WITH THE SPORTS JOHNSON REACHES N. YORK

New York, June 11.—It sho, were a great day, chile. An' de best part of it was dat de coons all carried safety razors.

Jack Johnson came back from Elba today. If you don't believe it ask the elevator boy or the cook. Chances are they were drops in the black tidal wave that swirled and eddied about Grand Central station for six hours today until its idol, the one and only Jack-spot stood framed in the doorway of the Twentieth Century Limited grinning a grin as broad as a watermelon.

There are some who had the temerity to state that the reception exceeded that given to her three weeks ago. The reason is obvious. Most of the 10,000 in the throng had stored away on their person a goodly portion of the coin of the realm which they won, when the black Goliath hammered the "pride of the white race" into unconsciousness and oblivion in the city of easy divorces.

It was like scanning the city directory from the southern boundaries of Hell's Kitchen to the furthestmost reaches of San Juan Hill to give a list of "those present" at the grand reception. Also there were 200 "bills" under command of Captain Lanty. These latter were eminently necessary principally to prevent over enthusiasts from hurrying down in Johnson's path. It is accounted an honor in San Juan to be walked upon by a champion.

LITTLE TO SUE NEGRO

Deposed Manager Wants One-Fourth of Johnson's Earnings.

George Little, deposed manager of Jack Johnson, took preliminary steps yesterday to recover one-fourth of the \$125,000, which is said to be the total amount of Johnson's earnings in his fight with Jeffries at Reno. This amount is due because Johnson broke a contract for no valid reason, declares Little.

After consulting with his attorney, Adolph Marks, who advised a suit, Little ordered whatever steps were necessary to have the case heard in the Circuit court of the United States.

Little admitted that he had received \$30,500 in settlement, but said he was going to resort to every means to obtain his slice of Johnson's earnings. The erstwhile manager intends to leave for New York today, not to see Johnson but to collect some money which he says he wagered on Johnson.

YANKEE BATTING BEATS WHITE SOX

Olmstead Annoyed by 14 Hits and Total of 21 Bases in Six Rounds.

New York, July 11.—Tremendous hitting by the Yankees enabled them to win this afternoon's game from the Sox, 8 to 4. Fred Olmstead's pitching was about as hard to solve as a missing letter puzzle in the Fireside Companion. Omy was in there for six rounds, during which the Highlanders procured fourteen base hits for a total of twenty-one bases.

Harold Chase was back in the pasture after a brief rest and practically busted up the game in the first inning, when he sent a homer out to right center with a man on base. Harold continued to hit the ball with great force and effectiveness and had four slaps to his credit when the afternoon was over.

CUBS HOLD FORT; REPULSE GIANTS

Onslaught of McGraw's Forces Fails to Dislodge West Siders.

Just as they have done so often before in the last half decade, when everybody else thought they were on the run, "Frank Chance's Celebrated Chicago Champion Cubs" rallied gamely in the last ditch yesterday, with the same old unbeaten spirit and repulsed successfully the confident onset of the frothing Giants, thereby putting it beyond the realm of possibility for New York to knock us out of the lead in this series. The score was 4 to 2.

and will be. Both teams extended themselves to the limit in attack and defense and no point which could be turned to advantage was overlooked. But from the second inning, when Frank Chance led an onset so fierce and determined that the Giant defense broke at a crucial instant, giving the Cubs the jump, there never was any doubt of the result.

6 TENNIS CHAMPIONS SURVIVE 2ND ROUND

All But Two Matches in the Singles Are Completed; Peters Starts Today.

Six champion tennis players, ranking from state to club title holders, survived the second round in men's singles yesterday in the state tournament courts. Two of these top-notchers will meet this afternoon in the third round, Alexander Squair, the intercollegiate champion, meeting Paul Gardner, the western intercollegiate title holder.

All but two matches in the first round of singles were completed and six remain in the second round for decision. O. S. Peters, runner up of last year, who has been competing in the Central States tournament at St. Louis, will start play today, meeting R. J. Preston. The other match in the first round is between R. C. Harris and J. C. Neely, Jr., who is expected from New York.

Owing to the absence of several

players three matches remain to be played in the first round of men's doubles. Nine were settled yesterday, six going by default. Two contests were played in the second round.

PICKS THE CUBS AS WINNERS

Detroit, Mich., July 11.—Garry Herrman picks the Tigers and Cubs as the pennant winners this year. He stopped talking of the Elks' affairs long enough today to express a little baseball dope. "Count on the finishing powers of the Tigers to get them up in front again," said Garry. "Detroit is doing as well as can be expected at this stage of the game; in the National League I think the Cubs will win the flag this year. Chance's men looks best to me. The Giants may be contenders this year, but Pittsburg is almost an outsider.

MANILA BARS FIGHT FILMS

Manila, July 11.—In fear of the effect they might have upon the Filipinos, the municipal board of Manila has resolved to prohibit the exhibition of the Johnson-Jeffries fight pictures.

NEW YORK PICTURE MEN GOING TO WAIT

New York, July 11.—Motion picture men who own the films of the Jeffries-Johnson fight are going to take their time deciding the course of action they will pursue regarding the exhibition of pictures here.

Following a meeting of the representatives of the different film producing companies today, it was announced that nothing definite had been decided as to the exhibition of the pictures here, and

no time set for the first presentation.

It was stated the films probably would be given to the board of censors to pass upon. The board is composed of representatives of various organizations and sits as censor of the motion picture films for the city.

MOLL GOES TO DUBUQUE TEAM

Harry Moll of Hammond today started back for Dubuque, Iowa, where he has again signed up with the Dubuque team of the Three "I" League and will finish the season with the latter nine. Moll came to Hammond about two months ago and since then has been playing with the Smith All Stars. He was formerly a member of the Iowa team but was forced to return to his home owing to an injury received to his leg which put him out of the game.

TOMMY GARY GETS MATCH

Tommy Gary, the Chicago Heights featherweight, was yesterday matched to fight Tommy Bresnahan ten rounds before the Royal A. C. of Omaha, Neb., July 20. He has fought Bresnahan four times.

ROCK ISLAND BUYS SNYDER

Bloomington, Ill., July 11.—Roy Snyder, for six years the star shortstop with Bloomington, was today sold at his own request to Rock Island. Second Baseman Staten will succeed him at short.

Cook in Comfort

You no longer need wear yourself out with the weakening heat of an intensely hot kitchen. You can cook in comfort.

Here is a stove that gives no outside heat. All its heat is concentrated at the burners. An intense blue flame (hotter than either white or red) is thrown upwards but not around. All the heat is utilized in cooking—none in outside heating.

New Perfection Oil Cook-stove

entirely removes the discomfort of cooking. Apply a match and immediately the stove is ready. Instantly an intense heat is projected upwards against the pot, pan, kettle or boiler, and yet there is no surrounding heat—no smell—no smoke.

Why? Because The New Perfection Oil Cook-Stove is scientifically and practically perfect. You cannot use too much wick—it is automatically controlled. You get the maximum heat—no smoke. The burner is simple. One wick with a cloth cleans it—consequently there is no smell.

The New Perfection Oil Cook-Stove is wonderful for year-round use, but especially in summer. Its heat operates upward to pan, pot, or kettle, but not beyond or around. It is useless for heating a room.

It has a Cabinet Top with shelf for keeping plates and food hot. It has long turquoise-blue enamel chimneys. The nickel finish, with the bright blue of the chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.
