

RADICALS WONT RETURN FROM STRIKE

(STAFF CORRESPONDENT L. N. SERVICE)
WASHINGTON, April 21.—Peace was declared here today between the "out-law" railroad strikers and the railroad brotherhoods.

Edward Mollugh representing the strikers of New York and New Jersey "declared" that he had reached an agreement with brotherhood chiefs and that all of the "trickers" will return to their work.

(INTERNATIONAL NEWS SERVICE)
CHICAGO, April 21.—Hope for a settlement today of the switchmen's strike in the Chicago district, center of the nation-wide walkout, went dimming when a mass meeting of the strikers, called to hear pleas of the strike leaders that the men return to work, was broken up by one man—a tall, lanky individual who arose in the gathering and persuaded the strikers to disperse.

His shouts of "walk out, boys" and "keep on striking" were taken up by other radicals in the crowd, and soon the meeting, which began peacefully, was stampeded.

John Thomas, chief of the strikers, was not present, and his absence was the radical leader's opportunity.

Federal agents are on the trail of the spies.

WASHINGTON, April 21.—President

Wilson is closely watching the developments at the meetings of the allied premiers at San Remo, and it is expected that he may take up the question of United States representation at the conference with his cabinet today.

Reports that the allied premiers have decided against President Wilson's plan for a settlement of the Turkish problem were received here with little surprise.

President Wilson has made his protest against permitting the Turk to remain in Europe, and it is believed here that he will rest his case on it.

BANK OF WHITING CELEBRATES ANNIVERSARY

(SPECIAL TO THE TIMES)
WHITING, IND., April 21.—The

Bank of Whiting today celebrates its silver anniversary.

Founded April 21, 1885, as a private bank, the institution has thrived and expanded under the wonderful guidance of its founder, Henry Schrage, Sr., until today deposits amount to almost \$2,000,000.

Originally located on 11th street near the New York Central depot in the part of Whiting then referred to as the "East Side" the bank was removed in 1912 to its present location in the handsome two-story building at the corner of 11th street and New York avenue.

Five years later in February, 1917, the institution was incorporated as a state bank.

One of the officers yesterday in commenting on the phenomenal growth since its inception summed up the reasons for the bank's success when he said: "Our two outstanding features are service and a personal interest in the happy culmination of every man's dream—to own a home of his own. We have always taken particular care to look out for the home builders and help them in every way possible."

Officers and directors in the Bank of Whiting are: Henry Schrage, Sr., the founder, chairman of the board of directors; Walter E. Schrage, Mayor of Whiting, president; Henry C. Schrage, vice president; William C. Schrage, cashier; Henry A. Harris, assistant cashier.

A. C. Huber Runs For Recorder

Albert C. Huber of Gary, who very properly from the viewpoints of acknowledged fitness for the office and of geographical and party availability factors, that always lends strength to a ticket, and from the fact that a lifetime of fidelity to a party's principles and its cause, state and national candidates, is entitled to the reciprocation from that party of some slight reward, the highest candidate to be placed on its ballot by the Republican party of Lake county for the office of Recorder at the

ALBERT C. HUBER.

primaries to be held next May, according to his supporters.

He followed the calling of timothy for many years but never losing sight of his early ambition, the bar, he contemporaneously with his daily job took a course in the Spring Lake Correspondence School, supplementing by close study of approved text books in his spare time at nights and on Nov. 3, 1918, realized the goal of his ambition by being admitted to practice in all Indiana courts by Judge Virgil S. Heller of the Lake superior court, sitting at Hammond. Prior to being admitted to practice, Mr. Huber had removed to East Chicago. In the hub city of the Calumet district he for eight years successfully conducted a grocery and market, and was prominent in the city's public life, three years a member of the city school board. Those architecturally beautiful edifices, the Washington and the Lincoln schools at Indiana Harbor, having been erected during his term of office.

Albert C. Huber is the type of man, the value of Lake county, the great majority of them are plain hard working people who earn a livelihood by honest brow sweat, delight in honoring and hence his candidacy looms large in the race for the county recordership, No. 16.
