

ERIC LUND IS GIVEN A FINE TRIBUTE

When Duty Called Him
Among Bad Men, He Was
Always There.

Undaunted by the number of aspirants already in the field, Eric Lund of Hammond, is quietly conducting his campaign for the nomination for sheriff of Lake county, doing it in his own way and confident that the primary will hand him a handsome majority.

Eric is probably known to as many people in Lake county as any other man for during the twenty-one years of his residence here he has always taken an active part in politics and as a general contractor has done over \$200,000 worth of work for the county. In connection with his public work it may be added that he came out of it with clean hands and a clear record, facts well known to the majority of the people.

Mr. Lund was born in Norway, forty-five years ago. When he was eighteen years old he came to America and first went to Lyman county, South Dakota. There he entered the contractor business. Lyman county was then wild and untamed and needed a man for county constable. The folks who believed in law and order elected Eric. Old settlers still tell of the days when red liquor was plentiful and the cowboys came to town, filled

up on it and then started to shoot up the place.

There was where Eric showed the stuff in him. The leading paper of Lyman county recently recounted some

of the early history and mentioned Eric. "Eric never was afraid of any man, drunk or sober, armed or unarmed, big man or little man, and where duty called him he was always there," reads the tribute to his fearlessness.

He showed this same spirit when the United States entered the World War. Already past his fortieth birthday, Eric

a soft job but took what was handed to him. In the battles around Chateau Thierry, July 15 to 19, 1918, he was gassed and wounded in action and incidentally was made a corporal for the heavy work which he did. He is now entirely recovered from his injuries and is feeling fit as ever. He was in the service two years of a total sixteen months were spent in France.

"I don't have much time for campaigning," said Eric today, "for I have to work to support myself and family but I manage to get around over the county a little and find that my friends are doing me a good turn whenever they have a chance." He has many friends in all walks of life who will be glad to lend him a hand. In organized labor he finds staunch support for he has been one of the boys for over twenty years and the labor vote will lend tremendously on the final results.

In an' Around —GARY—

WILL MAKE
IMPROVEMENTS FOR
ST. CAR EMPLOYEES

According to plans now being drawn by H. Warriner, well-known city architect, the Gary street railway will soon be ready for bids on the construction of dormitories and rest rooms for the street car employees that will cost in the neighborhood of \$20,000. The dormitories and rest rooms will occupy the entire floor of the second story that is to be added to the present car barn. It will be 50 feet wide and 100 feet long. It will include sleeping rooms for fifteen men and a rest room large enough for 100 men. There will be shower baths and other conveniences in connection.

KEEP OFF THE STREET

Children of Gary who have been using roller skating rink had better take warning unless they want to take a chance of being killed or maimed for life.

It was yesterday while 15-year-old Edward Smith, 708 W. 4th avenue was roller skating on the street at 5th avenue and Adams street that he was run down by a machine driven by Harry Grannell, of 375 Broadway.

According to the story told by Mr. Grannell to the police, he was driving west on 5th avenue and at Adams street, he slowed down to let another machine pass. Without warning, Smith dashed from behind the auto directly in the path of Grannell's machine. The lad was bowled over and knocked to the pavement sustaining painful bruises.

About the same time, Sidney Kruger, a young lad living at 220 Roosevelt st., Toletown, was struck by a truck at 8th avenue and Broadway. The truck was driven by Harry Anthony, 1225 Adams street. Kruger was also brought to the police station where it was learned that his injuries were only minor ones.

17 YEAR OLD BOY IS MISSING

The Gary police are conducting a city-wide search today for some information regarding the strange disappearance of seventeen-year-old Mike Kabelek, 234 Park st., who left his home yesterday morning and has not been seen or heard of since. His mother asked the aid of the police in locating him.

STAGE A REGULAR CHAPLIN COMEDY

A regular Charlie Chaplin comedy was staged in a restaurant at 1735 Broadway in Gary last night and it all happened this way.

The place was practically deserted and a colored man walked into the restaurant. He ordered what one would call a "square meal," snatched his lips and walked up to the cashiers desk with all the appearances that he intended to pay his bill.

He then argued with Mike Chaplin, the proprietor over the check, but was unable to come to peace terms. The nearest thing to the negro's right hand was a heavy plate, and this he picked up and wielded it over the proprietors head with considerable dexterity and walked out of the place. The police are looking for him.

MACHINE CRASHES THROUGH GATES

R. Hecker, living at 45th avenue and Gary, had a narrow escape from serious injury at the Pennsylvania tracks and Broadway yesterday when he crashed into the gates, breaking the wind shield and damaging the top. Although a shower of flying glass struck him he escaped without serious injury.

The townsmen lowered the gates in front of him and he did not have time to bring the car to a halt.

CHANGES MADE IN POLICE PERSONNEL

Announcement was made by Chief of Police Forbes of Gary this morning that the following changes in the personnel of the department would take effect tomorrow. In the place of Officer Ernest as desk sergeant, who recently tendered his resignation, Officer Vaughn will fill the vacancy. Officers Thompson and Bogardus will be relief desk men; Martin, chauffeur; Mayhop, motorcycle; Jalma, extra night driver, and Taber, extra day driver.

John Remius, bond jumper, who was recently brought from Pittsburgh, Pa., where he had been arrested, was taken to Hammond by a Gary police officer today to be turned over to United States Marshall Mybeck. Remius was indicted by the federal grand jury and skipped his bond. His Gary bondsman caused his arrest.
