

LIFT OFF CORNS!

Doesn't hurt a bit! Sore corns
Lift right off with fingers.

Magic!

Costs few cents! Drop a little Freezone on that touchy corn. Instantly that corn stage hardening, then you lift it right out with the fingers.

Why wait? Your druggist sells a tiny bottle of Freezone for a few cents, sufficient to rid your feet of every hard corn, soft corn, or even between the toes, and calluses, without surgery or irritation. Freezone is the much talked of discovery of the Cincinnati genius—adv.

Every Two Days

On the average there is a tornado every two days in the United States.

Storms of this sort happen any time of the year, at any place. And when they come they usually bankrupt many merchants.

One of the cheapest forms of insurance you can buy is windstorm insurance—for your building and contents. Yet this low-cost policy may stand you well at an unexpected time.

Teamster's Life Saved

Writes Letter That Is Worth Reading Very Carefully.

Peterston Ointment Co., Inc., Buffalo, N. Y. I was afflicted with a very severe sore on my leg for years. I am a teamster. I tried all medicines and salves, but without success. I tried doctors, but they failed to cure me. I couldn't sleep for many nights from pain. Doctors said I could not live for more than two years. Finally Peterston's Ointment was recommended to me and by its use the sore was entirely healed. Thankfully yours, William Hanks, West Park, Ohio, March 22, 1919, care P. O. Route, Box 191.

Peterston says: "I am proud of the above letter and have hundreds of others that tell of wonderful cures of Eczema, Itch, and Skin Diseases."

Peterston's Ointment is 25 cents a large box at all druggists and there isn't a broader-minded druggist in America that won't praise it. Mail orders filled by Peterston Ointment Co., Inc., Buffalo, N. Y.—Adv.
