KECKIE MOLL LEADING THE GANG NOW

Friends of Popular Hammond Player Had Better Quit Riding Him for a Time.

"Keckie" Moll finally succeeded in quieting a lot of fans who are in the habit of riding him continually, game after game. He rubbed it in and sure made these habitual knockers like it when he emerged from last Sunday's game with four clean hits in four times at bat, giving him a perfect average of 1.000 for the day. The killjoys who are always after Moll will probably be surprised to see him heading the list in this week's batting averages with a nice little old percentage of .455 as a result of 5 hits in 11 times at bat. The averages to date are as follows:

	ab.	r.	h.	tb.	sh.	sb.	Pct.
Moll	11	5	5	5	1	2	.455

GIANTS FEEL THEY'RE BACK IN THE RACE

(INTERNATIONAL NEWS SERVICE) NEW YORK, Aug. 15.—Feeling like they were back into the National League race again the New York Giants were prepared for their final double-header of their present series with the Reds. The two victories of the Giants yesterday and the fact that about a dozen near flat fights took place on the field, were expected to draw a crowd that would tax the capacity of the Polo grounds. The sun was shining this morning and the indications were that the weather this morning and the indications were that the weather would be favorable for the two battles this afternoon.

Yesterday's near battles started when Laque, who succeeded Brenner, in the second game as the Red pitcher "beamed" Snyder, the big Giant catcher. From then on the opposing players were on the verge of an actual outbreak continually. The umpires chased Benton to the showers, however, and the game ended in time to prevent open hostilities. Moran planned to pitch Hod Eller and Ray Fisher this afternoon. Jess Barnes and Rube Benton will probably be McGraw's selection. Benton worked only a couple of innings yesterday.

THE Giants had reduced the Reds' lead to four and one-half games today.

RUTH set a new American League record by polling his seventeenth home run of the season in the slaughter of the White Sox by the Red Sox.

OLD Gravy Cravath ceased managing the Phillies long enough to get in the game himself and pole out a few hits but he could not stop the Cardinals who grabbed off both ends of a double bill.

THE Yankees 15-inning win over the Tigers due to hits by Baker and Vick, put a crimp in the pennant aspirations of Jennings' crew.

HARRIS broke up the Cleveland-Washington battle with a two-bagger in the ninth.
