LADIES' APRON.

A glance at the diagram will convince one how extremely easy this apron is to make. The back and front is cut in one with the former extending to the waist, fastening on the fronts at each side.

The lady's apron. No. 9600 is cut in sizes 36, 40 and 44 inches bust measure. 54 to 58 inches length. Price 12 cents. Limited space prevents showing all the styles here. We will send you our page fashion magazine, containing all the good, new styles, hints on dress-making, etc., for 10c, or 25c if ordered with a pattern.

Have of Education.  
I am against all education. It makes women conceited and unkind. And it makes men dull and pedantic. —Frederic Harrison in 1904 to Lady Dorothy Nevill.
