INSURANCE COMPANY IS BOOMING

The Old Line Life Insurance Company of Indiana now being organized as a stock company is capitalized at \$100,000 with shares at \$10 per share. The stock has been offered in Gary, Indiana, at \$12 per share. In explaining this increase Thomas Connolly, president of the company, said, "It is the purpose of the incorporators to start business with a surplus and a surplus created by the original stock holders gives the company a double assurance of success."

The home offices of the company are located in the Bee Hive building in East Chicago. All necessary equipment has been purchased and although the charter was issued by Secretary of State Win. A. Lounsbury December 23 of last year, one-tenth of the total \$100,000 stock has already been subscribed for.

Charles E. Roe, in charge of stock sales, is now making a thorough canvass for stock subscriptions and the directors of the company are confident that the entire issue will be subscribed. It is the plan of the directors to invest their entire surplus in the Gary region and especially in East Chicago, which they are asserting will be greatly benefited by having the Old Line Insurance Company's home office.

Solo Superintended Connolly is an old insurance man and his experience will be a great asset in placing the new company in the field of successful insurance. He invites anyone interested to call at the offices in the Bee Hive building. The directors of the company are: John J. Kerehner, George Serlach, Thomas Connolly, Vincent Guzar, Stephen Weighby, John Fanfara and H. L. Galt.

GARY GOLFERS GET READY

As soon as the frost is out of the ground, the American Park Golfers, who have the clubhouse, will start laying out the eighteen hole course of the Gary Country Club according to an announcement made today, and unless there is some unforeseen delay members will have an opportunity to play their first round on the first nine-hole course by the first of July.

At a recent meeting members made plans for the immediate construction of a \$50,000 club house. The finance committee, consisting of W. P. Gleason, Capt. H. S. Norton, H. C. Hay, J. W. Albright and W. C. Boyd, reported a program calling for the expenditure of \$150,000, including the purchase of the twenty-three acre site at Turkey Creek, south of Gary, which purchase has been completed.
