### Great Medicine

Made From Corn Silk—Excites Favorable Comment.

Kidney and Bladder Ailments Banished By Few Doses.

Corn silk? The same "silk" you see protruding from the husk of corn, produces a fine medicine for kidney and bladder irregularities, when compounded with other simple drugs as in Balmwort Tablets.

Balmwort Tablets contain a powerful extract of corn silk, which quickly relieves the inflammation and congestion that causes such distress as pains in back and hips, rheumatic twinges, nervousness, severe headaches, accompanied by frequent desire to eliminate, followed by scalding, burning sensation. The patient is compelled to arise frequently to relieve pitiful pressure, even though a scanty flow follows. The eyes appear "bloodshot," the sleep is restless, and sometimes fever, followed by chills, cause great unrest. It is unwise to neglect such symptoms, when a few doses of Balmwort Tablets can be taken for relief. Alice Trobough, 3627 South Twenty-fourth St., Omaha, Neb., writes: "I have used one tube of your Balmwort Tablets and find that they are the best I have ever used for kidney and bladder trouble."

Ask any leading druggist for a tube of Balmwort Tablets. Price, \$1.00—Adv.
