The lecture recital given by Mrs. Beulah Wright Comstock, assisted by Mrs. L. L. Bomberger and Mrs. Lillian Mikesch was one of the most enjoyable ever given in this city. The people of Hammond were very highly honored to have procured Mrs. Comstock, as she established a reputation for herself that has made her sought as an entertainer and she is only able to give a limited number of entertainments. Mrs. Comstock was dean of oratory in the University of Southern California for 15 years. To those who had the pleasure of hearing her last evening one is reminded of the well known critic who recently said of her: "She has a gift and power that is rare. As she reads one is wakened along on the crest of the spiritual wave that inspires and uplifts, as few artists are capable of doing." From here Mrs. Comstock left for Evanston to give a recital at Northwestern University. Mrs. Comstock was most ably assisted by the Mesdames Bomberger who sang and Mrs. Mikesch who accompanied in her delightful manner.

This entertainment was given under the auspices of the Ladies Aid of the Presbyterian church and was financially successful. The proceeds will be used in relief work. It may be possible to secure Mrs. Comstock for a course of lectures next year which is very much to be hoped.

## SANITATION MEETING IS SET FOR FRIDAY

Lack of a quorum last night made impossible a meeting of the East Chicago city council. It did not stop the councilmen who were present and a number of citizens from discussing topics upon which immediate action is being urged.

The first topic was placed before the council by Attorney C. B. Tinkham of Hammond, who explained in some detail the work which has already been done in connection with the establishment of a sanitary district and requested the presence of the city officials and representatives of the civic organizations at a meeting in the East Chicago council chamber next Friday evening. Representatives from Hammond and Whiting will also be present and some definite action will be discussed.

Then followed complaints by residents of Pennsylvania avenue, Indiana Harbor, that trucks hauling excessive

## IN MEMORIAM

**IN MEMORIAM**  
In loving memory of my dear husband, John W. Kamradt, who passed away one year ago April 20, 1919. One sad year has passed since that day The one I loved has passed away. I saw him suffer, I stood close by. But with aching heart and weeping eyes. I saw him sinking hour by hour—I could not save him from Death's power. Dear loving John, why did you go? For I wanted you and I miss you so. My heart still grieves and sore. As time goes on, and more. I miss you more and more. Your cheerful voice, your loving face. No one can ever take your place. Your memory is as dear today As when the hour you passed away. When days are dark and friends are few. How I long and pray for you, Dear John.  
—From Loving Wife.

**IN MEMORIAM**  
Tribute of love in memory of our dear husband and father, Marlon E. Zewer, who departed this life one year ago today, April 20th, 1919. Such was the life and death of these we mourn.

Beneath this rugged form a heart of Oak; As ivy winds its tendrils round the tree So cling thy Dear Ones and thy friends to thee. As zephyrs sweep away the tender twigs. So thy response in sweet affections wand. The oak stands straight despite the wintry winds. So thou didst meet the cruel blast of fate.

Thy Harp of Life was tuned to charity Blind Justice sweet its strings in harmony. With rare fidelity, and Love of Man. The theme that filled thy soul with melody. True to thy God thy family and thy friends. We shall not often see thy counterpart Hall, and Farewell! Bon voyage o'er the Sea. A few short years and we shall come to thee.  
—Loving Wife and Sons.

## From Thin to Plump—Girls

The expressions of happiness and gratitude of several of his young lady patients for whom he prescribed the recently successful flesh forming product, known as three grain hyponitrate tablets, is related by a physician in one of the medical publications and it comes as a surprise to the ordinary layman to learn the heart throbs of distress which seems to effect so many young people who are abnormally thin. Also know that the weight can be increased by the use, regularly for several months, of this peculiarly named preparation, now obtainable of the best apothecary shops in sealed packages, with complete instructions for self-administration.—Adv.

loads of cement from the Universal Portland plant at Huntington were tearing the street to pieces.

The enraged citizens asserted that twenty-five and thirty ton loads were being taken over the street and asked for an ordinance limiting the load to be carried on a truck. Representatives of the Cement Association were present and assured the council that the company would assist in every way possible to protect the roads. Pavement of Guttridge street with an eight inch concrete pavement was suggested as the most logical solution of the hauling problem.

Dr. E. C. Halliday of the state board of health also appeared before the meeting and urged an additional appropriation for the maintenance of the free health clinic at Calumet. He assured the council that the state would spend an amount equal to that appropriated by the city.
