The purpose of the association is the cultivation of physical development, the stimulation of interest in the part of all employees in athletic and recreational activities during their leisure time, and the promotion of good sportsmanship and team spirit. It has already held many games, and it is expected that it will hold many more.

M'LEAN OFFERS EXCUSE FOR LOSS OF LONGER RACE

CHRISTIANITY, Feb. 12.—Robert M'Lean of Chicago, who lost the world's long distance championship race to Oscar Mathisen of Minnesota, now states that his mistake in taking the wrong course in the 10,000 mile race was caused by an official error. He claims that the championship race was won by Oscar Mathisen of Minnesota, who was won by Oscar Mathisen of Minnesota. The world's long distance championship race was won by Oscar Mathisen of Minnesota.

"Isn't This 'Comfy'!"

"Isn't this 'comfy'! My, but I was tired and chilled through after that big shopping tour! And the furnace was so low that the house was as cold as a barn! Isn't it just wonderful to have a real fire like this—that you can see glowing like red hot coal; that's so quick to heat and so cozy? I am having such a good time since John discovered this wonderful RADIANTFIRE and had one put in our grate. We were so glad to get rid of that gas log we had so long. It cost less money than this, and wasn't nearly so hot and pretty. And this Radiantfire is odorless, too! Do you know, we can save a ton of coal a month by using it! We don't have to keep the furnace roaring all the time now, when fuel is so scarce. I don't know what we would have done if these Radiantfires hadn't come to our rescue—we were getting desperate! But now—well, it's just grand!"

This is a sample of the conversation one may hear in any home in any town since The Humphrey Radiantfire came upon the market.

Come and see The Humphrey Radiantfire—a new discovery in house heating. Stand before one and feel the heat that makes you back away from it. See the blue flame that uses all the gas—the perfect combustion and incandescence—a grate that's a red-hot and glowing as a coal fire. Perfectly odorless, when installed according to our directions. The Humphrey Radiantfire is heating economy—and the solution of the fuel problem. Saves your coal supply and makes the home cheerful and comfortable.

Life Insurance Hustlers Leave For Southern Trip DeLuxe As Reward :-:

This is the bunch of Northern States Life agents and hustlers who leave Hammond tomorrow for a trip through the south, including Houston and Galveston, and ending at the New Orleans Mardi Gras, as a reward for their labors last year. From left to right: P. A. Parker, H. C. Hunter, C. C. Bonham, Fred Hunter of Rock Island, Ill., F. J. O'Rourke, A. H. Tapper, Dr. H. E. Sharer, J. W. Northland, G. A. Dobbins, E. H. Arentz; E. H. Morgan of Rockford, Ill., and Keith Warner of Prophetstown, Ill., who are being paged but whose picture does not appear, are also accompanying the party.

This live agency force occupies a unique position in the insurance circles, as there is a larger percentage of \$200,000 producers in the Northern States Life Insurance Company, to the number of its agency force, than in any other company in the country. Four of these men have promised individually, to pass the one-half million mark this year.

GARY TO PLAY LEGION TEAM

CHICAGO, Feb. 12.—Gary Dunn, light middleweight champion of the world, will play for the Legion team in a game against the Chicago team. The game is expected to be a close one, as Dunn is a very strong player and the Chicago team is a very strong team.

PILES CURED

The first account we have of the human family being afflicted with hemorrhoids is in the fifth chapter of I. Samuel, when the Philistines had smitten the children of Israel in battle and captured the Ark of God in the year 1141, B.C. The people are still suffering with the same affliction. It has taken all these years to discover a safe and sure cure for piles or hemorrhoids, something that will cure to stay cured. Such a remedy is the painless, discolored treatment. It requires no cutting, no loss of blood, no chloroform and no loss of time. It is not an experiment, as thousands have been cured by this method. It will cost you nothing to come in and investigate. After examination a price will be made according to the severity of the case and a guarantee given with every case accepted.

Hours: 9-12; 1-5; 6-8; Sunday by appointment.
