## BREAD CRUMB GRIDDLE CAKES

1  $\frac{1}{2}$  cups stale bread crumbs  
1  $\frac{1}{2}$  cups of milk  
1 tablespoon of fat  
1  $\frac{1}{2}$  cup of flour  
 $\frac{1}{2}$  teaspoon of salt  
4 teaspoons of baking powder  
2 eggs well beaten  
Soak the crumbs in the milk, add eggs; and last, the flour sifted with the baking powder and the salt. Bake on hot griddle as usual.

Mrs. J. Pennington  
**BUTTER CRUMBS**  
Melt one-fourth cup of fat in a saucepan and stir in one cup of crumbs. More fat may be used. Do not use crumbs for scalloping without buttering. Butter crumbs, seasoned and moltened, are used for stuffing peppers, tomatoes, fish, poultry or anything needing a bread filling.

**BREAD CRUMBS MOLASSES PIE**  
1 cup bread crumbs mixed with two tablespoons sugar  
Juice and rind of one lemon  
1  $\frac{1}{2}$  cups of molasses  
Cook for about twenty minutes on the stove beforehand. Then make it into a tart or pie.

**MEAT LOAF**  
1 cup of meat  
1  $\frac{1}{2}$  to 1 cup crumbs  
 $\frac{1}{2}$  cup milk  
1 or two eggs  
1 tablespoon lemon juice  
1 tablespoon of parsley  
 $\frac{1}{2}$  teaspoon salt  
Pepper  
Chop meat, mix all ingredients. Pack in buttered molds. Steam or bake in a pan of water. Turn out and serve with sauce or peas.

**BAKED BANANA CUSTARD**  
1  $\frac{1}{2}$  cups of milk  
 $\frac{1}{2}$  cup sugar  
2 eggs  
 $\frac{1}{2}$  teaspoon salt  
1  $\frac{1}{2}$  tablespoon lemon juice  
1 banana

Peel, scrape and press the fruit, mixed with lemon juice, through a sieve. Beat eggs slightly and add sugar; scald milk and pour over eggs, sugar and salt. Mix everything together, fill in custard cups and bake in the same way as you would custard, set in hot water. When finished chill, turn over, and serve with fruit sauce, preferably one made of cranberry or currant jelly.

Said  
**Theodore  
ROOSEVELT:**

*"EVEN men who are not profess-  
edly religious must, if they are  
frank, admit that no community  
permanently prospers, either morally  
or materially, unless the church is a real  
and vital element in the community  
life."*

Put a church in a town and all real estate values increase.

Put a church in a town and it becomes at once a center of inspiration for better schools, better politics and general community improvement.

Put a church in a town and you insure a community where law and order reign, where the personal and property rights of men and women are respected, where children grow up trained in the ideals that have made America great.

Kill the church and you kill the Voice that is constantly calling men to more unselfish living.

Kill the church and you cut the nerve of your hospitals, your colleges, your civic organizations and even of respect for government itself.

Thirty denominations, realizing that the problems facing them are too great to be solved by any one denomination alone, are cooperating in a great forward campaign under the name of the Interchurch World Movement.

No modern business could have made a more scientific survey of the task than these denominations have made. No budgets could be more carefully drawn. You have the satisfaction of knowing that every dollar you give has its post of duty assigned to it in advance.

Every dollar for a better America and a better world. For an American where the ideals of Washington and Lincoln and Roosevelt will continue to grow strong. When your church calls on you in the campaign week of April 25th give, and give with your heart as well as your pocketbook.
