

YOU can fry fish and then make a cake with the same lot of Mazola. This remarkable fact is possible because Mazola absorbs no odors of flavors from food fried in it.

Try it yourself. Fry fish in Mazola—strain, and then use the same Mazola as shortening for a cake. Not even your imagination will taste the fish flavor in the cake.

WHITING —and its— PEOPLE

In order to improve "the atmosphere" of the newspaper play in which she appears tonight at the Princess theatre, Whiting, Corrine Griffith, known to film fans as "the beautiful Corrine," worked as a reporter on the New York World for several days prior to filming "Head Line at Eleven." Mrs. Griffith had an idea that "dead line" represented something terrible, and she didn't miss it much—but see the picture.

The week night evangelistic sessions and celebration of Passion Week in the Methodist Church will close on Friday night with the Holy Communion and National Service. All those who have united with the church or who intend to join before Sunday and be received into the church on that day, if they have not been baptized previously, should be present at the service Friday night and be baptized. All who are uniting with the church either through decision day in the Sunday school, or on confession of faith, or on transfer of membership should be present at the service Easter morning to be received into the church with the large class. Opportunity will be given again next Sunday for parents to present their children for baptism.

Discoverer Tells Druggists Not to Take a Cent of Anyone's Money Unless Allergic Completely Banishes All Rheumatic Pains and Twinges.

Mr. James H. Allen suffered for years with rheumatism. Many times a terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated poisons, commonly called acids and deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he conducted extensive experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery to others who took it with what might be called marvellous success. After years of struggle he decided to let suffering men, women and children know about his discovery through newspapers. Your delight has been appointed agent for Allergic in this vicinity with the understanding that you will freely return the carriage money to all who state they received no benefit.

BUG-OLOGY

Figure This Out

Bedbugs lay an average of seven eggs per day. Under favorable conditions they hatch in five days, of which two-thirds are females. They mature to adult size and are capable of laying in four weeks. One night bedbug would lay five to a year if you left one female or egg undisturbed for one year. To rid this weekly bedbug you can readily see how necessary it is to use a preparation that will kill the eggs as well as the live ones. P. D. Q. has been demonstrated by the leading Hospitals, Hotels and Railroad companies that the safest and most economical way to stop future generations of bedbugs, roaches, fleas and ants is to use the new Discovery—Pecky Devil Quinine.

A 32 package of P. D. Q. makes a quart enough to kill a million bedbugs, roaches, fleas and coffee and of the same this destroy their eggs as well.

Responsible for them to exist when P. D. Q. is properly used. Free patent right in every package to get the Pecky Devil in the largest of all places.

Special Treatment of the P. D. Q. makes five million of P. D. Q. for you, your druggist has it or can get it for you, or write to the Pecky Devil Quinine Co., 1000 Chemical Co., Terre Haute, Ind. Success of P. D. Q. has caused imitations, genuine P. D. Q. is never peddled—Adv.

LADIES! SECRET TO DARKEN GRAY HAIR

Bring Back its Color and
Lustre with Grandma's
Sage Tea Recipe.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and lustrous. Making the Sage Tea and Sulphur recipe at home, though it is troublesome, an easier way is to get the ready-made preparation improved by the addition of other ingredients, a large bottle, at little cost, at drug stores, known as "Wynthe Sage and Sulphur Compound" have avoided a lot of work.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wynthe's Sage and Sulphur Compound, no one can tell because it does it so naturally, so easily.

You just wash your sponge or soft brush with it and draw this through your hair, taking one small strand at a time, by moving all the hair back and forth.

After another application or two your hair becomes beautifully dark, glossy and abundant and you appear years younger—Adv.
