Happenings Of A Day In Lake County's Lively Capital.

Senator Warren Harding of Ohio, one of the presidential candidates, gave a short talk at Central Music Hall Wednesday afternoon, coming here from Gary. Owing to the fact of his coming, not being advertised, the meeting was not very well attended, but those who did hear the Senator were much inspired with his personality as well as his talk which was not in the view of a political speech, not to get votes, but just for the good of the Republican party as the Senator puts it.

Miss Bessie Hart attended a matinee in Chicago on Wednesday seeing "The Royal Vagabond."

Mrs. John Lehman entertained the Q. A. M. Club at her home on Tuesday night. After the serving of a delicious 6:30 dinner the guests played bridge. Mrs. Winnie Hildebrandt and Miss Daze Haar receiving the prizes.

Miss Helen Glover is assisting in the City Treasurer's office during the time of paying of water taxes.

Dr. and Mrs. L. H. Grant returned on Tuesday from their southern trip and landed here just in time to enjoy the first real spring day we have had. The trip north was made in their car.

THE UNIVERSAL CAR

HAVE FORD MECHANICS REPAIR
YOUR CAR

The mechanics in our shops who will adjust or repair your Ford car, or Ford truck, are men who understand the Ford mechanism and who know the Ford way of making repairs and replacements. They are experienced Ford mechanics and because of their familiarity with Ford cars can do your work more intelligently and more quickly than can other skilled mechanics who lack Ford experience.

The work on your car will be done in a completely equipped shop with time-saving Ford tools and equipment. Whether your car needs an adjustment or a thorough overhauling, we are prepared to give you careful and prompt service. And nothing but the Genuine Ford-made parts and replacements will be used. When the work is finished, the charge will be the reasonable, standard Ford prices.

Our stock of Ford parts is always complete. And our Ford garage and Ford mechanics are at your service at any time. We are authorized Ford Dealers and not only repair Fords but also sell them. Drive in or phone any of the following. Be fair to your car and your pocketbook.

SCIENTISTS MAKE
NEW CASTOR OIL
REALLY TASTELESSRemarkable Process Im-
proves Famous Old
Remedy.

Nobody ever dreamed that castor oil could be made tasteless. But the chemists of Spencer Kellogg & Sons, Inc., one of the largest manufacturers of castor oil, tackled the problem and succeeded in perfecting a process by which the taste is absolutely removed. Today everybody can take castor oil easily, for Kellogg's Tasteless Castor Oil is really tasteless. Nothing is put in to disguise the taste. Strength and purity are unchanged. Curative, healing, and soothing qualities remain the same. It's the same good, old-fashioned castor oil that your doctor always prescribes, with the taste removed. Children take Kellogg's Tasteless Castor Oil easily. No bringling or coughing. You can now get Kellogg's Tasteless Castor Oil at all good druggists. Do not accept substitutes, if you want a really tasteless castor oil. Insist on Kellogg's Tasteless Castor Oil. Two sizes, 36c and 6c—adv.

HISTORY OF MENDENHALL'S
NUMBER 40 FOR THE BLOOD

Forty years ago an old doctor was putting up a medicine for diseases of the blood that cured the worst cases and time proved that the cures were permanent. After many years I secured the prescription, being a druggist, and took each ingredient separately, and referred to my U. S. Dispensatory and other authoritative books on medicine and found the medicinal properties set down as follows: "A specific in its influence upon all glandular structures of whatever character, it is also a blood making remedy of great power. Acts directly upon the skin and is indicated in eczema, itching, sores, ulcers, pimples, and skin eruptions of whatever character. Employed in chronic rheumatism, catarrh, constipation, stomach,

BIG ULCER
ALL HEALED

"Now I Can Walk," Says Mrs. Southcott of Medina.

"Here is another letter that makes me happy," says Peterson, of Buffalo. "One that I would rather have than a thousand dollars."

"Money isn't everything in this world. There is many a big hearted, rich man who would give all he has on earth to be able to produce a remedy with such mighty healing power as Peterson's Ointment to sell at all druggists for 35 cents a large box."

Read this letter, written February 14, 1918, by Mrs. Albert Southcott, of Medina, N. Y. It looks like a miracle but it is true, every word of it.

I know because I get similar letters almost every day from people who have used my ointment for old sores, eczema and piles.

Is it any wonder I am happy?

Peterson Ointment Co., Inc., Buffalo, N. Y.

Dear Sirs—

"I was an untold sufferer from an old running sore and ulcers. I had tried most everything without any relief from pain. A friend told me of your wonderful ointment and the first box took away the pain that had not left me before in years and after using just nine dollars worth of the salve I am cured. The ulcer was 9 inches by 6 1/2 inches, is all healed and I can walk. Never, never will I be without Peterson's again."

"You may use this to recommend your ointment if you wish. I cannot say enough to praise it." Yours truly, Mrs. Albert Southcott, Medina, N. Y. Mail orders filled by Peterson Ointment Co., Buffalo, N. Y.—adv.

Infant's Educator Pump

Don't Bend Baby Toes!

REMEMBER—these first steps that delight you so, are the beginning of life's long walk for your child.

Start the baby's feet right, and you will have done much to make that walk an easy one.

We recommend the infant's Educator pump shown below because it is made to fit the foot—not to shape the foot artificially. It "lets the foot grow as it should", straight-boned and shapely. It can never cause corns, bunions, callouses, weak arches, ingrowing nails, or any of the foot troubles that shoes bring.

Educators are made for the whole family—come in and see our line.
