Musterole Loosens Up Those Stiff Joints—Drives Out Pain

You'll know why thousands use Musterole once you experience the relief it gives. Get a jar at once from the nearest drug store. It is a clean, white ointment, made with the oil of mustard. Better than a mustard plaster and does not blister. Brings ease and comfort while it is being rubbed on.

Musterole is recommended by many doctors and nurses. Millions of jars are used annually for rheumatism, croup, stiff neck, asthma, neuritis, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds of the chest (it often prevents pneumonia). 50c and 60c jars; hospital size \$2.50.

Sunday responded to the urgent appeal of the New York Relief Commission. An offering amounting to \$47.50 was received, and has already started on its way through the Indiana office to help feed and clothe those suffering people of the countries devastated by war, and especially the orphans of Armenia.

Glen A. Butcher, of 245 Cleveland avenue, son of Mr. and Mrs. Geo. E. Butcher, who was operated on seven weeks ago at Washington Park Hospital, for an infection caused by operation for peritonitis, while in the U. S. Service, this being his fourth operation, is slowly improving. Glen was one of the patients at the Whiting High School boys who laid down his bones and contended his services to his country.

Glen never gave up, but kept on, but being in the medical corps of the 10th Hospital at Camp Jackson, Columbia, South Carolina, he rendered valuable service in that capacity during the time of the deadly "flu" there being but two men at one time able to work. He worked so hard and such long hours that he broke down his health and is now suffering the terrible pains of war, but still he is happy and can look the whole world in the face and say "I have done my part for my country."

Supt. J. H. Hoshinson is at Cleveland, Mo., where he is attending the meetings of the National Educational Association which is convening there since Monday.

Officer Mike Bellan placed Mike Lackell under arrest at 129th street and Indiana boulevard, charging him with speeding, going at the rate of 35 miles per hour. Lackell furnished a \$5.00 cash bond to guarantee his appearance in court for trial.

The O. E. S. will have a Silver Tea at the home of Mrs. P. A. Peterson on Cleveland avenue tomorrow afternoon, the date having been changed from today.

Ralph Thrush is confined to his home by illness.

The regular meeting of the O. E. S. was held on Monday evening at which there was initiation of candidates. Following the business session, a luncheon was served, the members of the committee, wearing aprons and George Washington caps, suggestive of the day.

The Tri Kappa Sorority will give a card party at the Slovak Hall next Saturday afternoon, at which Bridge and Five Hundred are to be played and refreshments served. The tickets are for sale by the sorority members.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—purple—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 10c and 25c.
