Gary Cracks Cop Lion's Share  
of All Prizes at Ham-  
mond Event.

Furrowing across a nasty sea, whose waves were hard to breast, Ray Schultz, a returned sailor of Gary, won the crowning event of the Hammond Water Carnival, half mile event, last evening, in 17 minutes and gave the prettiest exhibition of sustained power ever seen at the beach. He beat all his dozen

competitors by almost a hundred yards in the 880 and was warmly congratulated for his feat.

Nearly 2,000 persons during the day saw swimmers representing Gary with all year around experience in tank carry off most of the honors at Hammond's first annual water carnival. Owing to the choppy water no records were broken. The individual honors went to Jas. ## BIG GAME ON SUNDAY IS PROMISED

Manager Harry Cohen of the Dodger Trainings will come to Hammond next Sunday with the strongest lineup that he has used all season. According to a statement made by Cohen in last Wednesday morning's Chicago Examiner the Dodgers will have a better club in the field against Hammond than the one with which they trimmed Albany Park last Sunday. Cohen has bent every effort on winning next Sunday's game as he is more than anxious to even up matters for the defeat handed him by the locals earlier in the season when he had a much inferior club. The battery for the Dodgers will be Elmer Maager and Swede Olson and for the Hammond's Baichley and Wallace.

On Monday, Labor Day, the big game with the Logan Squares will be preceded by a 25 mile marathon race from Chicago to the Hammond ball park and a 5-mile marathon within the park just before game time. Handsome prizes in the way of loving cups etc. will be awarded to the winners immediately following the races. Some of the best runners in the country will compete in these big events and several stars have already been entered by the Logan Square Athletic Club under whose auspices the marathons are being given.

Getting back to the ball game, Jim Callahan, the manager of the Logan Square team, announced in yesterday morning's papers that he had just signed Phil Douglas who jumped back to Chicago from the New York Giants after being traded to McGraw by the Cubs. Unless Callahan decides to use Douglas Sunday against the Toledo Red Lights, local fans will have the opportunity of seeing big Phil work his first game for the Logan Squares against Buckeye. In case Douglas pitches on Sunday the visitors' battery on Labor Day will then be "gibby" Nelson and Mike Heckinger. The batting averages of the Hammond club to date are as follows:

## TWENTY ENTER 25 MILE WALK AT HAMMOND

Everybody's talking about the Reds. Not the Russian Reds, of course, but the Cincinnati Reds, the Reds who are setting the National League on fire, with baseball.

Statements and statements have been issued about these Reds. They are almost as common as war office statements about the Lenin and Trotsky Reds. Governor James P. Goodrich is the latest fan to come out strong for Moran's Reds. Says the Governor, in a letter to August Herrmann, president of the Cincinnati National League baseball club:

"When a boy I used to go to Cincinnati and see the Cincinnati Red Legs play ball. Ever since I have been a consistent rooter for the Reds and have watched the ups and downs of this club with considerable concern."

"As I see them headed toward the goal, I feel like singing that good old Methodist hymn, 'This is the way I long have sought, And mourned because I found it not.' The Governor is very careful not to say who the winners in the American League will be. But he is certain that the Reds will be his choice in the world's series."

THE hitting of Watt and Walker featured the victory of the Mackmen at Boston in the first game. Penneck blanked the A's with three hits in the second game. Jing Johnson allowed Boston but four.

They're styled somewhat along the lines of the suits of

their predecessors in the way of trimness of line and nifty  
looks. That's the impression they gave us.

Some are finished plain and some have belts half way

SCHUPP pitched his best game in two years when he let the Pirates down with one hit.

MAYS won a 14-inning duel, from Walt Johnson in the first game of a double header and Mogridge outpitched Harper and Zachary in the second. The hitting of Pipp, Peckinpaugh, Lewis and Judge was very heavy and timely.

AFTER Pfeffer had bowled the Braves in the first game with four hits, Olson's errors and the hitting of Gowdy, Rawlings and Maranville gave the Bostonians half of the double bill.

## Cigarettes

CAMELS are as delightful to your taste as they are new. And, so satisfying that they meet every cigarette desire you ever have had.

Camels are unusual; in fact they're unlike any cigarette you ever smoked. That's because they're an expert blend of choice Turkish and choice Domestic tobacco, producing a quality that meets your taste as no other cigarette ever did.

Camels' expert blend gives that mellow-mild-body and frees the cigarettes from any unpleasant cigarettey aftertaste or any unpleasant cigarettey odor. You can smoke Camels as liberally as you like without tiring your taste.

You have only to get personally acquainted with the expert Camel blend to know that you prefer it to either kind of tobacco smoked straight!

For your own satisfaction compare Camels with any cigarette in the world at any price!

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.
