed for the use of the mayor. Mayor DeBale did not take kindly to the rooms, because they were on the second floor, and chose instead for his sanctum sanctorum a room adjoining the police department's offices. This left the suite upstairs tenanted and it was owing to the efforts of W. H. Jappeson, that the change in headquarters for the board of education and the superintendents of schools from the high school building to the city hall, was made.

The furniture that has arrived for the fitting up of the Washington school includes besides the teachers' desks, chairs and platform furniture, over five hundred benches and desks for the pupils, each of twelve rooms to contain forty-two of these. The furniture is all of oak, and is nicely finished and of substantial quality and pattern. The entire lot, including the furniture for the board rooms and some additional furnishings for such of the older buildings, as needed them, cost the city the sum of \$1,185.

Two hours was the time scheduled to stay on land at St. Joe. The boat returned at 9 p. m. with a tired and happy crowd.

SPORTING NOTES

PLENTY OF EXCITEMENT IN HAMMOND BASE BALL BATTLE

If the Cubs and Pirates had played on the Hammond Athletic association's grounds yesterday afternoon there could not have been more excitement than there was in connection with the battle between the C. I. & S. Bolleymakers and the Hammond Athletic club, on the latter's grounds. In some way it was a peculiar game from which the Bolleymakers emerged the victors by a score of 5 to 3. If one could figure that the game was lost because of the seven fielding errors, let him bear in mind that Enright's wild throw, the lost grounder by Farrell, the muffed fly by Gelb, and another by Stewart, and Dissoway's bridge act, five of the errors were made in the third, fifth, seventh, eighth and ninth innings and gave no runs. Neither can it be charged to the pitcher, Halfman, who saw his opponents score the home plate five times, while against such luck he held them down to two singles, one of them a scratch.

How the Bolleymakers Won.

It was simply the Bolleymaker's day to win.

Hudson, the catcher for the Bolleymakers, was hit by a pitched ball in the second inning and reached second base on Steinhauer's hit, and was sacrificed to third by Murry, and then came home in S. Gratzwick's hit down the first-base line. Gratzwick blocked Dissoway on first, preventing him from cutting off Hudson at home. Hudson figured in the next run, getting

first on a safe hit, stealing second and advancing to third on a passed ball by the catcher. Then Steinhauer repeated the trick by driving the ball down the first-base line, being put out there by Dissoway. He returned it to the catcher to kill Hudson's run, but the umpire called Hudson safe.

Sixth a Fatal Inning.

Then came the fatal sixth when the Bolleymakers got out of the Hammond team's range of run getting. Two errors figured, the first man up J. Gratzwick got a life on Stewart's fumble of his grounder, then a gift by Halfman out Lazendusky on first. A double steal put the runners on second and third. Hudson then struck a slow one to Enright at third, who made a fast play to Sadler, but the umpire called J. Gratzwick safe at home. Sadler, the catcher seeing Lazendusky was hugging third, threw to first to put out Steinhauer, but the throw was into the crowd, letting J. Lazendusky, who was followed by Hudson. The pitching of Murry, for the Bolleymakers, was good, for while he gave seven base hits, one of them a scratch, he struck out his opponents at dangerous times. Enright and Farrell worked a good double steal in the fifth inning. Gelb's nailing Steinhauer at home on S. Gratzwick's safe hit to left, was a fine play.

The Score:

Bolleymakers 0 0 1 0 1 0 0 0 0 5

H. A. A. 0 0 0 0 2 0 1 0 0 3

led with a single. Seabrook sacrificed, sending him to second. When Harris repeated by doing the same thing Zimmerman took third. It was then that the Standards got a horsehoe thrown at them. McCoy, a Hammond lad who plays with the Valparaiso team, hit to Jones on third, who fell in getting the ball, and Zimmerman trotted home with the winning run. While still on his back Jones made a good throw to first, the ball getting there a trifle too late. The game ended with Jones still on his back. Score:

Hammond 0 0 0 0 1 0 0 0 0 3

Valparaiso 0 0 2 1 0 0 0 0 1 4

The lineup for the Hammond was—Rhode, ss; Jones, 3b; White, 2b; Boyle, 1b; Clabby, rf; Freedmeyer, c; Koehler, lf; Buhring, cf; Walker, p. ss. For Valparaiso—Zimmerman, rf; Seabrook, ss; Harris, 2b; McKay, 3b; Strachan, cf; Selvers, 1b; McCoy, cf; Nuppuan, lf; McCammett, p.

FUQUA GIANTS BEAT TOLLESTON YESTERDAY

The St. Joseph club won a double-header yesterday, winning the morning game by a score of 4 to 3, and the afternoon game by a score of 12 to 4.

The St. Josephs defeated the H. A. A. second team in the morning by a score of 4 to 3. The St. Josephs played ragged ball but managed to nose out by a lonely score. The game was played at the H. A. grounds, and was attended by a small crowd of people.

The St. Josephs easily defeated the Pullman Cardinals in the afternoon by a score of 12 to 4. The feature of the game was Wheeler's pitching, and he was backed up by the best of support.

Hilbrick, the new backstop for the St. Josephs, showed up fine yesterday and caught an excellent game. Schneider and Raplinger, both new players on the team, made good in the field and also with the stick.

The lineup for the morning game—St. Josephs: Winkler, 1b; Engleton, 1b; Wheeler, 3b; Bohling, ss; Raplinger, rf; Hecklema, 2b; Klein, cf; Hilbrick, c; Young, p. H. A. A.: Heller, c; Gelf, p; Hoffman, ss; Baker, 1b; Daugherty, 2b; Portz, 3b; Conway, cf; Gauthier, lf; Borman, rf.

The lineup for the afternoon game—St. Josephs: Winkler, 1b; Engleton, 1b; Wheeler, p; Bohling, 3b; Hecklema, 2b; Raplinger, ss; Klein, cf; Hilbrick, c; Schneider, rf; Pullman Cardinals: Murray, c; Goltz, p; Grissel, 3b; Reynolds, rf; Henry, ss; Ellis, 1b; Fenney, cf; Walde, lf; Ald, 2b.

Rhode Pitches Good Ball.

Walker was bothered with a sore arm again yesterday and the Hammond team, having no other pitcher with them, put Rhode in the box. Rhode had never pitched against a big team before, but he made good yesterday and had the Standards striking at the wind, getting five strikeouts in seven innings and allowing only five hits.

Again in the fourth Valparaiso came back to cause Rhode more trouble. Selvers started the inning by being put out at first. McKay repeated by retreating the same way, but Nuppuan made the circuit on a single. In stealing second Nuppuan got a life, Freedmeyer throwing low which went through White, but Buhring backed him up and helped things along for Valparaiso by making a wild throw to third, on which Nuppuan took home.

Walker Starts It.

In the fifth Walker got his second single off McCammett, and after making McCammett wear his arm out trying to get him on first, he laughed at Rhode, the latter fanning. Jones Walked and White singled, filling the bases. Boyle then hit to third while Walker stood there gazing at the ball and was forced at home, the bases were still full when Clabby singled, scoring Jones, and White was caught at the plate.

After the fifth inning both pitchers pitched good ball up to Valparaiso's half of the ninth, when the latter scored the winning run. Zimmerman

COLUMBIA LEAGUE

WINS EASY VICTORY

St. John Team Taken Down the Pike by Hammond Athletes.

The Columbia League of Hammond won an easy victory over St. John yesterday afternoon, at the latter's home grounds, by a score of 6 to 1. Horst pitched good ball for the visitors and held them in check throughout the game. It was a slugging match from start to finish. Stewart, who pitched for St. John, was clouted hard and nearly all the hits counted runs.

Pierston Gets Honors.

Although every one was hitting on the visitors' team, Pierston won the individual honors and clouted Stewart for two two-baggers, a home run and one single. Pierston is the heaviest hitter on the team and can always be depended upon when a man is one base. He has broke up more than one game this season when it looked hopeless for the league, and he was there yesterday like a duck. This is two out of three the league has taken from St. John, all games being played at the latter's grounds.

The lineup for the Columbia League were: Betz, c; Jones, 3b; Pierston, 2b; Scherer, lf; Dunn, 1b; Humpher, cf; Carlan, rf; Buhring, ss; Horst, p. St. John—Mahoney, lf; Gallagher, ss; Tabbar, c; Connor, 1b; Thome, 2b; Ernst, 3b; Ballard, cf; Harriman, rf; Stewart, p.

The Old Styles of West Hammond were downed in a fast ten-inning game yesterday afternoon at Riverdale by the latter's team by a score of 9 to 5. The game stood 5 to 6 in the fifth inning in favor of the Old Styles, but Bilsmeier went up in the air and Riverdale netted five runs in the next four innings and score stood 5 to 5 in the ninth.

In the tenth Riverdale scored the winning run. The Old Styles were unable to hit the Riverdale pitcher after the fifth inning, the latter pitching good ball.

BORG'S COLTS DEFEATED ONCE AGAIN

The Kamradt Colts of West Hammond defeated the Borg Cubs yesterday afternoon at the West Hammond grounds by a score of 12 to 4. East-ridge pitched a good game for the Colts, but his support was ragged at times. The Cubs hit the ball, but were unable to get in through the infield. The Colts gave Pears good support, the infield working like a clock. Flowers made the best hit of the day, getting a three bagger. Kaszak of the Colts also did some fine slugging, getting four hits out of four times to bat. The Kamradt Colts are playing good ball this season and have won twelve out of fourteen games played. Batteries for the Borg Cubs were Eastridge and Jergens, and for Kamradt Colts, Pears and Bully.

MARTY AND AD IN SLUG FEST

Boxers Indulge in Fierce Contest at Amusement Park.

Forest Park's boxing bout yesterday between Martie Kane of Hegewisch and Ad Wolgast, "the conqueror of Battling Nelson," was not like the first of the series of Sunday sporting exhibitions a week ago, which was duly censored and approved by Deputy Sheriff Thomas V. Morrison.

The deputy sheriff did not stand at the ringside and the lack of his presence seemed to affect the force of the blows that were struck by the two pugilists.

Wolgast went against the ropes twice from the quick rushes of his sparring partner and Kane was knocked against the ropes once. Kane was wobbling on his feet when time was called at the end of the last round.

MOTORCYCLISTS AT INDIANAPOLIS

There are 250 entrants in this event.

Thursday will be occupied by business meetings. Speed contests in wide variety are to be held on Friday and Saturday at the new motor speedway. Hundreds of motorcyclists, it is expected, will attend the convention. Amateur and professional riders and domestic and foreign motorcycles are entered in the speed trials.

TIGERS BEAT SCRANTON, 13 to 11

Scranton, Pa., Aug. 8.—In an exhibition game that resolved itself into a batting engagement, due to the encroachment of the crowd on the base lines, the Detroit Americans defeated the Scranton State league team here yesterday, 13 to 11. "Ty" Cobb occupied the pitcher's box for four innings, and his experiment came near costing his team a defeat. Manager Jennings held down first base for two innings.

It is not the ordinary case of swelled head on Purcell's part but the result of a collision with a fast ball pitched by Flene some three weeks ago that caused the enlargement of Billy's head. Billy is no good to the team as he is no wand may not be good for the remainder of the season as he is afraid of the ball while at bat and pulls away from the plate. The doctor has advised him to go to some quiet place and rest until he is all over the effects of the blow, but even then he will be weak at the bat.
