## LEADS IN SUFFRAGE FIGHT IN DELAWARE

Mrs. Victor Dupont, Sr.

Mrs. Victor Dupont, Sr., of Wilmington, Del., is taking a prominent part in the fight for ratification of the suffrage amendment by the legislature of that state.

democracy. As our unions strength they acquire responsibility. If they use this strength in an irregular manner or fail to measure up to our responsibilities or lack courage to stand for correct procedure, the purpose of the railway employees department will have failed and in its place we will have industrial turmoil.

There are the wage demands that will be presented on April 23, the formal letter of presentation being already prepared.

For all machinists, boiler-makers, blacksmiths, sheet metal workers, electrical workers and carmen, a minimum hourly rate of \$5 cents.

For all helpers in above crafts minimum of 60 cents. Gang foreman, \$1 per hour. Assistant foreman, \$1.05 and foreman, \$1.10.

Machinists—Machinists required to inspect locomotives and swear to reports shall receive five cents an hour above the minimum rate.

Autogenous welders shall receive five cents an hour above rate paid machinists at the point employed.

Boiler-makers assigned as boiler inspectors, fitters, layers-out and autogenous welders shall receive five cents an hour above minimum.

Blacksmiths working on making material above six inches shall be known as hammer-smiths and shall receive ten cents an hour above minimum.

Blacksmiths working on making material above four inches shall be known as heavy fire blacksmiths and shall receive five cents an hour above minimum.

## STRIKE CALLS HIM BACK TO HIS DUTY

(Continued from page one.)

Gen. A. Mitchell Palmer has been attacked, the speaker who suggested that his best course would be to return to Washington and strive to reduce the high cost of living through the agency of the Lever act being loudly applauded.

## CONSERVATIVES IN CONTROL

This program is contained in the officers report, which has been turned over to a committee appointed by President A. O. Wharton for consideration. It is evident that the officers heading the conservative element are in complete control of the convention and it is extremely doubtful whether the radicals will be able to secure even momentary control.

The subject of "unauthorized strikes" is considered by the officers in the following language:

"The Chicago district strike and other illegal suspensions of work in violation of the national agreement and laws of the organization are without doubt largely responsible for the attempt to enact anti-strike legislation and we must admit also that such action not only interferes with the operation of railroads under federal control but gave root to an impression in the public mind that our members were an irresponsible rabble."

## MUST KEEP CONTRACTS

"The one outstanding lesson that railroad employees must learn from this so-called strike is the necessity for self control and adherence to the pledge to conform into the laws of the organization that they themselves have made. If this lesson is not voluntarily accepted by our movement we will be compelled to accept it by anti-union force that we ourselves partly develop because of our refusal to obey laws. Strikes that have been called after every resource has been exhausted are deplorable, but illegal strikes are indefensible and inconsistent with de-

## Too Light for Heavy Work, Too Heavy for Light Work

(INTERNATIONAL NEWS SERVICE) PASADENA, N. J., April.—"I'm too light for heavy work, and too heavy for light work," said Nicholas Yarkin, 40 years old, of 64 Third street, to Judge Thomas P. Catello, when arraigned on a charge of non-support of his wife and six children.

Mrs. John D. Pritchett, police court investigator, had secured work for the man at the Brighton Mills, as a laborer at \$25 a week, but Yarkin had refused to work for that pay. The judge said he would find a happy medium for the man, and turning to his wife, said: "Father has gone to jail for six months."

## Saturates Clothing with Kerosene, Sets It Afire

(INTERNATIONAL NEWS SERVICE) OMAHA, Neb., April.—After pouring kerosene on her clothing, Mrs. Claude Hauschild, 55, living near here, stepped into her yard and touched a match to her clothing. When found three hours later her dead body, in a sitting posture, was leaning against a tree.

Mental derangement was blamed for her act.

## Dumfries, Scotland, Home of Bobby Burns, Is Dry

(INTERNATIONAL NEWS SERVICE) DUMFRIES, Scotland, April.—The immortal Robert Burns lived here, but that was some time back.

Now, according to reliable prognosticators, one-half of the people of Dumfries and three-quarters of its suburb of Maxwelltown will vote the district dry.

Fifty-three licensed premises, for a population of 16,000, will be closed.

## "TIZ" FOR TIRED AND SORE FEET

Use "Tiz" for puffed-up, burning, aching, calloused feet and corns.

Why go limping around with aching, puffed-up feet—feet so tired, chafed, sore and swollen you can hardly get your shoes on or off? Why don't you get a box of "Tiz" from the drug store now and gladden your tortured feet? "Tiz" makes your feet glow with comfort; takes down swellings and draws the soreness and misery right out of feet that chafe, smart and burn. "Tiz" instantly stops pain in corns, callouses and bunions. "Tiz" is glorious for tired, aching, sore feet. So more shoe tightness—no more foot torture—now.
