

# LIVERPOOL RIOTERS LOOT STORES OF ALL DESCRIPTIONS AND HAVE GOOD TIME UNTIL MARTIAL LAW IS DECLARED

Scene of riot at Liverpool, England.

The greatest labor disturbance in England within the memory of the oldest inhabitant took place recently at Liverpool, when the

rioters looted stores of all descriptions and carried off goods until martial law was declared and troops took possession of the city.

The photo shows several business places boarded up after the rioters had taken practically everything of value.
