

NEW FALL SUIT IS SMARTLY TAILORED

Black dretyn with a collar of squirrel makes this attractive suit for fall and early winter. The narrow skirt still prevails, but coats are slightly longer according to this model. The pockets in the front of the coat give a very unusual effect.

ITALIAN IS ARRESTED.

Efficiency was shown in the Gary police department yesterday when after a city wide search the arrested B. Scatturo, an Italian, 49 years old, who shot and injured A. Putney, 775 Jefferson street, and employed as towerman for the Michigan Central railroad at Adams street in Gary late Monday night. Three others were arrested as witnesses.

One of the witnesses confessed following his arrest and implicated Scatturo. Scatturo became angered it is said because the towerman had the gates down while waiting for the 11:19 Michigan Central passenger train to make its appearance.

There were four or five Italians in a Ford truck and as soon as the gates were raised they drove up to the tower where after cursing Putney, one of the Italians knocked him over the head rendering him semi-unconscious. Scatturo then drew a revolver and shot him in the arm. Scatturo has been released on bond.

THIS IS THE LAST STRAW.

(TIMES BUREAU AT STATE CAPITAL) INDIANAPOLIS, AUGUST 19.—Here is the last straw. The cost of living has about reached its limit. J. C. Sipe, Indianapolis jeweler, has announced that the price of diamonds has advanced 10 per cent in the last year.

Mr. Sipe, who has just returned from Holland where America gets its diamonds, said the demand for the stones is the largest ever known and even the Germans are in the market.

Better call up The Times and have it sent to your house every night. Then you'll be sure it will be there.
