

CROWN POINT NEWS

Happenings Of A Day In Lake County's Lively Capital.

Miss Nettie Clayton is spending several days with the family of Henry Heisch of Lowell.

The family of Mr. Winer, who have been residents of Crown Point for several years, moved back to Chicago, on Monday, and their many friends regret to lose this estimable family from our midst. Mr. Winer will make his regular trips here in the interest of the shirt factory.

Miss Hermina Lehman delightfully entertained ten young ladies at a house party at Sunny Heights near Leroy over Sunday. The young ladies, many to whom farm life is an innovation, thoroughly enjoyed their outing.

The Teachers' Institute opened on Monday with a large attendance and much interest is being manifested by the teachers in the lectures and talks given by the able instructors secured by Supt. F. P. Heighway for this occasion and much good is derived for these yearly get together meetings and exchange ideas with some of the older minds in the country along the pedagogical lines.

Miss Margaret Meyer returned last Sunday from a three weeks' vacation through the West and resumed her duties at the County Auditor Foland's office on Monday.

Miss Nanci Smith entertained the members of the Westminster Guild at her home on Monday night. After the lesson delicious refreshments were served by the hostess.

Mr. and Mrs. Ernest Bartholomae

and Arthur DeMuser of Chicago, were spending several days with Crown Point relatives prior to leaving for their new home in Minnesota.

Earl R. Cole has returned from a business trip to Chicago.

Mr. and Mrs. Walter Allman entertained Mr. and Mrs. Clyde Dyer and son of Kankakee, Ill., at their home on East Street on Sunday.

Mr. and Mrs. Forsythe and children have returned to Gary after being guests in the home of Mr. and Mrs. Leonard Patch for several days.

Otto Finfield has purchased the residence now occupied by Otto Seberger, on Joliet street, and owned by Edward Simon of Hammond, for a consideration of \$4,000 and will move his family here immediately. The constant changing of real estate in Crown Point necessitates many families moving and those not owning their own home never know when they are going to have a roof over their heads or not.

HOBART

Roper and Brown have purchased a large farm south of Wheeler.

Quite a number from here attended the motorcycle races at Crown Point on Sunday. Marvin Hoover of this place got second place in two five mile races and one ten mile race. He also got first in one ten mile race. The entries in these races were all profes-
