

STATE GOLF TOURNEY IS ON ITS WAY

Fourteen league Champions Compete in Title Games at Grant Park Sept. 6.

(SPECIAL TO THE TIMES) KOKOMO, Ind., Aug. 19.—The state are gathering here at Kokomo. From the highlands and the lowlands and from the river and the Calumet they are coming, and well mon, it's a mighty array, this bunch of pilgrims who are seeking honors at the royal game. To dope consistently, you dinna can tell you, say the canny ones, for around worthy lads, what's in a name, especially at a state open golf tourney?

There are many expert golfers here, and pros and amateurs alike are finding difficulty and yet enjoyment in their practice rounds over the nine-hole Kokomo Country Club course. Tom Bendelow, veteran golf course architect, who has always been held in high esteem by Hoosier golfers, is now held in awe. For Mr. Bendelow, who will design the new Highland Country Club course at Indianapolis, is the designer of the Kokomo links.

Many plaids are represented in the army of players already here. Chick Nelson, Kokomo pro, has thus far shot the best card, having accomplished the eighteen holes in 74—49 out and 24 in. The play was consistent.

Wallace Nelson, of Highland, also of the house of Nelson, is here along with George Stark, the other Highland pro, and the amateurs Ralph Young, Ed Lennox and Burt Wilbur, Indianapolis city champion. Young and Nelson will hit it off, and Wilbur will play with Stark. William Van Landingham will complete the Highland quartet of amateurs.

Fate Hendrie, another warrior of the plaid, will present Riverside, of Indianapolis. He will team with Frank Kissel, William Barriere, Jr., and Jess Moasser, secretary of the Indiana G. A., are two other Riverside amateurs entered.

William Daigles, Indianapolis C. C. pro, will uphold his clan along with John Simpson, runnerup in general and in particular runnerup in the state and the Indianapolis city championships. O. C. Pantall will be an aid to help out I. C. C. affairs.

A quartet of Irvingtonians are scheduled to pull into Kokomo late today. Among them will be Paul Shigler, pro, who will meet his old friend and opponent, Burr Swezey, of Lafayette, state champion, before and after play; Walter Pray, Bradford's and Latonia specialist, and Fred Steele, successful salesman. An effort is being made to bring the two young Irvington stars, John Cady and Telford Orison, to Kokomo, but the lads can not get off to make the tournament.

Harry Schopp, South Grove professional, will be here Tuesday morning at the latest. Other South Grove representatives are anticipated at most any moment.

The events, which will begin on Tuesday and end on Wednesday, are expected to attract a good gallery. Kokomo is a golfing community and the arrival of so many clubs and celebrities and suit cases is turning its head. The city is making Mr. Everyduffer just as comfortable as possible, and Kokomo C. C. boosters declare that the father will go back home to the dearie and the little Goumets shouting the praises of Kokomo.

It has been many moons since a state open competition was held, and already the event is so popular that it is almost certain it will become a permanent feature. Some Indianapolis club may bid for the honor of having the tourney next year.

Those amateurs who are playing the Kokomo course this week are laying aside valuable experience which can be hauled out and adjusted to advantage in the 1920 state amateur tournament.

AMATEURS PLAN BASEBALL CARNIVAL

Plans are being laid to give Chicago the greatest field day of its amateur baseball teams ever held. The date and place has already been set at Grant Park on September 6, at which time fourteen of the amateur league champions of this city will start an elimination round for the Litsinger Cup, emblematic of the local amateur title.

If the present plans are accepted by the various league managers there will be a triple double-header, a novelty in sporting circles, in which the three diamonds at the foot of the loop will be occupied at 1:30 and 3 o'clock by the contestants. A full corps of officials, regular semiprofessionals and umpires will be on hand to handle both the games and the crowds.

While it is too early to promise all of the features expected, it is likely that a parade of motor trucks, containing the teams and players of the different clubs, that will extend for half a mile, to be headed by a brass band, will attend the games. City officials have also promised to pitch the first ball in the opening games.

Arrangements will be made with the police department to handle a crowd of 30,000 to 40,000, and it is confidently expected all records for attendance at a baseball gathering will be broken on the day. The South Side Commissioners are lending willing aid to the scheme and have turned the grounds over to Edward R. Litsinger, of the donor of the cup, and the officials he has gathered. Among these active in promoting the championship series are Andy Sheahan, Fred Holdsworth and Henry Tufo, all well-known amateur ball officials.

OLD ROMAN MAY BUY LARGE GAME PRESERVE

RHINELANDER, Wis., Aug. 19.—Charles A. Coninsky, famous baseball manager and owner of the Chicago White Sox, is considering the purchase of a large tract of land in Oneida County, on which to establish a sheep ranch, and a private game preserve.

The land is located near Three Lakes, and it is said that there are more than 10,000 acres in the tract. Several lakes,

TAGGING ALL THE BASES By JACK VEIOCK I. N. S. Sports Editor

NOW Carl Mays will want to get out an injunction against Ping Bodie playing with the Yanks. The ex-Boston twirler held the Indians to two hits, but they beat him when the rotund Ping muffed an easy fly.

SHADES of the hitless wonders. The White Sox amassed seventeen hits while massacring the Athletics.

THE Tigers are still camping closely on the trail of the White Sox. They beat the Senators despite the fact that Menosky hit the ball over the right field wall—the second time it has ever been done.

THE Browns fell on Russell in the first inning and clinched a victory over the Red Sox.

BIXBY broke up the Pirate-Philly game in the 11th when he lifted the ball over the fence for a home run.

SOMETHING to worry about—a ten-inning tie by the Braves and Cardinals.

COLTS AND GRIFFITHS 'BUST'

The Hudson Colts and the Griffith town team failed to finish a very exciting game Sunday after playing nine innings of rugged baseball. It busted up in the tenth on an argument on the umpire's decision on first base. As our sportsmanship will not stand for arguments in the paper over a game already passed we just say it was a good game for nine innings. As a result of it we will ask the Griffith team for a return game at our park. To save an argument we will have one umpire upon whom both managers are satisfied and abide by all of his decisions. If the Griffith manager does not read this will some of his friends please tell him I will get in touch with him to settle all the minor difficulties.

The Colts will hook up in one of the best games of the season next Sunday at Morris Park 3 p. m. with the fast colored Gary Cubs. As they have taken all the other colored teams in and around the county into camp we will assure the fans a fast game from start to finish. All fans come out to see a regular game. CLAUDE HUDSON, Manager.

TWIN CITY FANS JUBILANT.

By M. T. KEENAN.
Twin City football fans are jubilant following the announcement that "Jeff" Bowers, popular East Chicago business man, had accepted the management of the Gophers. For several seasons Bowers has taken considerable interest in the progress of the East Chicago eleven and it was mainly through his backing that the Gophers were enabled to schedule games with the Thorns, acknowledged 150 pound champions of the middle west in 1915-17.

BENTON HARBOR TO CLOSE LABOR DAY BOUT

CHICAGO, Aug. 19.—Floyd Fitzsimmons, Benton Harbor promoter, came to town today to close a match for Labor Day. Indications point to a match between Charlie White, Richie Mitchell and Joe Welling. Two opponents will be picked from this trio. Already Fitz has the promise of White, and he will experience no difficulty in signing Mitchell. He would like Welling, also. If he can engage Joe's local representative in conversation, Benton Harbor will run a show whether East Chicago does or not.

GRAVER TANKS WIN TWO GAMES

The Industrial League is on the last lap of a most successful year. Last Saturday's games made a great change in the lineup of the clubs who are battling for the league cup which will be presented to the champions.

The Graver Tank club won two games from the Universal Portland Cement Co. in a pair of one-sided games. The Standard Oil remained alone at the top of the league by defeating the Standard Steel Club.

Some interesting games are to be played next Saturday as the Gent. Amer. and Standard Oil will get together for the first time and a hot battle will be staged.

How You Can Be Sure of "Luck" With Your Home Preserving

Many a woman declares to herself every year—"Well, if I ever try to put up fruit again—".

Sometimes it is because the jelly won't "jell", or perhaps a beautiful jar of jam turns out tough or "candied".

You will find all your preserving troubles a thing of the past if you will just make your preserving syrup of 1/2 Karo (Red Label) and 1/2 sugar, instead of sugar alone.

Even the beginner can put up fruit perfectly with this recipe—and the most experienced housewife will welcome the advantages of Karo in her preserving.

With this recipe, there is no danger of jams, or jellies coming out too thin. No danger of "candying".

Karo is a fine, clear syrup, with a natural affinity for the juices of the fruit. It blends the sugar with the fruit juice—brings out all the "fruity" flavor.

For Cooking, Baking and Candy Making Karo (Red Label) is used in millions of homes. In all cooking and baking recipes use Karo instead of sugar. It is sweet, of delicate flavor, and brings out the natural flavor of the food.
