SCENES OF BIG RING GO
THREATEN N. Y. SPORT;
CITY HAS BOXING FEVER

New York, Sept. 1.—The reports of rowdiness, betting and overcrowding at the Madison Square Garden fight Wednesday night, the first event held under the new Fawley boxing law, caused much speculation today both among sporting men and the more conservative element as to the future of the game in New York.

The consensus of opinion was that if all the specifications of the law with regard to gambling and disorder are not strictly obeyed, the so-called law, in legal form, will be doomed to an early death.

Cannon W. S. Chase of Brooklyn, whose efforts were largely responsible for the abolishment of race track betting, said he was willing to give the prize fight promoters a chance to demonstrate whether or not they could conduct boxing on a clean basis and not overstep the law.

The reformer asserted, however, it was yet to be shown that boxing contests could be given for money-making purposes without destroying the wholesome features attributed to ordinary boxing without increasing a spirit of rowdiness and brutality among men and boys who witness the exhibitions.

That the prize fight fever, kindled by the Fawley law, is sweeping New York City like a prairie fire is shown by an announcement from the state athletic commission that licenses have been granted to seven new clubs organized to hold prize fights in various parts of Greater New York.

Senator Fawley, who fathered the law at Albany, said today that he attended the Madison Square Garden event and saw nothing he considered offensive to persons who can appreciate manly sport. He denied that he was responsible for the one woman who was admitted to the arena being ejected.

On the other hand, Senator Fawley said he saw no reason why women should not attend contests as conducted under the new law and seriously expressed the opinion that in these days of suffragism there are many women both anxious and competent to take more than a passive interest in boxing.

CHAMPION GOTCH
DUE TODAY; BEARS
CHIP ON SHOULDER

Humboldt, Ia., Sept. 1.—Frank Gotch left for Chicago in a special car attached to the Northwestern flier at 9 o'clock last night. He was accompanied by Mrs. Gotch, his trainers and a large number of friends and followers. He arrived in Chicago this morning.

Gotch will submit to no rules formulated specially for the coming match. He so informed Referee Ed W. Smith at his camp yesterday afternoon. Gotch said the old rules would be insisted upon, particularly that which makes hanging on the ropes a foul. The champion declared that in the last match Hackenschmidt resorted to that practice.

PENNSYLVANIA
SEEKS BOXING LAW

Pittsburgh, Pa., Sept. 1.—Pennsylvania sportsmen hope to have a boxing commission law patterned after that now in force in New York passed at the next session of the state legislature. The movement has been launched in Pittsburgh and already a sponsor for the measure has been secured by hundreds of sporting men, who feel that fight fans should be protected. Representative C. J. McInerney of Pittsburgh will introduce the bill and within a few weeks.

DIAMOND STARS
SOUGHT FOR BIG
FIELD DAY HERE

Entries for the baseball field day, to be held at Comiskey Park two weeks from tomorrow, will be secured today. It is expected, when a representative of the Chicago Bowling Tournament Company will attend the gathering of the magnates of the national game at Cincinnati.

Chairman A. H. Tearney, yesterday decided to send down a personal representative to get in the entries from the big clubs and he wired "Garry" Herrman to look out for the Chicago man. The events which will be run off on September 10 are the run to first base, circling the bases, fango hitting, long distance throwing and accurate throwing.

Among the players it is hoped to secure are Ty Cobb, Mullin, Schmidt, Rescher, Bates, McLean, Lobert, Beck, Becker, Mathewson, Simon, McCarthy and Bliss.

BASEBALL EDICT
MAY END IN WAR

Cincinnati, O., Sept. 1.—Whether or not the American association will withdraw from the national agreement and declare war on the major leagues is now up to the members of that organization, the national commission having denied all demands at a meeting yesterday. The commission gave the American association until Sept. 10 to answer whether it will operate under the national agreement.

At the same time the commission made it plain that if the association decides to withdraw from the national agreement organized baseball would continue to flourish in the eight cities of the association.

When President Chivington of the American association learned of the decision of the commission he would not say what action his organization would take.

CHICAGO PRINTERS
NEAR CHAMPIONSHIP

St. Louis, Mo., Sept. 1.—Chicago and Cincinnati won yesterday's battles of the Union Printers' Baseball League. The Windy City boys overwhelped St. Louis, 13 to 4, while the Ohio team easily trimmed Denver, 11 to 8. Today's winners and New York will battle for the championship. Today Chicago meets New York, and the winner of this battle will fight it out with Cincinnati Saturday for the pennant.

St. Louis never had a chance with Chicago after the first inning, in which four Chicagoans scored. The visitors kept adding to their total as the game progressed, while St. Louis was unable to score until the eighth, when two errors and a hit allowed the Mound City boys to cross the plate twice. Two more runs were made by the losers in the ninth on three errors and two hits.

LAPORTE RESULTS.

Laporte, Ind., Sept. 1.—Twenty-five thousand people attended yesterday's races at the county fair. The finishes were exciting, but no phenomenal time was made. The best card of the meet is scheduled for today, when the Manufacturers' stake and two pacing races will be handled, there being twenty-four entries in one event. Summaries: 2:17 trot, purse \$400.—Won by Diamond Mac; Lady Atlantic, second; Dorothy, third; Nellie Robertson, fourth. Time: 2:20 3/4, 2:19 3/4, 2:17 3/4, 2:18 3/4. 2:35 trot, purse \$400.—Won by Peggy from Paris; Jesse Heart, second; Viola J., third; Maxine, fourth. Time: 2:26 3/4, 2:24 3/4, 2:23 3/4, 2:24 3/4.

In addition there were a farmer's race, novelty race and mule races.

COBB GUILTY
OF SPEEDING

Detroit, Sept. 1.—Tyrus Raymond Cobb, ball player extraordinary, was found guilty of speeding his automobile when arraigned before Justice Randolph today. Sentence was suspended. The officer who arrested the Georgian swore that he was running his automobile at the rate of twenty-four miles an hour. Fifteen miles an hour is the limit prescribed by law.

BREAKS WORLD'S
MOTOR RECORD

Terre Haute, Ind., Sept. 1.—Charles Herman, of Terre Haute, riding an Indian in the Terre Haute Motorcycle club's one hundred mile race at the Vigo county fair grounds the other day, broke the world's motorcycle record for the event and won the non-stop spiral prize. Herman's time was 2 hours, 13 minutes and 35 1/2 seconds. Erwin G. Baker, Indianapolis, was second, and Ernest Troutman of Terre Haute third. L. S. Taylor of Columbus, Ohio, on an Embell, made the fastest lap in 35 2/5 seconds.

PACKEY LABORS HARD
TO TAKE OFF WEIGHT

Packey McFarland won't tell what he weighs, but he is working as if he weighed a ton. With his fight with Champion Ad Wolfast at Milwaukee still three weeks away, the yards crack went through a stiff workout yesterday, and toiled as if the battle day was much nearer than it is.

McFarland performed before a big crowd at O'Connell's gymnasium in State street. He spent fifteen minutes of diligent effort shadow boxing, jumping the rope and working the pulleys before donning the gloves. Then he climbed into the ring for eight two-minute rounds of milling.

Packey first took on Charlie White, who is about the best featherweight in these parts and an exceptionally clever lad. They went three lightning fast rounds.

After White Packey took on Chuck Larson, a tough lightweight with a Battling Nelson style. He danced around Larson and cuffed him in good shape.

Danny Goodman was Packey's third and last foe. They went two wild and woolly rounds, Danny slugging as best he could every second of the time, though McFarland had little difficulty in dodging his swings.

Chicago's fighting pride finished in good shape and perspiring freely and undoubtedly got rid of some of that extra poundage during his busy moments in the gym.

The same course of procedure will be followed today with perhaps a bit of road work thrown in. Manager Thiry is watching his charge carefully. He proposes to have Packey take off weight gradually so that he will be as strong as ever in his life when he hops on the scales at 133 pounds or under at 3 o'clock the afternoon of Sept. 15.

FOOTBALL FOR
HAMMOND A. A.

The Hammond Athletic association is anticipating upon a fast eleven to represent Hammond this fall, as from the applications received, the lineup will be very strong. We therefore request that all parties wishing to play would kindly report to the football committee, which consists of Messrs. Hunter, Newell and Parker.

RIVERS A 1 TO
2 FAVORITE

Los Angeles, Cal., Sept. 1.—Mexican Joe Rivers, the best boxer developed in California in recent years, will in all probability enter the ring heavily played at 2 to 1 over Johnny Kilbane of Cleveland when the featherweights meet in their scheduled twenty round affair before the Pacific Athletic club at Vernon next Monday afternoon. Rivers' supporters have been offering 10 to 7 1/2 on Joe, but these figures have failed to tease Kilbane's followers into action. In their previous engagement Kilbane not only boxed into the twentieth round, but saved himself for the final spurt and had this last round all in his favor.

POSTPONE PAL
MOORE BATTLE

New York, Sept. 1.—The ten round boxing bout scheduled for last night between Pal Moore of Philadelphia and Tommy Murphy of New York before the National Sporting club was postponed for one week. The management announced that, owing to the rain and to the Brown-Wells fight, which drew so heavily, there was not enough money in sight for the principals. The fight will be held next Thursday night.

DE ROSIER AFTER
MOTOR RECORD

After watching the motorcycle speed battles at the Riverside motordrome for three weeks, World's Champion "Jake" De Rosier has announced he was ready with a machine fast enough to protect his title, and that he would participate in all the open professional races at the local course tomorrow night. The feature event has been named the "De Rosier Sweepstakes" in his honor. Hasha, Mitchell, Burke and Walters will be the hard ones to beat, according to Jake. De Rosier also will attempt to break the one-mile record, which he established in England, and which was later broken, unofficially, by Walters on the local motordrome.
