Grip Laid You Up? Back Aching?

Every Picture
Tells a Story

ARE you getting over a cold, grip or influenza only to find yourself a victim of backache? Are you suffering headaches, too, dizzy spells, a dull, tired, worn-out feeling and annoying kidney irregularities? Then don't delay! Medical authorities agree that a vast number of the worst cases of kidney trouble are the result of germ diseases. In every infectious disease the system is alive with poisonous

germs and bacteria. The kidneys are overwhelmed with the rush of new work; they break down, become congested, inflamed and diseased. Too often the real trouble is lost sight of until some dangerous kidney ailment sets in. If your kidneys are failing behind, don't wait for serious trouble. Begin using DOAN'S KIDNEY PILLS today! Doan's have helped thousands and should help you. ASK YOUR NEIGHBOR!

These are Hammond Cases:

SOUTH HOHMAN STREET.

C. E. Bauer, manager of Simplex Plant, 778 S. Holman St., says: "I have used Doan's Kidney Pills for lameness in my back and found them as represented. They did me a lot of good. I have frequently recommended Doan's Kidney Pills to others and take great pleasure in doing so."

CONFIRMED PROOF:

Nearly two years late, Mr. Bauer said: "I have the same faith in Doan's Kidney Pills as ever. They proved successful whenever I have had occasion to use them."

TRUMAN AVENUE.

Mrs. Geo. Vogel, 309 Truman Ave., says: "I'm pleased to say a few words in praise of Doan's Kidney Pills, for they removed a severe case of backache which had annoyed me for a long time. My kidneys didn't act right, either. Doan's certainly did me good and I have had very little trouble to complain of since using them. Doan's Kidney Pills invigorate the whole system."

Nearly three years later, Mrs. Vogel said: "I'm just as strong for Doan's Kidney Pills today as I was when I gave my first recommendation in their praise. They have never failed to do me good whenever my kidneys have caused me any trouble."

OAKLEY AVENUE.

CLINTON STREET.

Mrs. May Dunfee, 694 Oakley Ave., says: "Doan's Kidney Pills are in my estimation a fine kidney medicine. They cured me of kidney and bladder trouble. It has been some time since I used them, but time still leaves me with the remembrance of the benefit they were to me. They soon rid me of the lameness and pain across my back that had annoyed me for some time. I am always recommending Doan's Kidney Pills since they cured me permanently."

OVER TWO YEARS LATER, Mrs. Dunfee said: "I have had no kidney trouble since I gave my former statement so I consider myself cured. I give Doan's Kidney Pills the full credit for my cure."

No package of Doan's Kidney Pills is genuine unless it bears the maple-leaf trademark and the signature "Jas. Doan."

A. Pridham, 114 Clinton St., says: "My kidneys were badly disordered and the secretions were scanty and painful in passage. I was troubled with headaches and dizzy spells and there was a constant, dull pain through my shoulders. The pain got so bad at times, I could hardly straighten up when I stooped to tie my shoes, sharp twinges would dart through my kidneys. Doan's Kidney Pills gave me relief as soon as I took them, regulating my kidneys and relieving all the pains and other troubles."

EAST STATE STREET.

A. F. Robinson, 443 E. State St., says: "I can use words strong enough in praise of Doan's Kidney Pills, for I believe they saved me from an operation for gravel and bladder trouble. I had terrible pains in the lower part of my abdomen. I laid it to stomach trouble, until I noticed a retention of the kidney secretions. At times there was a complete stoppage, and when the secretions did pass again, they were accompanied by a scalding sensation. I passed a good sized gravel stone and got instant relief. I had used about six boxes of Doan's Kidney Pills before this stone passed. I am now enjoying good health and give Doan's the credit for curing me."

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't care feeling, no ambition or energy, trouble with undigested foods? Take Dr. Edwards' Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without giving cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 10c and 25c.
