

GUNTHERS WIN IN NINTH ON HOMERS

Pair of Circuit Clouts Gives
Niesen's Club 7 to 6 Victory Over Hammond.

Gunthers again defeated Hammond yesterday, pulling a 7 to 6 game out of the fire. Victory came with two out in the ninth, the home team three runs behind, one man on base and two strikes on the batsman.

Le Beau proved the "Casey," with a shot over the fence that cut the lead to one run. Then Kilby was sent on an error and George Perring, after fouling two balls, crashed the second homer of the round.

The Gunthers broke the ice by picking up three runs in the fourth and fifth innings, after the game had been repeatedly stopped by rain. So many fans turned out that the dashes to shelter ventured near the danger line.

The sun finally arrived, and after the Gunthers had cleaned up their three the Hammonds replied with four on straight hitting of Dave Black, who plainly weakened. The wet field charged up a lot of errors to the fielders.

BOWERS MANAGES GOPHERS

Grid Enthusiasts in Twin Cities Happy Over News of Football Prospects.

East Chicago football fans are happy following the announcement that "Jeff" Bowers, prominent Twin City business man, had accepted the management of the Gophers. Bowers is known throughout the Calumet district as a live wire sportsman and local grid enthusiasts are confident that Jeff will see that nothing but the best talent opposes his new proteges.

The Gophers' new leaders plans to secure a home club berth in the Chicago league assuring the fans a schedule which should meet the favor of the most exacting fan. Manager Bowers announces that the first practice of the year will be held Monday night at 8:00 o'clock at city hall park. It is expected that fully fifty candidates will report at that time. The Gophers' pilot will attend a meeting of the Chicago football league, which is scheduled for next Tuesday.

During these eight active years on the gridiron the Twin City pride has engaged in exactly 85 contests. Of this number 81 were victories, two tie games and two defeats. The Gophers had no team in the field during the 1915 season as twenty of their members preferred fighting to playing during the period of the war.
