## The 1920 Buick Models (K Series)

QUALITY has been the foremost consideration in the construction of the 1920 Model K Series. An established standard of Buick construction that for years has given to the Buick Valve-in-Head Motor Car a reputation of superiority.

Upon such a foundation of strength, durability, and value has the 1920 Buick Series been designed and manufactured.

An inspection of the new line will reveal improvements and refinements that are sure to please the most exacting purchaser.
