Happenings of a Day in Lake County's Lively Capital

SHUCKS

From the Diary of St. Lence

If I had seen that shufflin' a deck all night an' shufflin' fer next day it's shufflin' else agin.

Th' devil ain't allus ez black ez he's painted. Know from pursonel 'experience' that sumtimes he feels purty blue.

Manager Keiser of the Northern Indiana league has received word from Buck Verner of the Gary team saying that Jerry Novak will do the twirling for them next Sunday in their game here. Novak is accounted one of the best pitchers in the league and has always been successful in holding

Crown Point down to a few runs. He has been sick for some time with blood poisoning, but has recovered sufficiently to be in fine shape for next Sunday's game. A good attendance is desired and the team should receive the best support on their excellent showing made in the first season of the Northern Indiana league.

So far up to date no agreement has been reached between the two telephone companies operating here that will lead toward a solution of the telephone tangle in the city of Crown Point, and it begins to look as if the Northwestern company was "up against it" as far as their line is concerned in establishing a business in Crown Point. Their central office has been put practically out of business and it is to be hoped that matters can be arranged and the situation cleared so that both companies may be able to work on a basis with advantage to both concerns and still not mar the appearance of the city with additional poles and wires.

J. Frank Meeker is recovering from quite a severe sick spell, at his home on East street.

Misses Marie Carter and Connell will return to Hammond and Chicago today after a pleasant visit with Miss Norma Bartholomae on East street.

The city council meets next Monday evening for their regular transaction of city business.

INDUSTRY IN INDIANA

Connersville.—A committee of farmers in Columbia township has petitioned the road supervisors having charge of the highways in that vicinity to trim all limbs that overhang the highway. This the supervisors have promised to do, and the movement has extended to all parts of the country. Many country roads are overhung, sometimes for long stretches, by the limbs of forest trees, which interfere with the passage of high vehicles.

Sullivan.—The Little Giant mine, of the Shirley Hill Coal Company, broke its record when it hoisted 1,800 tons of coal in one day of eight hours. The largest amount hoisted heretofore in a day was 1,400 tons.

South Bend.—E. M. Campbell, Sons & Co., of Indianapolis bought the \$20,000 of school bonds issued at Mishawaka. The company's bid was par and accrued interest to September 15, and a nominal premium of \$1.00. The bonds will bear interest at 4 per cent, and will be payable in ten years. The proceeds of the bond issue will be used in making the final payment on a new high school costing \$75,000, and in alterations to a ward building. The Dodge Manufacturing Company, of Mishawaka, the largest manufacturers of transmission machinery in the world, has issued \$1,000,000 in 6 per cent. mortgage bonds and filed the deed of trust for record here. The company has two thousand employees.

Sullivan.—A meeting of the Dugger town board has been called to consider the proposition of granting a franchise to the Sullivan County Electric Company to furnish lights for the town.

Lawrenceburg.—The Hildebrand Furni Company has let the contract for another large four-story building. The new building will be used for a warehouse. Its cost is estimated at \$10,000.

Linton.—At a meeting of the stockholders of the Grand opera house it was decided to petition the court to sell the opera house at a receiver's sale to raise enough money to pay off \$21,000 indebtedness. The opera house cost \$45,000.

Muncie.—Charles Boldt, president of the Charles Boldt Glass Company, which a number of employees are trying to buy and operate as a co-operative plant, said: "We will continue to operate the Muncie factory for some months. Some of the employees have approached us to ascertain whether we would consider such a proposition. We have informed them that if a proper one is made we will consider it. The work we are now doing in the old Muncie plant will be done in Cincinnati."

GAVE NEEDY TOUT JUST WHAT HE ASKED FOR

In the days when the race tracks were doing a big business the so-called race track tout was always in evidence at every meeting and the hard luck stories these fellows could tell were never excelled by any other single class of individuals. One of the best of these stories concerns a tout who was following a horse and who reached at eastern city when a race meeting was about to open. The tout was broke and, accosting a rather stumpy horseman of his acquaintance, told him of his predicament. "Why, I haven't had a thing to eat in two days," said the tout. "Well," said the horseman, "step in here to this restaurant and I'll buy you something." With vision of a big meal the poor tout followed the stumpy horseman into the restaurant. "Give this party a glass of milk and a piece of custard pie," said the horseman to one of the waiters. "Gee," said the tout, "I thought I was going to get some meat." "Change that order from custard to mince pie," said the horseman as he left a dime on the counter and went out.

Like Rheumatism, Once in the System Can Be Expelled by the Prompt Use of Sulphur in Solution.

Not the old fashioned disgusting doses of a thick mixture of molasses and powdered sulphur, for the system cannot assimilate sulphur in that form. There's a better way—SULFOSOL, the new form of sulphur in solution—the form anxiously desired for hundreds of years by the medical profession and now first realized in SULFOSOL.

SULFOSOL is as soluble as sugar or salt, and it has brought so much joy and gladness to sufferers from rheumatism, Gout, Eczema and stubborn skin troubles that the whole world should know of this wonderful remedy.

SULFOSOL is the great vitalizer of the blood, expeller of uric acid and other blood toxins and conqueror of Gout and Rheumatism. Get it of your nearest druggist or write to the Sulfol Company, 72 Trinity Place, New York.

For a free book on Gout, Rheumatism and Blood Diseases and the successful use of SULFOSOL in their treatment. As a cleanser for the hair Sulfol Soap is supreme. 25 cents a cake at all Druggists.
