

EAST CHICAGO AND INDIANA HARBOR

EAST CHICAGO.

F. M. Beach of the firm of Veeco & Beach left this morning with his father on an automobile trip to Clinton, Mich. The trip is quite an extensive one, representing 200 miles' travel each way.

Mrs. Sidney Veeco has returned from a few days' visit in Edgewater.

Many tickets are being sold for the lecture and entertainment course, to be given under the auspices of the Methodist church Ladies' Social Union, the first of which series is to be given Monday night, when Barclay, the cartoonist, will be heard in an interesting discourse, fully illustrated with drawings and clay modeling.

INDIANA HARBOR.

Mrs. E. V. Walton entertained last night for Dr. Barnes and Miss West of Chicago.

Matt Sternberg left last night for Aberdeen, S. D., to register for the land drawing, which will be held Oct. 26. The time allotted for registration is from the 4th to the 23rd of this month.

The Modern Woodmen, Harbor camp, No. 11556, held a meeting at which ten men were candidates for admission. The Hammond team did the work, and in addition to the team, there was present a large delegation from Hammond. A smoker followed the work. Hereafter the Woodmen will hold all of their meetings in the Auditorium lodge rooms the first Monday of each month. All visiting members, as well as all of the members of the local camp, are welcome.

Another of those delightful subscription dances, which takes place occasionally at the South Bay hotel, is scheduled for Halloween night, at the South Bay hotel. William Jewell and other guests of the hotel are promoting the event.

Valparaiso was here yesterday, overseeing the work on Borman boulevard. Henry Keilman and family, formerly of this city, has moved to Gary, and will make that their future residence. His sons work in the steel mills, and this will make it nearer to their work.

MUNSTER.

Miss Etta Henderson visited at the home of Mr. and Mrs. J. Kraay last evening.

Miss Minnie Kaske was a visitor in Hammond last evening.

Charles Stalholm went to Dyer on business yesterday.

Misses Jennie and Alice Tompkins of Litchfield, Minn., are visiting friends here for a few weeks.

Mr. and Mrs. Fred Behn of Clark spent the day on business at South Chicago.

Carl Brown of Clark, who has been sick for the past few weeks, is now up and around. This is the second time he was laid up. We all hope he will not meet with the terrible experience again.

STIEGLITZ PARK.

N. P. Banks of Hobart was here on business yesterday.

Mrs. Henry Gordon of Lowell is visiting here today.

Mrs. John Wilson of East Side was visiting Monday.

Mr. and Mrs. Fred Hammond were here on business last night.

Dick Carroll of the Akron, O., team and star pitcher of the O. and P. league, will be a New York Highlander kilt next season.

Early in the season owner Murphy said that his Chicago Cubs would win the pennant without the services of Johnny Kling. We don't know anything about it. We only repeat what he said at that time.

AS WE FEEL

When somebody says a "Hand-me-down" suit is as good as one made by expert tailors to your individual measurement.

How is it possible for a suit that has been made to the measurements of a model and then manufactured by thousands, to fit your figure? And, also, hold its shape?

A garment must be cut to the figure—not pressed and drawn from its original shape to fit the figure.

A tailor-made suit will last twice as long, look far superior and hold its shape until the last.

It's the cheapest in the end.

SPORTING NOTES

SCALPER PROMISES CUB-SOX TICKETS

Despite Efforts of Management Brokers Promise to Have Pastebords.

Despite the efforts of the club officials an disreputable Ernest Bernard to keep the cub-sox tickets out of the hands of scalpers there seems to be a general opinion that the latter will secure them in sufficiently large quantities. As no tickets were given out last night there were none to be secured around the city, but the tip of "come around tomorrow" was handed out at most of the places.

A reporter visited all of the hotels in the downtown district last night and at only two places was he informed that no tickets could be secured there. These two places were at the Palmer House and the Brevoort. At the Auditorium Annex he was informed that if he left his name one would be reserved for him today. He was referred to the stand at the Auditorium.

Same replies were given at the new La Salle, the Wellington and the Stratford. "Nothing definite today, but come around tomorrow," was the tip. It was evident that all of these places had hopes and that they would secure tickets. In the meantime the Sox and Cub officials are attempting to keep large numbers out of the hands of one person, except where he is well known and can furnish lists of the men to whom the tickets will go.

Smith may lead off White Sox Strong Man to Oppose Overall in Opener of City Series.

Paderewski Smith may carry the hopes of the south sliders tomorrow in the initial skirmish of the Sox and Sox feud at Murphy's park. Whether the Pittsburgh strong man starts the battle depends entirely upon Chance's selection of pitchers. Sullivan, pitcher of the Sox, declines to announce his choice. Overall seems the logical candidate to fling "em over for the Sox and if the pious Californian draws the task it's a pipe Smith will be his opponent.

Visions of a smashing encounter introducing Brown and Walsh faded yesterday when fans into a "know" learned of Chance's plan to pit the three-fingered phenom against the white shine Sunday in the second fracas on the west side. On both sides of Chicago there's a crying demand among the rooters for a peek at Brown and Walsh in action on the same fields. Both managers are eager to accommodate the folks who make baseball what it is and to a squirrel on the ground it now seems almost certain the pair will go to it Sunday.

MOLL LAID UP.

Wisconsin Star Quarter Is Out of Game.

Madison, Wis., Oct. 7.—Various stories why "Kreckle" Moll, Wisconsin's star quarter back, is not out in uniform, have been circulated during the last few days but Coach Barry and Moll today made known the truth. The other day Moll was sent to the gymnasium early. There was no one there to rub him down and he contracted a severe cold and rheumatism settled in his right leg. He has lost five pounds in weight and Coach Barry fears that he may be out of the game for some time. Today's workout consisted of preliminary work and signal practice. Anderson will take Moll's place at quarter back in the early season games.

HOLMES SELL CLUB.

Disposes of the Sioux City Team.

Sioux City, Iowa, Oct. 7.—William "Duckey" Holmes, after a most successful career as player and manager, has sold out his interests in the Sioux City Western league baseball team and will retire from the national game to become a ranchman in South Dakota. Holmes admits that during four years in the Western league he has made nearly \$40,000. He has a big ranch in Dakota comprising about 1,200 acres, which he is stocking with cattle, and he declares he is through with baseball for the present.

Holmes' stock in the local franchise was bought by Fred L. Hutchins, manager of the Curtis Ash and Door company, who has been slightly interested in the club for several seasons. "Babe" Towne, catcher; Lew Drill, and George Andrus are suggested as possible successors to Holmes as manager.

ALL NATIONAL TEAM FORMED

Organization Completed for Barnstorming Trip.

New York, Oct. 7.—Frank C. Bancroft, who is to act as business manager for a baseball team that will play exhibition games with the Philadelphia Americans on a tour extending from New York to San Francisco, announced today the make-up of his combination, which will be known as the All-Nationals. His pitchers are Johnson of Washington, Marquard of the New York Nationals, Curtis of the Boston Nationals and Moore of the Philadelphia Nationals; catchers, Meyers of New York and Biles of St. Louis; infielders, Knetsch of St. Louis Nationals, Doyle of New York Nationals, Lennox of Brooklyn and Egan of Cincinnati; outfielders, Bescher of Cincinnati, Hummel of Brooklyn and Ellis of St. Louis Nationals. Snodgrass of the New York Nationals will make the trip as substitute catcher and infielder. The first game will be played in Chicago Oct. 12.

DAVE BARRY NOW MEMPHIS REFEREE

Memphis, Tenn., Oct. 7.—Dave Barry has been named to succeed Yank Kenney as referee in local boxing carnivals. Several old-time fighters applied for the job.

CUBS CLOSE SEASON WITH DOUBLE VICTORY

Regulars Blank Cardinals in Opener, While Subs Land Second.

St. Louis, Oct. 7.—Raking the cardinals fore and aft, Chance's three-time champions of the National league yesterday surrendered their title, spanglers and all, winning 3 to 6 and 5 to 1, in the bargain will close closed the 1909 season. Recruit Cole smeared on the caldine in the curtain raiser, while Rudy Schwenk, assisted by Relbach, paved the way to victory in the second. By corraling the doubleheader the dying monarchs clinched a total of 104 triumphs and 49 reverses for the year.

Now that the whole brain-racking struggle is over there's nothing but happiness in the cub ranks. Under ordinary circumstances the final percentage, .608, would have landed the league honors. The ex-champs maintained a bruising pace throughout the race, but Pittsburgh went a lap faster. The final statistics show Chance's combination forty-four points atern the smoketown heroes, a vastly different situation from that of 1908.

WIGGLESWORTH IS A SENSATION

Harvard Quarter Back in Great Form.

Cambridge, Mass., Oct. 7.—Wigglesworth, the little quarter back of the 1912 foot ball team, was the sensation of yesterday's practice of the Harvard squad. Replacing O'Flaherty after the varsity had scored once against the second eleven in the scrimmage, he drove the first team into three touchdowns in quick succession, even after the substitutes had replaced several of the regulars. One of the touchdowns he scored himself by running back a punt from the middle of the field, going through the whole second team. The three injured back field men, Corbett, P. Smith and Frothingham, were on the field again today, and were given light work. Their injuries are not bad, and they will be able to play Saturday against Williams.

HOOSIERS WORK BY LAMPLIGHT

Indiana Practices Until After Dark.

Bloomington, Ind., Oct. 7.—With only one more day in which to practice before taking his team to Chicago to meet Stagg's eleven, Coach Sheldon gave his men the hardest workout this afternoon and tonight that they have ever had. The field was fitted with electric lights and beginning early the work was continued until after it had become dark.

That Sheldon believes his men can win from the maroons is now the talk around the athletic field. From his mass of trick plays he thinks he ought to put a touchdown or two across, and he depends on hand Gill's toe for other scores. Gill is touted to be one of the best drop kickers in the country.

Berard, who has been suffering with a broken nose, will be able to play Saturday and there is no other man laid up. Gill, who has been off duty with a "charley horse," was in the practice strong today and showed no weakness. Every other man on the varsity is in first-class condition.

REDUCES STORY.

Bartelme Riddles Report of Football Combine.

Ann Arbor, Mich., Oct. 7.—"Yes, I have read the reported alliance, but it is too ridiculous and remote to warrant serious discussion," was the way in which Director of Athletics Philip G. Bartelme summed up the story regarding the possibility of an alliance composed of Michigan, Minnesota, Wisconsin, Illinois, Pennsylvania, Syracuse and Cornell, formed for the purpose of bucking Chicago.

"Has the matter been considered by you or by the board of control of athletics?" he was asked.

"Never," was his emphatic reply. "I am quoted as saying the plans have been laid before me, but this is absolutely untrue, for I have never said anything of the kind. I have heard nothing from the other institutions mentioned, nor have we broached the subject to any of them."

Trainer Fitzpatrick and Yost were emphatic in denying the rumor. On the face of things any such combination is out of the question. Illinois, Minnesota and Wisconsin are in no position to suffer athletic suicide by cutting off Chicago, and that is what it would amount to for them.

Urbana, Ill., Oct. 7.—Talk of a new athletic combination is regarded as a joke at Illinois. Director George Huff only laughed when questioned. It is regarded as idle to suppose that Illinois would join a coalition against their natural rivals, the maroons.

CLOSE CALL FOR THE TIGERS

Princeton, N. J., Oct. 7.—The Villa Nova eleven made the Tigers work yesterday afternoon but were trimmed by the score of 12 to 0. The play for the first few minutes was in Princeton territory. This the Villa Nova lads were able to do by a forward pass and by recovering a short punt. Then followed penalties, and Captain Siegling was ordered out of the game for alleged rough play. The two teams sawed back and forth until McCrehan tore off a long run through a broken field for a touchdown. The first half ended soon afterward. In the second half the Tigers had things pretty much their own way. Twice they carried the ball to the Villa Nova goal post only to lose it. Cunningham scored twice by drop kicks. Just after the last score the Pennsylvania boys blocked a kick under the Tiger goal, but Christie recovered. This was the only time the Tigers' goal was in real danger. While the varsity was eating up Villa Nova the youngsters were trimming Lawrenceville to the tune of 6 to 0.

REGGY SIGNS WITH SOX

Reggy Richter, the young star who has been pitching himself into local fame the last few weeks on the local semi-pro circuit, joined the white Sox yesterday afternoon when President Charles A. Comiskey of the local American league ball club signed him to a contract. Reggy attached his signature to a Louisville contract a couple of weeks ago, but as the youngster is only 19 years of age the contract proved void. "Commy" had Reggy's father sign with him yesterday and the contract will determine the youngster's baseball future.

JEFF SAILS SATURDAY

London, Oct. 7.—James J. Jeffries will sail for America Saturday on the steamship Lusitania. He arrived here today and declared he was greatly improved by his trip through Europe. Jeffries was given a royal reception by the sporting public of London. He was escorted from the station to his hotel by a large delegation and was entertained by the followers of boxing throughout the day.

SENATOR WOULD ORGANIZE LEAGUE

Lafayette, Ind., Oct. 7.—Senator Robert E. Proctor of Elkhart, champion of Sunday ball in the last session of the Indiana legislature, has taken the initiative in a movement to organize a northern Indiana baseball league for the season of 1910. It is proposed to have the circuit embrace Elkhart, Goshen, Mishawaka, Laporte, Michigan City, Valparaiso, Gary and Hammond.
