

"Every Hour or So"

He Had to Arise at Night
Because of Kidney and
Bladder Ailments.

Tells of the Good Balmwort
Tablets Worked.

Mr. W. E. Goff, connected with the
D. L. & W. R. H., Syracuse, N. Y., writes: "For two years I had suffered
from disorders of the kidneys and bladder. Distressing pain in the
back and hips, depression and extreme
nervousness. Also a frequent desire
to urinate, many nights every hour or
so. I would have to arise, as the pressure
in bladder region was unbearable.
My ankles swelled and my skin became
dry and harsh. After using Balmwort Tablets I noticed relief and
continued taking, until now I feel
wholly relieved of pain and suffering.
I am glad to recommend Balmwort Tablets as a most reliable ben-
eficial medicine."

The Blackader Products Co., Dayton, Ohio, guarantees every package
satisfactory, or money back, so why
not stop your pain and distress with
Balmwort Tablets. Sold by leading
druggists. Price, \$1.00—adv.

**UNIQUE
CHARACTER
VISITS CITY**

He breezed into Mayor Brown's office in Hammond Saturday and said his name was Joseph F. Mikules, headed for Gary.

Before beginning the story, a perspective of this wonder would not be inappropriate. Shading his bald
face and sharply cut features in a wine
colored slouch hat that has seen much
service as likewise has the rest of his
garb. He is dressed in a sweater
coat and underneath a black jersey
covered with a sprig of medals. Over
his shoulders is a broad belt supporting
at his side a heavy leather pouch. A
pair of blue overalls and thick-soled
boots complete his outfit. In one
hand as he ambles along the highways
of the world, he carries a heavy cane
and with his other he grips the handle
of a black oilskin sack not unlike an
old carpet bag.

When he registers at a hotel he in-
sists that "Joseph F. Mikules, citizen
Native of Clinton, and a naturalized
citizen of the United States."

**RINGGOLD, GEORGIA
MAN WRITES**

A thankful letter about the bene-
fits received from using Sulphur
Tablets. Its effects are like grand-
mother's remedy of sulphur, cream
of tartar and molasses. But this
consists of sulphur, cream of tar-
tar and honey in a sugar-coated
tablet, easy and pleasant to use,
for bad blood, stomach, liver and
bowel disorders.

Mr. John M. Plemons, Ringgold,
Georgia, writes: "I had an awful
bad case of stomach trouble and
constipation, and had the services
of a specialist with only temporary
relief. I saw an advertisement
of Sulphur Tablets and began using
them, and in a short time noticed
very good results, and I further
used them, and at this time am
perfectly well as far as I can tell.
I don't recommend anything unless
I receive some good results.
Some friends use them and they
give good results, etc." Drug-
stores sell Sulphur Tablets every-
where. Don't take ordinary "sul-
phur" tablets and be disappointed.

And that he is,
in the big book which he carries in
the oil-skin carpet-bag there is written
the autographs of almost every prominent
man, business, social, commercial
or political, of the 28 countries which
he has traversed in the 20 years he has
been traveling.

The book looks like a big brother to
Webster's unabridged. It weighs
thirty pounds and contains over 1,000
pages.

The wandering autograph collector
called at the city hall to get
Mayor Brown's signature.

While waiting for the mayor to con-
clude other important business Joe told
how he had left his home in Stabica,
Croatia, nearly 28 years ago. He has
been twice around the world and is now
on his way to Washington to secure a
passport for Europe. He will visit
London, Paris and other cities and ex-
pects to arrive at his native health-
in the next year. Whether he will re-
turn to the United States he has not de-
termined but if he does his home will
be made in Idaho whose climate he con-
siders ideal.

The book contains over 50,000 auto-
graphs. McAdoo wrote this in the
book on December 19, 1919, at New
York: "To carry the American Flag
Around the World on a Good Show
Pair of American Legs is a Good
Achievement. Success Attends You!" and
his signature followed.

There are also the autographs and a
few words appended by the presidents
of most of the large life insurance
companies of America, rulers of far eastern
countries, including that of the second
president of the Chinese Republic, Li
Yuen Hung, captains of American Indus-
try, including Andrew Carnegie,
Charles M. Schwab and others, of
Thomas A. Edison, who writes the one

**HATS, LIKE ROBINS,
HERALDS OF SPRING**

Here are two of the first hats
shown for southern wear or early
northern spring days. The upper
one is a good looking street or semi-
dress hat of brown straw with a tan
crown of beige silk held in place at
one side by a brown straw ornament.
It is the drooping brimmed sailor
shape which is so becoming to most
faces. Below is a fetching little
sport hat of blue satin and straw
decorated with beads. A cluster of
flowers at the back sounds a new
note in sports millinery.

**HE WAS CALLED
A LOAFER**
BUT HE WAS SICK.

Thousands Are Sick, But Get No
Sympathy or Help Because
They Are Not Bedfust.

A healthy man or woman simply
cannot loaf. When you lack energy
and vitality you don't feel like working.
All the organs of your body are
stagnant. You are not born for either
leisure or work. You eat a plenty
perhaps—but your stomach and
digestive organs do not build up your
strength. Dissipation in one form or
another may have caused your trouble.
Nature needs the help that Odonto-
mone Tablets will afford anyone
suffering with that tired feeling, with
headaches, body pains, restlessness,
sleeplessness, despondency, loss of
energy, the try taking Odonto-
mone instead of those strong stim-
ulants like coffee, tea, wine. They
will give complete and digestion, en-
ergy, more health, strength, your
face and make up a real live
healthy, complete person. All drugs
can supply Odonto-mone in sealed tubes—adv.

**SPECIAL!**

The Mandel Store has just received from a New
York manufacturer 150 Dresses and 150 Blouses,
part of a surplus stock we were fortunate in securing
at about fifty per cent lower than prevailing costs.

**MONDAY AND
TUESDAY**

We consider this one of the most important pur-
chases of our entire career. We are going to place
this big purchase, without any reservations, on sale
and give the women of Hammond a really worth
while opportunity to replenish their wardrobe at
prices that will diminish this special purchase to al-
most nothing. We firmly believe Tuesday will see
the majority of this purchase in the hands of eager
buyers. It will be worth your while to make the ex-
tra effort to get here Tuesday and not later than
Wednesday.

**150
DRESSES**

These are the more desired dresses because of the higher
priced materials in them and the extra touches that are al-
ways absent in the regular \$25 dresses. The assortment in-
cludes Taffetas, Georgettes, Charneuse, Crepe de Metors
and Satins. They are voguish conceptions and replicas of
Parisian models. Artful touches of beading, braiding, em-
broidery or tuckings characterize every dress in the lot. We
are positive there isn't a dress in the lot that can be dupli-
cated hereabouts under fifty dollars. Many of them are \$75
values. Without considering a large profit on these dresses,
which could easily be asked, we pass them on to you at just

\$25.00

**150
BLOUSES**

The Blouses are just as truly a sensation as the Dresses.
This is positively the greatest "scoop" of high grade
Blouses the Mandel Store has been able to secure in its en-
tire history. There isn't one of them that is not worth ten
dollars. The lot includes Georgettes, Crepe de Chines and
Satins, set off with beading, braiding or embroidery in a
most artistic fashion. We could ask ten dollars for these
Blouses, but we have knocked the "Fit" out of profit and
price them to you at only

\$4.25
