

EAST CHICAGO AND IND. HARBOR NEWS

Katherine Howard, 4315 Olcott ave., phone 283, will be pleased to write and receive social news and advertising for The Times, also job work of all description promptly and well done.

Auction Swedish Mission church, Grapevine and 139th street, Saturday, evening, November 23, 7 o'clock. 22-2

A Rummage Sale in the Basement Room of the Good Shepherd church on Baring avenue tomorrow morning, at 9 o'clock. The receipts of the day will go towards the benefit fund of the church.

The Indiana Harbor Woman's Club should be heartily supported in their new project, that of commencing a fund to provide Christmas cheer for the children of the devastated war zones. The sum of one dollar will provide a real Christmas for one child. Who is there that would stop to consider for one moment this insignificant amount when the joy of a child

is to weigh in the balance? The thought of these war-burdened babies and the happiness that might be extended to them is a most worthy sponsor of this club and the public should respond without demur to the contribution asked. Mrs. Claire Stephens of 3524 Ivy street, phone number, Indiana Harbor, 1270-M, has been appointed to accept all money for this fund and to make accounts thereof. Let the givers report to her on or before December 1 and in any case that the donor can not go personally to her, she will see to it that their offerings will be collected.

The Congregational Ladies Aid of East Chicago have set the date of December 2nd for a bazaar and supper to be held in the basement of the church. The usual substantial menu claiming a wide patronage in former years will be the inviting keynote of temptation this year, but quite a contrast struck in the offerings for the bazaar of this year, for the committee decided that nothing but the most practical garments would hold sway in the choice of sales to the public. This year the shoppers are more keenly alert in their purchases of more stable gifts and the war has taught many to eliminate the non-essentials of the day and to turn to the things of the strictest adaptability. Mrs. H. E. Jones has been named to head the committee who will have charge of the culinary cuisine, and the Mesdames Edward Cadman and Martin Petersen will have supervision of the booths.

Miss Carrie Downing, who has been waitress in the Sternberg restaurant in Michigan avenue for the past two years was called to Tiptonville, Tenn., her folks having received word that their youngest son, her brother, had died in action in a recent battle fought in France. Miss Downing proud that her brother had sacrificed his life for so worthy a cause, wanted to make a visit to the home where she had been absent from so long, and departed today for that place, with the expectation of returning here at a later date to resume her duties, providing the conditions at her home will favorably warrant her leaving.

A masquerade party will be held this evening at the home of Mrs. F. Forrester, 3431 Fir street, for the benefit of the

bers of Elm Grove, Woodmen Circle, No. 55, and their friends.

Mrs. J. Hucker, of 3908 Ivy street, neighborhood, between 139th and 141st street, to come to the Food club this evening at her home.

The Literary Department of the E. Chicago Woman's Club met with the chairman of the department, Mrs. J. Thompson, yesterday afternoon and the study of Dickens "Tale of Two Cities," the first and second chapters of Book 2, were taken up for the day's study, and Mrs. J. D. Kennedy proved a most interesting leader of the afternoon. Old Pictures in France will occupy the attention of the members at the next meeting December 3rd at the home of Mrs. E. L. Reid in the Herod apartments, with Mrs. James Thompson in charge of the day's lesson.

The Ladies Aid of the Christian church have everything in readiness for tomorrow evening to hospitably entertain the members, their husbands and friends to a real social, namely, the Ladies Social, the amount of which is understood to be exacted from the members only. The place selected has been the home of Mrs. H. A. Lewis, 3401 Black avenue, the hour, eight o'clock and with the description terminating here as far as press notice is concerned, we have the assurance that a well worth while evening is to be enjoyed by those attending. The public is welcome. The receipts of the evening will be applied to the building fund of the church. The number of guests may bring with them or invite on this occasion is by no means limited.

Mr. and Mrs. Charles Packer, of Chicago, the former brother to Mrs. W. J. Packer, Jr., of Beacon street, is having Indiana Harbor friends dine with them tomorrow evening, among whom will be Dr. and Mrs. Frank Stephens and Mr. and Mrs. Claire Stephens. Mr. Packer is with the Indiana Harbor Citizens Trust and Savings Bank.

Mrs. Newton A. Hambroff of 3812 Ivy street, will hold the meeting of the Food Conservation club of women residing on Drummond and Ivy streets from the block of 135th to 139th. Mrs. J. W. Brissey is captain of the fifth ward unit and asks all women to be present at the meeting this evening. A similar meeting has been called for at the home of Mrs. W. H. Anderson of 2742 Drummond street, for those women belonging in block of 137th and Drummond. Other meetings are scheduled also for this evening.

Junior Jackies are reminded of their meeting at the playground of the Riley school when they will take the second of a series of instructions to be given by Mr. George Dietrich, sent here from the Great Lakes Training Station. All Junior Jackies are asked to be on time at the hour of 2:30.

Mr. and Mrs. Luther Lewis of South Olcott avenue have returned home from Joliet, where Mr. Lewis underwent optical surgery to relieve a

growth of a cataract on one of his eyes—the other eye was affected but his general condition did not warrant the removal of that at this time.

OTTO BEYER ELECTED GRAND WARDEN I. O. O. F.

Meeting Cut Short Because of Epidemic; New Officers Installed.

INDIANAPOLIS, IND., Nov. 22.—Officers of the grand lodge of Indiana, Independent Order of Odd Fellows, were elected at a session of the grand lodge in the Odd Fellow building yesterday. Installation ceremonies followed the election, as it was desired to finish business and dismiss the 1,000 delegates quickly because of the influenza epidemic. The meetings of branches of the order, which have occupied three days, were closed shortly after noon.

Otto Beyer, of South Bend, was elected grand warden. That was the only office over which there was any contest. All other candidates, nominated at a meeting last spring, were elected. They are: H. A. Winterwood, Indianapolis, grand master; Will Ehrhardt, Greensburg, deputy grand master; W. H. Lewis, Indianapolis, grand secretary; W. A. Morris, Frankfort, grand treasurer; A. A. Stears, Ellettsville, grand representative for one year; W. E. Deupree, Franklin, grand representative for two years; Philip Zecher, Indianapolis, grand trustee.

[SPECIAL TO THE TIMES.] WHITING, Ind., Nov. 22.—Geo. S. Whiting, arrested for taking a purse from the block of 135th to 139th street left there by a customer, who later went back for the purse containing \$5.20, was arraigned before Judge T. B. Cerajewski and fined \$10 and

Wants His Money Back.

"I can thank Mr. O'Brien, a neighbor, for my recovery from severe colic attacks and stomach trouble that nearly forced me to cross the river Jordan. I spent thousands of dollars in the past nine years for doctors and medicine and would have died but for my neighbor's advice to use Mayr's Wonderful Remedy. I wish I had the money back I spent for other medicine." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. BIG EATERS GET KIDNEY TROUBLE

Take Salts at first sign of Bladder irritation or Backache.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist a table-spoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.

The Aluminum Club

ITS PURPOSE

THIS CLUB OFFER will please our regular patrons—it will make new friends. It will advertise Quality Brand Aluminum Ware; there is no direct profit to us from the Aluminum Ware, but it does afford us an excellent advertising medium from which our trade will derive benefit.

Every housewife craves a set of this wonderful, modern ware, and until now, the price has been beyond the reach of the average family—but through this club plan every home can be fully equipped with the very best aluminum Ware, and on such terms that any one can afford it—in fact cannot afford to be without it.

This club offer is open to every reputable, honest family or person in this community. Call at our store and ask for a membership card; pay \$2.00 cash "dues." Then you pay us fifty cents more each week until the wholesale cost price of \$15.98 has been paid.

Do you realize that this will enable you to equip your kitchen with a set of the purest, best Aluminum Ware, Quality Brand, each piece of which is guaranteed by the makers to wear for twenty years, at a cost to you of only a few pennies per day? Can you afford to continue using out of date, unsanitary (perhaps rusted) cooking utensils when we make it possible to secure this beautiful set on these terms?

Now let us be perfectly candid and explain why we are willing—yes, even glad to distribute hundreds, perhaps thousands, of these sets on the liberal terms of payment outlined, and without profit to ourselves. The whole reason is just this: The conditions require you to make a small payment each week for several weeks, this means that you and everybody else that is fortunate enough to secure one of these sets will visit this store at least once each week.

We quite naturally assume then, that if you require anything in our line, that it will be convenient for you to purchase same of us at the time you make this weekly visit—it brings us closer together, enables us to know you and have you know us better, and anything that will do that we consider good advertising. So this club offer we call advertising, the kind that the customer benefits from as well as the store.
