## Spring Suits and Frocks Now Tailored Suits—

We have a large variety of severely tailored suits and those who prefer lines more or less elaborate. This showing, for it includes plenty of models in both types, as well as many in between. Presented, too, at this time are all the newest fabrics such as the favored all-wool freetone, mannish serge, velour checks and wool jersey. Jackets are silk lined and skirts harmonize with them in trimming. See these unusual values at

### Charming Dresses—

Foremost among the Frocks in this first formal showing of Spring modes are dresses of chiffon taffeta, rich chambrase. They are new and unusual in styling and very effectively embellished with embroideries, beads and frills of self material. Offered in tan, navy and a number of newer shades, they will appeal especially to those women who are seeking moderately priced additions to their new wardrobes. Values easily up to \$25.00, at

—\$49.75

—\$17.85
