HARD BATTLES FOR HAMMOND AT WEEK END

McGraw is To Shake up The Giants

By JACK VELICH.

STAFF CORRESPONDENT L. N. SERVICE.

NEW YORK, Feb. 18.—John McGraw

is going to shake up the Giants once

again.

Convinced that his veteran infield com-

bination—Zimmerman, Fletcher, Doyle

and Clegg—would be unable to stand

the strain of another season, he intends

a break up.

After months of silence McGraw, the

now famous known through Giants head-

quarters today that several player deals

had been made.

Joseph O'Brien, secretary and business

manager of the Giants, said that McGraw

will leave today within a week

in full control of the team.

"When Manager McGraw returns to

the States he probably will have no

announcement of immaturity to make

and O'Brien today." The New York

clubs is to try to put the strongest pos-

sible lineup for the coming year.

You may be sure that McGraw has not been

shaken by the recent events.

McGraw, apparently, in his efforts to

seem such masters as Roger Hornsby

and Walter Johnson, has given his

Coach Vunker's charges a few times

in which they have to battle the "Trotz."

On Saturday night the Valparaiso

team will be matched with the Ham-

mond aggregation at the former school

gym. Valparaiso has victories over

Emerson, Whiting and Reservoir. The

team this year has displayed fast and

snappy basketball and will be a good

match for Hammond.

As a preliminary for this game the

high school freshmen will meet the

Presbyterian gym team. The two teams

have met before, the freshmen defeating

the gym team by but a few points. The

game will be a fast and scappy exhi-

bition of basketball as both teams are

in excellent condition.

Games on both evenings will start at

7:30 p.m.

ANOTHER TITLE FOR NORMAN ROSS

ADELAIDE, South Australia, Feb. 18.—Norman Ross, of the Illinois Athletie Club, Chicago, Monday won the 440-yard Australian swimming champion-

ship. His time was 52.6.

SPECIAL TO THE TIMES.

WHITING, Ind., Feb. 18.—The Main

Office Club holds the lead in the Stand-

ard A. A. Basketball League race

with the Butler Shore close behind. In

the high individual averages the Butler

Shop is represented by three fragile lead-

ers.

DePauw Five Defeats

Note Dame Team, 38-33.

NOTRE DAME, Ind., Feb. 18.—De-

Pauw, 5-0, 15 score at the end

of the first half. DePauw University

came back strong in the final period

against Note Dame yesterday and won

a thrilling overtime basketball game by

a score of 38 to 33.

SPECIAL TO THE TIMES.

CINCINNATI, O., Feb. 18.—August

Herrmann, president of the Reds, yes-

terday discounted the chances of John

McGraw getting Walter Reuther to

strength up the Giant buping staff.

McGraw made a substantial offer for

the southsaw of the world's champions.

He adds:

"When experienced refers in a se-

ries of games average a difference of

10 per cent and games vary over 10 per

cent, and periods over 100 per cent, in

the number of plays something is funda-

mentally wrong. It is the subtleness

of the watch."

"When a team obtains a 7-point lead

and has a strong record for the other

team, it invariably plays slowly and

greatly lowers the number of plays in

order to give its opponents a minimum

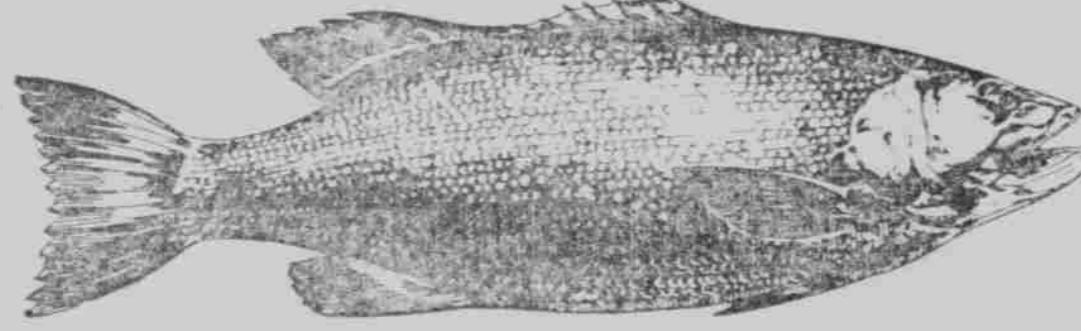

opportunity. The premium on scoring

is altogether too great."

Don't throw your paper away

without reading the want ad page.

Car will be Set at Old Mich. Central Team Track at State Line--Plummer Ave.
East Coast Fisheries Products Company

Rockland, Me.

New York.

Boston.

Indianapolis.

PEPPERY PUNCHING BY PINK MITCHELL BEATS JOE WELLING

MINNEAPOLIS, Minn., Feb. 18.—PINK Mitchell, Milwaukee, outpointed

Feb. 17, the Lowell high school girls'

basketball team, in the last three rounds of a ten-

game battle at the Kenwood armory.

Welling, by the use of a working right

cross and a stinging left, led to the

eighth round, but the battling Phillips

came so rapidly and so viciously

and not false at that. They've got

a reputation down in the prairie

country. There is no reason why the

game shouldn't run smoothly with fine

wheels on the one side and lubricating

oil on the other.
