

ORMSBY'S SHEEHANS COMING

Red Hot Game is Expected
In Hammond Tomorrow
With City Leaguers.

Hammond will take on one of the leading teams of the Chicago League tomorrow afternoon when they play the Sheehans, managed by "Red" Ormsby, just recently returned from service in France.

Since being appointed as leader of this club, Ormsby has succeeded in gathering together a bunch of semi-pro stars, including Shortstop Sunheim, Centerfielder Forrest, Catcher Dixon and Pitchers Tom McGuire and Louis Fene. Last Sunday in a game against the Normals, with George Pierce pitching, Fene let this club down with four hits, while his mates pounded Pierce, getting eleven blows, good for about fifteen bases.

Tom McGuire, at one time with the Chicago and very recently with the White Sox, pitched a night game on last Sunday for Paxton, Ill., against Peoria of the Three-I league. Only 27 batters faced McGuire in nine innings and he struck out thirteen men.

It was immediately following this game that Ormsby got in touch with McGuire and according to latest reports he has been signed to pitch tomorrow's game against the locals. If McGuire does the hurting, Fene will undoubtedly play first base as aside from being a good man at the initial sack, Lou is also a good hitter. Ormsby, who used to be considerable semipro pitcher before he entered the service, may play one of the outfield berths, as he can still hit with the best of them. When last seen "Red" promised to bring out a regular club to back up his star pitchers, as he is determined to turn in a win against the Hammond team.

Manager Nagel has been dickering with a couple of new infielders, who have just returned from the Northern league and one of the men, Spreitzer, who is a brother to the left fielder with the Magnets, will undoubtedly be seen in action in tomorrow's game. The other player is Bob Lowe, a crack shortstop who is much in demand and at the time of going to press it was not definitely known whether or not Nagel had been successful in outbidding other Chicago league managers, who are also angling for the services of this star. Miller, the new first baseman, signed last week and will play the initial sack for Hammond the rest of the season. Cronin will also be a permanent fixture on the club. Fans need not be surprised if they hear that Nagel has lined up Jack Sullivan, star left hand pitcher recently with the Gunthers and now a member of the White Sox, as he is now trying to land this phenom so as to be able to finish the season strong against such clubs as the Logan Squares, who are booked here for Labor Day, Joliet, the Gunthers and possibly Fairbanks or the Nash Motors. The Dodgers, training with Elmer Maaker pitching, are booked here for a return game next Sunday and Gary who are insisting on another game for a \$300 side bet will probably have to be taken on a little later in the season.

YOUTHFUL STARS. ONE 17, OTHER 21, TO CLASH TODAY

Georgian Defeats Fownes,
5-3, and Pittsburgher
Downs Platt, 7-6.

OAKMONT GOLF COURSE, PA., Aug. 22.—Davidson Herron, the sturdy Pittsburgh player, and Bobby Jones, the 17 year old Atlanta boy, are the finalists in the national amateur golf championship. Herron, as was expected, outplayed J. Wood Platt of the North Hill club of Philadelphia in the semi-finals yesterday, winning 7 and 6, the Quaker club player passing like several others who had gone through grueling matches on the days preceding their exits. Platt came to Oakmont in the hope of qualifying and his showing exceeded his fondest hopes. He gained renown by eliminating Colmet and by being the first Philadelphia to gain a position in the final quarter.

Bobby Jones went into the final bracket through the medium of a 5 and 3 victory over William C. Fownes Jr. of the Oakmont club. Bill Fownes was playing golf when Bobby Jones, who was 17 on last St. Patrick's day, was in swaddling clothes. Bill's son, Henry, who qualified, is older than the redoubtable Atlanta boy, who flashed on the golfing firmament at Merion in 1916 when only 14 years of age.

Fownes was the last of the veterans to pass from the title race. Herron, who has just started on his career in the steel business, is 21 years old.

COBE RACE AT ELGIN SEES BIG CROWDS

ELGIN, Ill., Aug. 22.—With many of the fastest speed cars in the country prepared for their best, predictions were made this morning that records would go by the boards in the seventh annual race due to start at noon. The crowds which were pouring into Elgin early this morning resembled those of the auto racing days of before the war. Forty thousand people, it was estimated, were here in an early hour and more were coming. Many persons, unable to find accommodations in the crowded city, slept in their automobiles along the roadway.

The race is over a distance of 36 laps, or 361 miles.

The prizes for today's race are: Possession of the Cobe trophy for a year and \$4,000 cash to the winner; \$2,000 cash to second; \$1,600 to third; \$600 to fourth and \$400 to fifth.

O'DOWD GETS A LICKING.

(INTERNATIONAL NEWS SERVICE) NEWARK, N. J., Aug. 22.—The only reason that Jack Britton is not middleweight champion of the world today as well as welterweight title-holder, is because decisions are not permitted by the referee here.

In 8 rounds of tearing, slashing boxing last night the 37-year-old kinsman gave Mike O'Dowd, middleweight ruler, as pretty a licking as was ever administered to a fighter under the Marquis of Queensberry rules.

O'Dowd carried off the honors in one round—the third. In every other session Britton led by such a wide margin that even the O'Dowd supporters were forced to admit it. Britton's left continually found a resting place in the middleweight's face. In addition Britton scored repeatedly with his right and several

THE Giants beat the Cards again but it took Winters, Dubuc and finally Tony to do it.

BUT the Reds lost no ground, drubbing the Braves again.

ALEXANDER pitched, or in other words the Cubs won.

THE Tigers patted the lowly Athletics again but remained stationary, the White Sox beating the Senators.

The only excitement in the Indiana win from the Red Sox was Babe Ruth threatening to hit Umpire "Brick" Owens.

STANDARD JUNIORS

DEFEATED HAMMOND JRS.

The Standard Jrs. defeated the Hammond Jrs. by the score 20-6 Hudson of the Standard Jrs. had the best of it all the way with 12 strikeouts to Dan's five strikeouts. The feature was the timely hitting of GURZ, Hudson, Berlich and Stodola with four hits apiece. The Standards would like to hear from the referee here.
